There is great prejudice and hatred for all those that accept the teaching of Christ. In this treatise we shall uncover such prejudice, bigotry and hatred against the saints of God as it continues unto this present day in the form of Christendom. We shall deal with its origin head-on to support our understanding of why we oppose the doctrine of devils. Come out of Babylon! Those that have an ear let them hear what the Spirit says...

There are numerous reasons to come out of Babylon while it is still called today. But first we must understand why the so-called church, as it is presently defined and its religious leaders have misled its followers over the years. They are a mockery of the truth. With this said, we understand that not one of God's saints shall be lost, as there is a time and season for everything under the sun; as there is a time to gather all of God's Saints. Not by might nor by the power, but by his Holy Spirit shall the minds and hearts of the saints be awakened to leave these churches that teach and preach the words of outer darkness. This doctrine of the words of outer darkness is the direct opposite of the Law and Testimonies of Jesus. The question of the hour is, 'Can you go to church today and be taught how to get salvation?' The answer is, No. The church leaders leave salvation up to you, for fear you will not return with your weekly offering. Please understand that church structure and their conventions are based on the hierarchical model of Catholicism. By the will of God we will break down the development of Christendom and its universal false system of religion. [Lord, give me the words!]

Immediately after the Cross of Jesus Christ, the apostles travelled extensively to spread the teaching of Christ in and outside Jerusalem. Many people gathered in small groups and private homes as these places were called the "house church". Soon an entire community of people who believed that "Christ is the Son of God", and followed his teaching, were called "the church". These church assemblies gathered and congregated to share, hear, teach, preach and disperse the Testimonies of Jesus (Matthew 18:20). Please go to this website, www.godssaints.org and under the tab entitled "Come out of Babylon" read "Your Home Your Sanctuary", parts 1a, 1b and 2, to see what you can do after leaving Babylon. God's Word spread from Jerusalem to Asia Minor, and beyond, where the 7 churches were spoken of by John in Revelations 1:20, 2:1-29, and 3:1-22. These private "church homes" and houses served as the foundation and starting point in the spread of the "True Word of God and Jesus Christ" worldwide (Luke 9:1-6, 10:1-3, and 16-17). Jews/proselytes – proselytes are those Jews that accepted and converted to the teaching of Christ – were called "Christian Jews" and "Gentiles" as both accepted Christ and his word. The teaching of Christ to the gentiles by the Apostle Paul from Asia Minor to Rome did speed up the overspreading of Christ's teachings. Roman authorities were unable to deal with the powerful influence of the Word of God, as they continued their acts of abomination, and continued to mix pagan philosophies of men (namely Greek mythology), with the teaching of Christ to create what would become their "universal" doctrine to be called "Catholicism".

From this point forward we will call the doctrine of Catholicism "Christiandom", a collection of religious denominations. Let us breakdown the word "Christiandom". However, before we do this we want to say that a true Christian is a person who follows the teaching of Jesus Christ. Looking at the last part of this word "Christiandom", called the suffix of the word, "DOM", Webster's dictionary defines it meaning is a "Domain" or "Dominion". When putting the word "Christian" and its suffix "Dom" together, we get the word "Christiandom", but in word translation, Christiandom. "CHRISTIANDOM" is a dominion or domain of so called Christians" that follow "THE FALSE UNIVERSAL CHURCH OF CATHOLICISM". Catholicism is the study of the religion/doctrine of Catholics. We shall define "Christiandom", as a "collection of false doctrines" that originate and branch out from the false doctrine of Catholicism. We understand and hold true that "Christiandom" is the universal false doctrine of Catholicism and "ALL" its sister religions. Therefore, ALL Catholic religious leaders of the past, today and in the future that teach Catholic doctrine, is derived from this false "Universal Church of Catholicism", which is a Universal SYSTEM of "Christiandom". Together with her sister churches, which also teach this universal false doctrine and parade it throughout the known world, are religions that are the official branches of Catholicism.

The Historical Development of Christiandom

Catholicism and ALL her branches/sister religions are also called Babylon/Mystery Babylon, beginning as the pagan worship of idle gods and men, as these pagan Roman authorities, considered themselves gods. Using the false teachings of Greek mythology in effort to maintain control of its empire and people, this pagan act of blasphemy morphed and developed into what would become "Papal Rome". Roman authorities appointed a number of politically appointed religious leaders throughout the Roman Empire to maintain control of Roman provinces, and city states. These religious leaders, so called "Bishops", were responsible for everything secular (rituals) and religious (spiritual) in all communities that Rome controlled. After much power struggle over the politics (temporal power) and religion (including secular power) within the empire, between Roman authorities and their appointed religious bishops, one man assumed complete authority over all religion and spiritual belief in Rome. He was called the pope, and supreme leader of the "Universal Church of Christiandom". In order to establish religious creditability, and political (temporal) power over Roman authority and its people, the Pope claimed "apostolic succession" by falsely declaring that the Apostle Peter to be the first pope; God Forbid!

The truth of the matter is, Peter was called and given the name "The Rock" by Jesus Christ. The Word of God said these words regarding Peter... ***"Upon this 'Rock' I build my church"... "And the gates of hell shall not prevail"*** – and certainly not the gates that leads one into the dogma of "Christiandom". Through the pope's effort to try and blend the true Word of God, with the false doctrine of "Christiandom", the Knowledge of Evil and the Devil, knew they "only had a short time" in the earth to kill the Saints of God. By using this subtle device/theory they called "apostolic succession", the pope thereby established a "false link" to the Apostle Peter and consequently the false doctrine of "Christiandom": God forbid. Using persecution together with his policy of excommunication, the pope and the domain of death (kingdom of death headed by the Knowledge of Evil) caused a religious schism. A schism for political and religious control of the entire Roman Empire split Roman Catholicism into two parts: one was called "Western Christianity", which was headed by the so-called Pope, who used the language of Latin when interpreting the "Word of God" in the scriptures and the other was called the "Eastern Roman Empire".

The Eastern Empire was called "Eastern Christianity", headed by Constantine the Great, who used the language of the Greeks of Asia Minor to interpret the Holy Scriptures. In addition he, Constantine, changed the Sabbath day along with other blasphemous transgressions. It was agreed that the pope would control all matters of religion while Constantine would have political and secular control. With much contention, this agreement lasted until shortly after the "Abomination of Desolation" as prophesied by Jesus Christ before the cross, in which Jerusalem would be destroyed by the Romans in 70 A.D. Soon after the death of Constantine, a Revolution was ushered in by the dragon kingdom and the Knowledge of Evil, to create the Protestant Churches, which would replace and "heal the deadly wound of" Catholicism. The religious branches of Catholicism would subsequently and officially become the sister churches of Catholicism, which continued to perpetuate and carry on the false doctrine of "Christiandom". These religious doctrines took on such forms as "Christian evangelism", "born again Christians" and the "gospel of prosperity", among other names. These religions are listed in the order of their historical development, which is as follows: Anabaptist, Lutheran, and Anglican/Episcopalian; from these came Lutheran, Baptist Unitarian; from these came Methodist; from this came Restoration, Pentecostal and Calvinist/Presbyterian. Many other sects and cults would follow and would also be called churches that varied in doctrines and beliefs such as The Mormon Church of the Latter Day Saints, under the direction of John Smith and their many variations; and The Seventh Day Adventist Church, headed by Ellen G. White, also called Laodicea, as seen in Revelation 3:14-22, including all orthodoxy, Buddhism, Islam and its list goes on.

Understanding the Light of Divine Prophecy

The Prophet Webb was given full view of catholic control of the nations and the church, including its persecution power against the saints of God, as seen in Revelations 13 and 17th chapters. Through Prophet James T. Webb's teaching of the "Everlasting Gospel" we understood that Revelations 13:1 refers to the beast rising from the "sea" as nations of people. The seven heads of the beast are the powers and representative characteristics of countries and city states; while the ten horns, represented the lust and political power of 10 Roman kings, which is controlled by the 6th head of the dragon kingdom, whose purpose was to persecute the Saints of God: both Jews and Gentiles, then and now (See Rev 17:15). Revelations 17:9 shows us how the 6th head of the dragon kingdom controlled the pope of Christendom's universal catholic church, also called the Holy Roman Empire and later "Babylon/Mystery Babylon". The entire Roman Empire became completely subject to the teaching of "Catholicism/Christendom". This universal religion and false doctrine of Catholicism is completely different from the teaching of Christ and his Disciples, as displayed in Matthew 5th-6th chapters, which is unto salvation and everlasting life.

The pope ruled in the past and still has more power than kings and presidents of the earth, who used the Knowledge of Evil's influential weapon of "fear", together with the Catholic's church policy of "excommunication", to influence and control both politics and religion (religio-politico) of all nations of the earth. Christendom controls the nations, leaders of governments, including the catholic-based, false universal system of ALL of its religious leaders. Christendom controls the lives and behavior of all its followers through its many forms of persecution by using "fear", mind control, and inhuman treatment, to support all manner of slavery, usury, cruelty, false doctrine and false teaching. Christendom's only purpose is an attempt to kill and persecute God's Saints, both physically and spiritually. This false religious behavior has also shaped unfair government, law and policy imposed from its beginnings, starting with papal Roman persecution of the dark ages and the crusades, which continues today as religious hatred against God's Saints: both Jew and gentile (black or white), even unto today.

Revelations 13:11 refers to the "beast that came out of the earth", which is the image of the "beast that came out of the sea". Revelations 13:1 means that "both beasts" are characteristically one in the same. Revelations 13:3 reads, ***"AND I SAW ONE OF HIS HEADS WOUNDED TO DEATH AND HIS DEADLY WOUND WAS HEALED AND ALL THE WORLD WONDERED AFTER THE BEAST."*** In 1870-71, which is the time of the fall of Catholicism, the teaching of "Christendom" and its rule over the nations was cut off, and the pope was shut-up in the Vatican. In February, 1929 the universal teaching of Catholicism would take on the form and full force of "Protestantism": Catholicism's main branch. The wound of Christendom is officially healed, accepted and established in the United States as seen in Revelations 13:11. Here we see the "image of the beast", which came up out of the earth as Catholicism and its false universal system of Christendom re-emerge. It officially became the "Protestant Church". The deadly wound of the beast and Catholicism is now healed. The movement of Protestantism and all her sister churches are now the "image of the beast", and have now taken on the same characteristics as the first beast. The protestant church's rebellion against Catholicism, whose deadly wound is now healed, came back from its fall in 1870-71. [Note: Please read Daniel 12:11-12, which shows the time period of religious peace: 1,335 years from the decree of Justinian in 1538 A.D. when the pope and his authority was banished to the Vatican.] The pope was imprisoned.

Protestantism has taken on the same character of Catholicism, to take up residence in the Americas. The "IMAGE" of Catholicism, the beast, has now come up out of the "EARTH", meaning America. Again, Revelation 13:11, last part reads, ***"...AND HE HAD TWO (catholic and protestant) HORNS LIKE A LAMB AND SPAKE LIKE A DRAGON."*** The character of Catholicism and Protestantism is the same: SPEAKING LIKE A LAMB... BUT ACTING LIKE A DRAGON; this includes all government and religious law, including the rule of policy makers, and religious leaders of the most powerful nation in the world. The USA speaks to all other nations and people, including its own, the

same way... "Like a lamb crying "Lord, Lord", while at the same time they persecute the poor and underprivileged". The nations of the world wonder after the beast as they imitate the U.S., by speaking the words of Christ, but carrying out the policy of the Dragon/Knowledge of Evil.

Revelation 16:13-14 shows us the power of the image of the beast and its protestant, religious leaders who promote the policy of the U.S. government. The government and its leaders are in bed and fornicating with the beast...which is the false system of "Christiandom" headed by the combined efforts of both Catholicism and Protestantism (see Revelations 17:2 and 14:8). Under the influence of the slimy spirit of Frogs, which are unclean spirits, these nations of NATO are promoting the policies of the U.S., teaching lies and imposing propaganda, all in a combined and united effort with the so-called friendly governments. These nations are unwilling to deal with the truth of their policies head on. The U.S. government, the Pope and their entire false system of religious leaders would rather persecute mankind under the cloak of the "spirit of peace" using hatred and prejudice to deceive and drive the people and nations of the earth to hate God. The Knowledge of Evil along with her unclean spirit of frogs, continue to impart lying prejudice and propaganda. Together with the entire realm of the kingdom of death is "hell-bent" on railroading all of mankind...those that are left in the earth...because they failed to repent (Colossians 3:5-6). These people have been totally deceived, as the devil leads these unrepentant foot soldiers into the last battle between the kingdom of death and God Almighty (Revelations 9:20-21). Bitter Hatred is the reason mankind will not repent. They will continue to use hatred as their reason against the tender "Mercy of God". The Knowledge of Evil and the dragon will seduce, and cause human kind to believe a lie. Again, bitter hatred for God Almighty and for the teaching of the testimonies of Jesus Christ is their reason. To the Saints, be not deceived...**Come out of Babylon now, while it is still called today.**

Prejudice, Hatred, Lies and Propaganda has no Place with Christ, the Word of God

There was great prejudice in the time of the disciples against the followers that accepted Christ – Jew and Gentile – including Roman centurions and proselytes (those who converted to Christian belief). Paul dealt with these sinful conditions head on. Paul would not ignore prejudice, anger, jealousy, deceit, coveting, racism and inhuman treatment in the face of truth: whether Jew or Gentile. Galatians 2:11-14 shows us that the teaching of Christ had no respect of person, saying in Galatians 2:16, ***"KNOWING THAT NO MAN IS NOT JUSTIFIED BY THE WORKS OF THE LAW, BUT BY THE FAITH OF JESUS CHRIST, EVEN WE HAVE BELIEVED IN JESUS CHRIST, THAT WE MIGHT BE JUSTIFIED BY THE FAITH OF CHRIST, AND NOT BY THE WORKS OF THE LAW; FOR BY THE WORKS OF THE LAW SHALL NO FLESH BE JUSTIFIED."*** Here we see that Paul would not stoop to prejudice, even after having to admonish Peter, Barnabas and other Jews concerning the faith of the gentiles (PLEASE READ Romans 3:20). The Testimony of Jesus was set and had the power to break down the system of prejudice, hatred, lies and propaganda that would be used as racial hatred, prejudice and pride for all humanity, specifically for God's Saints (see II Tim 3:1-6). Perilous times would come in the latter days as seen by the persecution in both the pagan and papal Roman Empire; which continued through the crusades and the 20th century civil rights movement, even to the 2012 presidential election and beyond. The deadly wound healed as catholic and protestant churches, along with the government has and will continue to demonstrate in the form of boycotting, killing, bigotry, hypocrisy and intense hatred for God's Saints. All this persecution by the dragon kingdom headed by the Knowledge of Evil, guides both the catholic and protestant churches, using the false universal system of "Christiandom" (and all her following, which include Baptist, Methodist, Evangelicals, Presbyterian and all other religious conventions that confess to teach Christ). They continue to railroad the people by shaping belief to the doctrine of "Christiandom". The pope used LIES to shape the minds and false teaching that Peter was the first pope, that Peter was the head of the catholic church and her "system" of sister religions. Christiandom for years railroaded the beliefs of many, as their religious leaders speak the word of Christ while at the same time act and behave like the Knowledge of Evil, using her fruit of racial prejudice, intense hatred and persecution against the Saints of God: both Jew and Gentile.

The Racial Hatred and Hypocrisy of Laodicea (Revelations 3: 14-16)

The teaching of racial hatred and hypocrisy in the form of "white supremacy" in the churches is an abomination to the teaching of Christ (James 2:9). False teachers like Ellen G. White and all of her writings that are accepted by the Seventh Day Adventists, are in direct contradiction of Christ's teachings, as she has supported racial prejudice and hatred in the church. White is NOT a substitute for the scripture. SOME OF HER QUOTES ARE AS FOLLOWS: "**Let the colored people have their place of worship and white people have their place of worship**"; and in another place "**Colored people should not urge that they be placed on equal with white people;**" and still another place "**White men should be chosen as leaders**". Like the Romans she brought racial hatred and hypocrisy to the minds of the people worldwide. A quote from the Prophet James T. Webb, in his treatise entitled, *The Eleventh Hour*, "**Therefore as a lamb, he cries Lord, Lord in the church with one hand and with the other they do the deeds of the dragon.**" The lamb-like look of "democracy in their politics" and "protest-tant" in religion is characteristic of Protestant churches as they speak as a dragon (see Revelations 13:11). The innocent Saints of God are hurt by the teachings of the false leaders, who are supported by the U.S. government – politically and economically – together with the church and the spirit of lies. **COME OUT HER MY PEOPLE...BABAYLON IS FALLEN!**

Racial Hatred and Hypocrisy in Babylon: Past, Present (2012) and Beyond

We understand that Western Christianity (Christendom), which is the religious doctrine of the beast that came out of the earth, whose deadly wound is healed, is the power and character of both Catholicism and Protestantism. All aspects of Christendom's beliefs are based on secular religion, doctrine, politics and rituals. Protestantism and all her branches is the image of Catholicism, which has been active in the U.S. since the 1800's, along with the policies of immigration that brought many Catholics to the United States. These immigrants came from European, catholic-believing countries from Ireland, Germany, and Poland to escape the persecution and propaganda of communism, and later the catholic influence of Latin countries in the 1900's. The year 1960 brought the first catholic U.S. president in Kennedy during the time of the communist and democratic cold war, and its policies under the influence of the frog spirit of lies and propaganda reached a highpoint. The U.S. was formed as a country that opposed Catholicism, yet readily received orthodox catholic immigrants: a country where today over 35% of its religious leaders, government law, policy makers and population are catholic. While this government and its religious leaders preached the separation of church and state, we find that catholic and protestant religion has a major influence in American propaganda politics. Together with Catholicism and Protestantism and the spirit of frogs leading the way, specifically on issues of abortion, policy against communism, gay rights, immigration, and prejudice as tested, have become the accepted and approved values of Catholicism and Protestantism. All these policies headed by the Knowledge of Evil's and the dragon's organization of death and persecution have been united with the policies of protestant evangelicals that mimic Catholicism. **Come out of Babylon now, while it is still called today!**

In the 2012 presidential race, racial hatred and hypocrisy continue to be the "lynchpin" in religion and politics in America. Religion and Politics ("Religo-politico") has been, and is now, the primary policy concern of the government and Catholicism. Beginning with its papal origin, on through the dark ages of the crusades and now onto this present day, the combined efforts of Catholicism and its image, Protestantism continues to influence racial hatred, and hypocrisy using the power of persecution against God's Saints: Jew and Gentile.

In October 2011, a more recent example of racial hatred and prejudice imparted by the combined efforts of the U.S. government, Catholicism, and Protestantism – including Robert Jeffress, a protestant leader of a major Baptist church in Dallas, Texas, together with the head of his Southern Baptist convention (the largest protestant organization in the world) – on national television officially labeled Mormonism as a cult. In 2011, the barricades and bigotry continue as this Dallas, Texas pastor, Robert Jeffress, said during an interview on CNN national news network, quote, "**I don't**

support the Mormonism (church of the latter day saints) because Mormonism is a “cult” and people should not support a Mormon for President (of the U.S. of America) because Mormons are not Christians.” And again he quotes, **“Those of us who are born again followers of Christ should always prefer a competent, Christians over a non-Christian like Romney** (referring to Mitt Romney, 2012 presidential candidate as a non-Christian).” He continues his quote, **“If it were a choice between Mitt Romney and Barack Obama** (our current black president), **I would vote for Mitt Romney** (whom he called a non-Christian and his church a cult) **over Barack Obama** (who is an admitted Christian).”

Here we are looking at a classic example of a religious leader of Protestantism speaking as a “lamb and acting like a dragon”. When asked by the reporter, “What does religion have to do with electing a president”, Jeffress replied by going on to endorse the words of John Jay, 1st Protestant Chief Justice of the U.S. who said, quote, **“We have a duty and privilege to select and elect Christians as our leader”**. Again quoting Jeffress, **“Those of us who are evangelicals have a right to select a competent Christian over a competent non-Christian”**. Protestant Jeffress continues to “contradict his protestant beliefs” by saying he would prefer a so-called Non-Christian Romney over a Christian Obama. Speaking like a lamb yet acting like a dragon is an image of Catholicism, as Protestants mimic the persecution of hatred, prejudice and bigotry brought on by Catholicism the false universal system of religion called “Christiandom”. Religious leaders today claim to be following the teaching and the words of Christ; instead they stoop, bend and endorse hatred of the “Knowledge of Evil” to shape the minds of their followers by coercing them to subtly endorse hatred.

Saints of God, we must understand that the so-called teaching in false system structure of churches today, have a direct link to the universal false system of religion, as its false policy has reached into the governments of the world, more specifically, NATO nations headed by the USA. I urge you... **DO NOT WONDER AFTER THE BEAST**. Together religion and government are joined, like “hand and glove”. “Religo-Politico” (religion and politics) are not separated, as professed since its Roman beginning and ending in America. Be not deceived by the propaganda of lies and smokescreen of deceit, as the many foot soldiers of the Knowledge of Evil and the devil fight in vain against God Almighty. Fear none of these things; believe in God and in his Word, Jesus Christ, the Son of God. We must follow the Law and Testimony of Jesus, and make “Our Home Our Sanctuary”. Now is the time to make your home your “House Church”, and “Come out of Babylon” before it is too late. Christiandom (catholic and protestant) is “Babylon”. Babylon is the universal system of false religion and all its branches. The goal of Christiandom’s religious denominations is to confuse and deceive all people... just to get one saint. Watch and do not wonder after the delicacies of Babylon as the Kings of the earth wonder and promote her delicacies. Soon Babylon will become a Mystery, A CHURCH OF OUTER DARKNESS, after which time it will be too late and no man can repent. Come out before the “Mercy of God” is removed from the earth... **COME OUT OF BABYLON WHILE TODAY IS STILL CALLED TODAY**.
