## Prelude

Dear friend and reader:

May the hope of deliverance be strong in your heart. May your soul be eternally strengthened by the divine purpose of God contained on this website.

The hands of Zerrubabel have been blessed to bare witness of the completion of the executive judgment of God as prophesied by James T. Webb, messenger of the New Covenant of God. The Everlasting Gospel given unto him by order of Jesus Christ as in Rev 1 v1 is now the dominant word of God on earth (Rev 14 v6-7). Inside the Everlasting Gospel is contained the fullness of the hope of salvation and the wrath and judgment of God. It is my constant prayer that all who read these letters and the historic factors accompanying them on this website be forever directed towards the keeping of God's law and testimonies as prescribed by Jesus Christ. Amen!

### 1) *The Gospel Dispensation Ends, the New Covenant Begins*

---

Dear reader, we are looking at the new covenant of God, which was his signature of promise made to the descendants of Moses, called Israel as in Heb 8 v7-13. Israel was, and is his chosen people on earth. However, this does not mean that God only loves Israel, for God loves all people and shall call saints of every nation, kindred, tongue and people to share in his salvation as seen in Rev 14 v 6 and Rev 15 v2-4. Verse 4 reads, ***“All nations shall come and worship before thee.”*** We hope you, the reader, can see that any man whom shall come to the terms of God during the hour, in which he is called, shall and will receive salvation. However, as previously mentioned, the Wisdom of God imputes a new covenant of promise in the plans of salvation, which was set to restore the bond and relationship between Israel, the descendants of Moses and God. This new covenant shall be of divine nature and contains two separate deliverances for the salvation of Israel. It must not be confused with the Gospel dispensation given to Paul the Apostle for the salvation of the Gentiles, for it comes into effect **after** the gospel dispensation, and only at the end of the Gospel dispensation as in Acts 15 v14-16. The new covenant shall be the doctrine of deliverance as understood by the Apostle Paul and the Prophet Joel (Heb 8 v10-13; Joel 2 v32), and that which was told to Daniel as in Dan 12 v1. The first deliverance shall be from ungodliness and persecution of the dragon (Romans 11 v25-27; Rev 2v10). We note verse 26 stating, ***“There shall come out of Zion the deliverer and shall turn away ungodliness from Jacob.”*** The second shall be a fulfillment of the request of the Lord himself in his prayer unto his heavenly father in Matt 6 v13... ***“Deliver us from evil.”*** This is exactly what shall occur, as seen in Dan 12 v1-2 and Isaiah 66 v6-7. However, to understand the truth of the matter concerning these things, Mother Wisdom directs our mind to the years 1967-1969. It was here that God did reveal unto James T. Webb, his chosen messenger, the events which ended the Gospel dispensation and began the new covenant of deliverance. [Note: for more information on the two deliverances, please see Wisdom's Letter #17, entitled, *Thy Deliverer Hast Come.*]

## 2) *Nineteen Sixty-seven to Nineteen Sixty-nine (1967-1969)*

---

The Wisdom of God takes our minds to the events experienced by the Prophet Webb prior to nineteen sixty-seven, which served as a precursor to understanding the end of the Gospel dispensation and the starting of the new covenant of deliverance. Now it is the late nineteen fifties and James T. Webb, Prophet of the Most High God, has finished writing several booklets of salvation and judgment and has sent them unto the worlds' political and religious leaders as commanded by God. He has preached the everlasting Gospel unto the two Sabbath keeping churches unto whom he was sent. At this point his hope is in obtaining rest unto the salvation of God. Now the prophet hears the voice of the Holy Spirit, which says, **“You shall be in Eternity within ten years.”**

The prophet begins to look for the end of the world and his rest unto salvation, for time has been given by God. The years begin to past by. It is nineteen sixty-seven and the prophet begins to wonder if he has misapplied something, but he can find no errors in his work. He knows he did hear this time period given of the spirit, and he knows that God does not make errors, so he continued to comb his works to see where he may have made an error or misapplied what was said to him. Then suddenly in 1967, the United States Government – secretly and behind the scenes – gave military might and backing to the Edomite nation, which assumed the birthright of Israel, but had lost the land through tribal wars. With the secret backing of the most powerful military power on earth, the Edomite nation regained the land of Israel, which was their lustful obsession. The American media reported the military conflict that lasted only six days and is called the Six-day War.

Now the flag of Israel flows once again over the nation. It has not flown there since General Titus of Rome invaded the region in A.D. 56. The world celebrates that Israel has won independence. They know not that these are fake Jews. They understand not the prophecy concerning the establishment of a government of Israel being a precursor to the end of the Gospel dispensation as seen in Hosea 3 v5 and Acts 15 v14-16. However the Prophet Webb did understand! And he went immediately into prayer to seek God's will. In 1969, the spirit of God returned and the prophet was shown by vision that the **“Doors of Salvation”** were closing. He was told to pray for the church and was made to understand that the atonement, which was the cleansing of all sin from the record books of God followed by the judgment, had occurred in heaven as we read in Dan 7 v9-10 and Rev 5 v6. Mother Wisdom allowed the prophet's mind to perceive what else had occurred: the coronation of Jesus Christ, which was the elevation of Christ from a son of God to equal status with the Ancient of Days, God the Father (Phil 2 v11; Psalm 45 v6-7; Rev 5 v7-14). [Note: Because of Jesus Christ's great triumph over the kingdom of death on earth, using only the power of faith, his father, the Ancient of Days, did elevate him to equality with himself (Col 2:15).] The Prophet Webb now understands fully that he is in the time of the rebuilding of the Tabernacle of David; yet, he knows not how this will be done, but his faith tells him that his work of God is not yet finished. He further understands the **“ten years”** mentioned to him in the late 1950's pointed to the time of the new covenant and of a divine deliverance for Israel, which was promised to come at the end of the world, as well as the completion of the heavenly judgment, in turn, opens the door for the **wrath** of God.

### 3) *The Holy Spirit Seeks out Israel*

---

**Zephaniah 2 v1-3:** (v1) *"Gather yourselves together, yea gather together O nation not desired; (v2) Before the day pass as the chaff, before the fierce anger of the Lord come upon you, before the day of the Lord's anger come upon you. (v3) Seek ye the Lord, all ye meek of the earth, which have wrought his judgment; seek righteousness, seek meekness: it may be ye shall be hid in the day of the Lord's anger."*

With the activation of this word of God, the angels of God were given the task by the Most High God to gather the remnant of Israel and bring into fulfillment the words given unto both the disciples and the prophets of old (Amos 9 v11; Acts 15 v14-16). The angels delivered the commandment to James T. Webb as in Rev 1 v1, and he began to preach the Everlasting Gospel as directed by God (Rev 14v 6-7). He was commanded to write by booklet to the world's religious and political leaders and give unto them the demand that they come to the terms of God. Here in the work given unto James T. Webb was the culmination of all the writings of the prophets of old called the Everlasting Gospel, as in Rev 14 v6-7. In 2 Esdras 9 v4, it states, ***"Then shalt thou well understand, that the Most High spake of those things that were well before thee, even from the beginning."*** Thus we do hold that the actions taken by the angels in gathering the little church during the 1970's was a direct fulfillment of the word that was given in Matt 22 v8-10. The angels were given the power and authority to pour out the Holy Spirit of prophecy, which was used to awaken the lost tribe of Israel (Joel 2 v28-29; Rev 19 v10). By vision and dream, coupled with the spirit of question, the descendants of Moses and the twelve tribes of Israel – whom were the children of former slaves in the United States of America – experienced a **mental awakening** by the power of this spirit being poured from heaven as prophesied by Isaiah. Isaiah 51 v17 reads, ***"Awake! Awake! Stand up oh Jerusalem, which has drunk of the hand of the cup of his fury; thou hast drunken the dregs of the cup of trembling, and wrung them out."*** Note Romans 13 v11 and notice Corinthians 15 v34 top half, ***"Awake to righteousness and sin not."*** Romans 11, verse 25 reads, ***"For I would not, brethren, that ye should be ignorant of this mystery, lest ye should be wise in your own conceits; that blindness in part is happened unto Israel, until the fullness of the gentiles be come in."*** The blindness spoken of here is of that which was put upon Israel for disobedience. A series of curses that plagued the descendants of Moses drove the people into a land that neither they, nor their fathers had known (Deuteronomy 28, verses 15, 25, 28, 36, 41, 45 and 68).

#### 4) *The Tabernacle of David: A Divine Prophecy Fulfilled – Introduction to the Man-Child*

---

The pouring out of the Holy Spirit from God in 1969 caused a chain of events such as the world had never seen. Suddenly, all over the country, the children of former slaves, the so-called: **Colored people, Negro people, African-American people**, and now **Black people** began to be disgruntled at the fact that none...no matter how educated... could answer the simplest questions concerning heritage. The history and heritage of these people seemed to be “**taboo**”, “**non-spoken**”, forgotten and blanketed by time. As the spirit of question moved among the people, some were led to search the oldest history book among men for the truth. That book was the word of God: the bible; for in the hearts of these people still dwelled their trust in God. Slavery had not removed their desire to return to God; as a matter of fact, it was now stronger than ever. The desire to be obedient had returned to the people. Now it came to pass, that the descendents of Moses found their heritage in the Book of Deuteronomy. Deuteronomy 28th chapter told every step of their experience in slavery as their fore fathers were cursed by God for disobedience. [**Again, refer to info found on Internet regarding Back Hebrews in America.**]

Thus, the truth of heritage was known among the so-called black people and was being spread around the country like wildfire. However, evil began attacking this new found knowledge among the people. Evil’s hybrids, also called tares, were also awakened to this new knowledge. The new knowledge quickly began to be distorted and misapplied by some for selfish reasons and gain-sake. These were the children of the ancient Pharisees whom were still among the people; for as in the hearts of the Pharisees before them, there still lies the desires of power, autonomy and complete control. As in times of old, these modern-day Pharisees quickly set up religious temples with study groups. The devil led them to try and take over and distort the knowledge of this new movement among the seed of Israel before the Tabernacle of David could be founded. Nevertheless, it came to pass that those whom chose to spread this word came upon the sons of James T. Webb. They were astounded that these men knew to a much deeper degree the history of Israel. Even from childhood they had been taught by their father (James T. Webb) the facts of this new knowledge.

Now the questions arose among the people, “Who is this James T. Webb? How did he know what was thought to be unknown for so long? What can be learned from this man?” Therefore, the decision was made during the religious meetings to seek out this man, James T. Webb and learn of him. It was believed that he could become a part of the movement to awaken the people. Yet the angels of God Most Holy had personally directed all these events to fulfill the prophecy of Amos and the Apostles and Disciples of Christ (Amos 9 v9-11; Acts 15 v14-16). So it came to pass that they did seek out the prophet and his family. Thus, as they entered Bro. Webb’s home, he and his family were waiting to receive them; for they were foretold by God and Mother Wisdom to expect visitors on the up and coming Sabbath day. The visitors came and were even more astonished on how God had taught and prepared this man in the word of God. Thus, the Tabernacle of David had come into being as a church, and its feeding in the wilderness of the mind had begun as in Rev 12 v14. The Prophet Webb was given specific and detailed directions of Mother Wisdom on how the church should be set up: from the eldership to the choir directors, to all of all the other departments of the church. The members of the church, of course, was given room for their ideas and inputs, but specific details of the functioning of the main body, such as the eldership, the set-up or platform by which the church worshipped and was to be conducted **could not**, and **must not**, be altered by any one by order of the Wisdom of God. The doctrine of the church must remain pure of all deceit, guile, lies and deceptions. Only the Commandments of God and the Testimony of Jesus Christ could be taught in this church of God (Isaiah 8v 20). The church did see the wisdom in the Webb family from the beginning, but did not know that James T. Webb was a prophet of God. This fact Bro. Webb never mentioned to the church; however, by process of time, the church itself began to realize from his wisdom and skill, as well as the way he carried himself – the complete example of righteousness and humility – that something special was going on here and began to question his family members about him.

As the church grew in faith, strength and conviction of the truth, one question remained, “How did James T. Webb acquire all this knowledge?” He seemed to not only be able to answer the most difficult of questions with truth, ease and humility; he also correlated his every word by the bible. He often told the church, “**Let no man teach you that which the bible does not support and back up.**” Again he said, “**If it does not bible, we will not teach it; if it does not abide by the law and testimony, we will not preach it.**” However, I wish it well understood that the Prophet Webb knew well that tares and children of the Pharisees were among the church members, but desired not to know and did not ask God who they were. Yet, he often told the church, “**It will be very shocking to many when it is revealed by God.**” The church watched his every mood and no falsehood could be found in him. Again, the prophet stated many times, “**This church belongs to the Wisdom of God; it is her baby, let no man lord over it. Let no man chastise it, or shake an iron rod over it; it is to be handled gently at all times.**” Here was the instruction given unto the prophet and his family concerning the little church, the Household of Israel, Tabernacle of David-Shalom Family Altar.

Now it came to pass that some members of the church began to visit the prophet’s home and spend time with him outside of church worship. Brother Webb chose to share with them many writings of booklets that he wrote to the heads of state worldwide, as well as the world’s religious orders worldwide concerning the judgment of God. It was from these booklets, called the Everlasting Gospel, that all prophetic works of this website called, “Godssaints.org” did emerge. It was from these works of the Prophet Webb, called the Everlasting Gospel (Rev 14 v 6 and 7), that the “Message of Elijah” contained on this website came forth to awaken the suffering saints attacked by the dragon’s wicked floodwaters. Now it happened that certain members of the church, whom had grown very close to the Webb family, and whose spiritual growth appeared to have matured, began to question the family of Bro. Webb concerning their father (for the children of the prophet were strong and bold and very wise in the knowledge of the Lord’s works, and sometimes would share strong, spiritual meat with various members of the church). However, the prophet himself kept to himself (except when called upon by the church or individuals for counsel). Brother Webb was a meek and very wise man; slow to speak, and quick to listen, filled with the fear of God. Therefore, it was from his children and not he himself that the church learned he was the Man-child spoken of in Rev 12 v 5, which quotes, “**And she brought forth man-child, who was to rule all nations with a rod of iron, and her child was caught up unto god, and to his throne.**”

Here was a description of what the Prophet Webb’s work would contain. The iron rod mentioned here represents the judgment works of the prophet of which was contained in the booklets sent out to all the world’s governments and so-called religious institutions with the message of the impending judgment of God. The ruling of the nations pertained to the fact that every word and event that the Prophet Webb wrote would be carried out by the angels of God. “**Being caught up unto his throne**” represents the fact that the prophet had experienced a rebirth of knowledge and that the new covenant and doctrine of deliverance was placed solely in his hands... and his hands alone. It was this awakening that led the church to understand that James T. Webb was, and is the Man-child, the first born of Mother Wisdom. Furthermore, that the little church is the Man-child Group: the Tabernacle of David, who’s forthcoming, was prophesied by Amos (Amos 9 v11)

## 5) *A Spiritual War Erupts*

---

The Prophet Webb and his righteous family watched over, groomed and shared worship with the church from its foundation in 1973 to 1976. Then it came to pass that the Prophet Webb received word from Mother Wisdom that time had come for the church to learn to dwell on its own. Since the church was still spiritually a baby, the Webb family did come and bid the church goodbye. The prophet did let the church know that he was still available for advice; however, it must now learn to stand on its own by order of the Wisdom of God. Thus, the Webb's worshiped no more with the church. Therefore, the governing body of the church was now the eldership. In addition, many children of the Pharisees and seeds of evil that had put forth false demonstrations of meekness and willingness to serve while the prophet and his family were present were left among the leadership. **[Note: This was done to fulfill the scriptures of Ezekiel 9 v 4-6, Matt 22 v8-14, Rev 2 v10 and Rev 12 v15-17.]**

So it came to pass that the dragon's total focus was the little church, for it and it alone stood as the only church on earth that was not deceived by doctrine (Rev 12 v9), and it was here that the dragon opened its mouth against the church and spew out lying doctrines, visions and prophecies (Rev 12 v15). However, the Wisdom of God knowing all things before they happen, had greased the souls and spirits of all her saints in the church with the oil of righteousness as seen in Rev 6 v6, Matt 25 v4, Zech 4 v12-14 and Exodus 29 v23). This spiritual oil created by the Wisdom of God protected the saints and made them impregnable to the flood waters of the dragon, and the waters were diverted to the tares in the church whom had not this protection (Rev 12 v16). **[Note: We hope you can see clearly that just as the saints consumed the oil of God as in Zech 4 v12-14, the tares, being the children of the devil under the symbol of the earth, consumed the floodwaters of evil and deceit as seen in Rev 12 v16. For additional clarity, read Wisdom's Letter #6 located in the document library.]** With the Webb family physically gone out of the church, the dragon's tares were ignited by the flood waters that they consumed and immediately were commanded to open the doors of the church to the dragon's evil spirits as in Isaiah 34 v11 and Revelation 18 v2. Now because of the Wisdom of God's greasing of her saints with the oil of righteousness, they were impregnable; thus, the birds turned on evil's own and picked the word of God and the testimony of Jesus that was delivered unto them – by way of teaching from the Prophet Webb – right out of the minds and hearts of the tares in the church (Matt 13 v4). Following this occurrence, the Webb family was told of the condition of the Tabernacle of David church. They immediately came to the rescue of the baby church and attacked evil and chased all the bird spirits away with the word of God; nevertheless, those tares of evil that had consumed the flood waters were left behind by way of false repentance. Thus, through them, evil would again raise her head at another time and space ...but not until **after the death** of the Prophet Webb. **[Note: Please read HNL #3, entitled, *Taken by Force*.]**

In December of 1989, the Prophet Webb did indeed die. This took the church by storm because the prophet taught the doctrine of deliverance and the coming of the judgment of God. We asked, "How could this be?" This was the question on the minds of the people. Even the Webb family had no answer. The dragon, thinking he saw the chance to take the baby church as his own, quickly ignited the floodwaters consumed by his tares in the leadership of the church. He filled their mouths with lying words of sorcery and deception, coupled with the desire for complete autonomy over the minds and hearts of the church. Now the dragon's tares will – by smooth words of sorcery – tax the church and beguile them that had financial means. He attacked the testimony of Jesus that was held in the hearts of the saints (Rev 12 v17.) He burdened the saints and filled the church doctrine with idolatry. Because the evil, fowl spirits of Rev 18 v2 had picked the hearts of the tares clean of all that the Prophet Webb had taught them, the saints have no Sheppard against the dragon. With this fact, we see that the dragon's attack on the doctrine of the church came from **within** the church itself (Isaiah 9 v15 and Ezekiel 9 v4-6): from among the elders, called "ancient men" by the Prophet Ezekiel. However, God sees all, and these self same tares hidden in the church by the dragon were seen by the reaper angels (Matt 13 v24-30).

## 6) *The Everlasting Gospel Completed*

---

The works of James T. Webb has been completed. The booklets that carried the word of both judgment and salvation, has been preached in truth and spirit. The Tabernacle of David, the Man-child Group now awaits their deliverance of God. Executive judgment in the form of troubles and calamities as preached and described by the Prophet Webb is being visibly seen on all four corners of the earth. The kingdom has been turned over to the beast and the love of many has waxed cold. Thus, we leave you with word these words, ***“Fear God and give glory to him, for the hour of his judgment has come.”***

## 7) *The Plummet (A Measuring Rule, a Golden Letter) in the hands of Zerrubbabel*

---

Now that God has come and made us to understand all things regarding both our flight and the hope of our salvation, our souls cry out, but for one act of our mighty father, and that is:

- ✓ To deliver us from evil,
- ✓ To allow us to take part in the hope of our salvation,
- ✓ To remove from us the pain and suffering caused by years of warfare with evil forces,
- ✓ To heal our broken families and to let us go home,
- ✓ To revenge us whom are innocent of the pain and hurt the dragon has caused.

**‘Give unto us oh Lord thy righteous and eternal spirit for which we have fought and struggled so long. Show us thy power and might as thou did show Israel of old. Deliver us, thy children, from this state of torment and prison of evil.’**  
*Terald D. Blakey*

Now the hope, faith and existence of the little church called the Tabernacle of David is for but one reason, which is to become righteous seeds under the full power of the Wisdom of God. After defeating the kingdom of darkness in the war of the mind using only the power of the law of God and the power of faith in Jesus Christ (as in Eph 6 v12, Rev14 v12 and Rev 12 v17), the reward of the little church shall be an outpouring of the Holy Spirit of God, called the **“latter rain”** as promised by God and seen by the prophets of old (Joel 2 v32; Zech 10 v1 and Hosea 10 v12). Dear reader, we hope you can see clearly that this is the promise of God towards the Tabernacle of David only, and not the world; for it alone was raised and founded under the commandment of God as foreseen by Amos in Amos 9 v11). It alone has endured a spiritual war of the mind that would have torn this world apart... had that war been made physical. Thus, in the eyesight of God Most Holy, the church is worthy of the “latter rain” and deliverance. However, before the Holy Spirit can descend upon the church, it must first be delivered from ungodliness, which is a last ditch stand of the dragon against the plans of salvation (Romans 11 v26). This ungodliness is as a filthy rag in the communication process between the church and God. This ungodliness – an antichrist doctrine fed to the saints in the church by the tares in the leadership for the purpose of hell bounding the saints in the judgment – must be removed!! And it shall be removed by the Wisdom of God, as she shall attack it through the very saints it was meant to destroy. When God has completed this final act of deliverance for the church, Christ shall resurrect Zerubbabel and place in his hand a **“golden letter”**, as foreseen by the Prophets Isaiah and Zechariah (Isaiah 66 v7 and Zech 4 v9 and 10).

May the sweet peace of Christ keep and lead you into all truths...your brother and servant in the fear of the Lord
