Scriptures

Rev 18 v11-14:

“And the merchants of the earth shall weep and mourn over her; for no man buyeth their merchandise any more: The merchandise of gold, silver, and precious stones, and of pearls, and fine linen, and purple, and silk, and scarlet, and all thine wood, and all manner vessels of ivory, and all manner vessels of precious wood, and of brass, and iron, and marble, And cinnamon, and odours, and ointments, and frankincense, and wine, and oil, and fine flour, and wheat, and beasts, and sheep, and horses, and chariots, and slaves, and souls of men. And the fruits that thy soul lusted after are departed from thee, and thou shalt find them no more at all.”

James 5 v1-8:

“Go to now, ye rich men, weep and howl for your miseries that shall come upon you. Your riches are corrupted, and your garments are moth-eaten. Your gold and silver is cankered; and the rust of them shall be a witness against you, and shall eat your flesh as it were fire. Ye have heaped treasure together for the last days. Behold, the hire of the labourers who have reaped down your fields, which is of you kept back by fraud, crieth: and the cries of them which have reaped are entered into the ears of the Lord of sabaoth. Ye have lived in pleasure on the earth, and been wanton; ye have nourished your hearts, as in a day of slaughter.”

Visions of the Prophet James T. Webb

- Vision 1: Christ was speaking saying, “There shall be a panic and times shall be fierce and hard.”
- Vision 2: I saw two angels walking and they spoke by words in a song rough and heavy saying, “Don’t throw away food, but share it both night and day.”
- Vision 3: I saw a mule, which is a beast of burden, with a heavy pack on its back. He was climbing up a mountain with iron network under his feet; I saw no end.

Dear friend:

The aforementioned visions are those of James T Webb, surnamed by God Zerubbabel. The prophet was shown these visions during the 1950's. They give insight into the fall of the world's economy, which would be a component of the distress of nations that was to come in the judgment hour mentioned by the Lord Christ as seen in Luke 21 v25. Zerubbabel's prophecy to the little church concerning these and other visions of the world's condition was illustrated by three conditions of distress, and they are:

1. The First Distress – has to do with an erratic and severe weather pattern.
2. The Second Distress – has to do with a great economic panic, followed by a total collapse of the world's economy.
3. The Third Distress – has to do with the distress and signs in the heavens (addressed later in this letter).

Let us now focus our attention on the Second Distress. In the year 1983, the Prophet Webb commissioned me to write a letter called, The Great Economic Snare. This condition, which we see in the world today, is the fulfilling of this prophecy by Zerubbabel. It will be followed by a time of trouble such as no one has ever witnessed before. This is that same time mentioned by the Prophet Daniel as seen in Dan12 v1. Please notice that at this time the deliverance is set to be fulfilled by the Queen of Heaven, Mother Wisdom. Please compare Dan 12 v1 with James 5 v7-8, and Isaiah 66 v7-8.

Vision: by Zerubbabel

I saw two angels take up a container filled with liquid darkness and poured it upon the earth which moved upon the ground like brake water. It climbed the hills. It went through valleys all alike. I saw people come out of the mills with their lunch bags in their hands. I further saw the economic world as a plowed field by two great brown mules, which walked as they will, for they were out of control. Christ our God came walking through the field and commanded an angel to go to the industries. I saw the economic world will be knocked off its foundation, for this the Lord pointed out. I heard the angel say he was in business.

Vision of the Economic Staircase: by Zerubbabel **(as told to Terald D. Blakey Sr.)**

Now, in looking back to 1983, when Zerubbabel commissioned me to write concerning the fall of the economy, he spoke to me a vision in which “he saw an angel come to the top of a staircase. Suddenly the angel began a decent down the staircase. Again, suddenly, the angel stopped in the middle of the staircase and just stood there. The prophet noticed that all the steps behind the angel which would permit any ascending back up the stairs, had all faded away; signaling there would be no return. Then the order came from God, and the angel began his decent down the stairs. With every step, behind him, the stairs were disappearing as he went further and further down until he was no longer visible.”

Dear friend, the Lord would have all to understand that regardless of how much money and effort is put into this attempted revival of the economy, ***it will fail!*** The “*spirit of deal*”, which assists men in balancing out the economy of all earth has been withdrawn by God, and man is left alone without the “*spirit*” to solve this condition (Rev 6 v5-6).

1994 Night Dream of the Third Distress: by Terald D. Blakey Sr

I was sitting in my apartment when I began to here loud noises of commotion. I stepped out onto my patio to see what the confusion was about. I stood there gazing into the streets in front of my housing complex in total amazement. There were many people fighting and murdering each other right in front of me. Accidents of all types such as cars, busses, truck, and planes were occurring continuously. I saw blood running along the street curb to the sewers as with water after a deep, flooding rain. There was a lady drenched in blood with torn clothes standing there crying. She appeared to be in need of help, but no one would help her. I saw hundreds of 100 dollar bills laying on the ground and no one was interested in the money, for the world was in total confusion and uproar!!

Updated Version of the Vision: Night Dream of the Early 1980's

I saw the firmament of the heavens turn from sky blue, to the stained glass windows as seen in most churches of the world. As far as I could see in any of the four directions, the entire firmament was now this colored glass. Then suddenly the glass crumbled up into small dust-like particles and fell to the earth. High in the heavens, behind where the firmament once was, were large rings or circles of fire, burning bright and fierce looking. Then the large rings of fire began to lower themselves to the ground. I saw thousands of terrified people running and screaming in horror. There was a large sand dunes-like mountain or hill and the people began to run down the hill. They seemed to be trying to get away from the fire which was burning with great heat. Many were trampled and killed during this stampede. As I stood there watching this incredible sight with the people stampeding down the hill, a small pathway opened up in the midst of the people and I began walking up the hill through the midst of them. My word to them was, "You people are going through a lot of changes."

Friend, this is the truth of the third distress which was mentioned by the prophet Daniel in Rev 12 v1: a time-period such as was never seen on earth before. All nations shall suffer the want of all things, for the earth is under a three-point wrath: the wrath of God, the wrath of the devil, and the wrath of man will be seen in its entirety at this point.

God Calls His Saints

It is at this time that God will activate his servants on earth to request of all saints that they come out of Babylon, which is the religious system of the world; for it is offensive, filthy, and hypocritical before God. It has shouted His name for centuries and taught not His will -- only used His name to gain monies and status with the people. It is at this time the pastors are now being murdered worldwide (Jeremiah 23 v1-2). The people will at this point know that they have been deceived by the religions of the world (Rev 12 v9). They will set all the churches and religious sanctuaries on fire (Rev 18 v10); yet God has not abandoned his children. He has prepared the hand of Zerubbabel, which shall emerge from the midst of all this commotion, fear and chaos, proclaiming the judgment of God Almighty. God shall – by his voice – lead the saints away from Babylon and the two-horned beast (the power from hell), which God has released from the pit of hell to complete the judgment hour (Rev 13 v11).

Dear friend and reader, I hope it is clear concerning the hour in which we live. Let us all search our hearts and seek the mercies of God.

All praises be to the full throne of God (with a special salutation to the Wisdom of God Most Holy, the Queen of all Gods creations, and the architect of the plans of salvation). Amen!
