All praises be to the "Full throne of God", with a special salutation to the Almighty Wisdom of God!

Let not his saints be troubled, nor let them fear in their hearts, for their God shall save every one of them. None shall be lost to the dragon and their devil. This is the eternal promise sealed in the blood of God (Heb 9 v22-26; St. John 17 v12).

The Tabernacle in Heaven Called, "The Secret Place"

Dan 2 v28:

"There is a God that revealeth secrets."

Dan 2 v22:

"He revealeth the deep and secret things."

Matt 13 v35; Eph 3 v9; Deut 29 v29; Psalms 91 v1: Please notice the words "*hid*" and "*secret*" in these scriptures.

Wisdom wants us to understand something in these last hours of earth's time. She wants to make clear to us that we are the seed of Christ and that we cannot lose. Christ and Wisdom made sure of this fact in the plans of salvation. The blueprint of this plan was set to writing in a book and placed in a secret tabernacle in heaven. Its existence and whereabouts were kept secret, known only unto the deity or Godheads. The Wisdom of God wrote this book, as she scribed out the Lord God's thoughts while standing with the Word of God in creation (St John 1 v1-3]. As He thought to create souls, She, Wisdom (having fore knowledge of all things in creation: both the rise and fall of all his intended creations), wrote all the God-given names of his intended creations of human souls and placed them in this book (Prov 8 v22-36; Eccl 3 v1-2; Psalms 139 v15-16).

Now Adam was the first soul to get his body and spirit (Gen 2 v7). In addition, Adam was the name of his body; his soul's name we know not. Our Mother, Wisdom, would have us to be very clear on this fact. In the "Book of Names" are the names of the souls created by the Word of God in creation. Now each soul must wait the appointed time of birth given to it, for each soul must be joined with a body and spirit to be complete. Then, it can live (Gen 2 v7; Eccl 3 v1-2). Now it is written that the "soul that sins must die" (Deut 24 v16), but the Lord was kind and merciful and ordered Moses to create a system called, the Leviticus Priesthood (Lev 8 v30-36; Lev 9 v7-15). This system and its blood sacrifice could hold sin in check, but it could not remove sin from the books contained in the "**Secret Tabernacle**". It would take the blood of God to do that! Therefore, the stage was set for the coming of Christ, the Lamb of God, who in the end of the world would save these souls with the sacrifice of himself (Matt 27 v50-53; Heb 9 v11-28; Rev 5th chapter). The "Book of Names and Souls" was among the books brought to judgment by God (Dan 7 v9-10); the "Book of Seven Seals" another (Rev 5 v1), the "Book of Seven Thunders" (Rev 10 v1-4), and the "Book of Times" (Dan 12 v1). Now here is an amazing thing. Even the devils were aware of the "Book of Times", and feared that written in it (Matt 8 v29; Eccl 3 v1-8; Rev 12 v12). I hope it is clear that our God put all things to timing and wrote these things into a book. The Lord loves his children so much that every tear, pain, and suffering that the devil has caused them is recorded in the "Book of Tears", which shall be repaid in the judgment (Psalm 56 v8).

The Creation of Souls in the "Secret Place"

Please note that Wisdom and Christ are very detailed when it comes to the souls they created in the secret place. They will bring them to life at the appointed time and nothing about them will be unknown to God (Matt 10 v30; St. John 6 v39). Please notice Christ in choosing his disciples (Matt 9 v9; Matt 4 v18-20). Here Christ spoke directly to the souls of these men. Their *flesh* knew him not, but their *souls* recognized him. Now Mother Wisdom gives us perfect examples of her work in the secret place. Notice the Lord's statement to the Prophet Jeremiah concerning his beginning as a created soul in the secret place (Jeremiah 1 v5). Now please notice the birth of John the Baptist in Luke 1 v5-15. Please notice that various details of John's life and personality were described to his parents before John was even conceived. I hope it is clear here that John's soul was already created in the secret place, awaiting its time and purpose. Please notice again the Lord's statement of acknowledgement regarding the creating of souls in the secret place (Gen 17 v21). Now please notice the Lord's direct words on this matter as he initiated his judgment (Rev 6 v9-11).

Dear friend, here the Lord was having a direct conversation with various souls whom had been born and died, fulfilling God's purpose for them on earth. Yet He made it clear that there were others like them whom had not tasted life yet, and who had a purpose to fulfill in God's great plan of salvation. These souls were awaiting a body and time of birth, as appointed by God. Dear friend, I hope it is clear concerning all saints having their beginning as "*created souls*", in the secret place of God.

The Work of James T Webb: A Preplanned Event

The work of James T. Webb, Prophet of the Most High God, also a preplanned event and foretold to John the Revelator and recorded in the Book of Revelations, was over 2000 years prior to its activation (Rev 14 v6-7). Now notice how God reveals a prophetic assignment to his chosen servant in Rev 1 v1. Here is the order by which our God does his work: 1) The word is given of God to the angel, 2) the angel brings this word to the earth and delivers it to the prophet, and 3) the prophet carries out the order of the Lord.

Now God ordered James T. Webb to write some booklets concerning the salvation of the saints of God, as well as the judgment of all earth. He was to send these booklets to the entire world, its governments, and main religious institutions. The completion of this work occurred in the late 1950's. Though I have read some of these wonderful works of God, and was personally schooled and mentored by this amazing and faithful servant of God, I am not authorized by James T. Webb, or by the Wisdom of God, to quote any of his works, his visions, or the content of his works in these writings (at this time). However, I can say that it was by this amazing man that I was introduced to the Almighty Wisdom of God, the mother of all heaven, and given perfect understanding of these works (as declared unto me by James T. Webb himself after being declared unto him by the Wisdom of God, the mother of all creations). Upon this fact, I lie not, knowing that God will judge all. In addition, the Prophet Webb pledged that he would rather face death at the hands of God rather than write one word that would cause one to fail in the judgment of God. I also understand perfectly what this means and do honor that pledge.

The works of James T. Webb were under the color code of **red** and **green**: red for judgment and green for life. This work of the Prophet Webb was under the symbol of a whirlwind. It attracted both the attention and the hatred of the entire dragon kingdom, which I have nicknamed "Devildome" (Rev 12 v9-10; also verse 17).

I Never Knew You! (Matt 7:23)

Wisdom would have us to examine Matt 7 v23: "***And then will I profess unto them, I never knew you***". Please compare this statement said to the Prophet Jeremiah 1 v5: "***Before I formed thee in the belly I knew thee***". God stated that he knew this prophet before he was born, indicating a "preplanned" birth. [Webster's definition on the word 'never' is: Def 1) *not ever*; 2) *at no time*; 3) *not at all*; 4) *in no case*; 5) *under no conditions*.] When Christ said, "***I never knew you***", this means that the people mentioned in Matt 7 v23 names' and souls' were not written in the "Book of Souls" created in the secret place by Christ and Wisdom. God, who knows all things, told these people he never knew them. To understand this clearly we must examine Gen 1 v27-28. Devildome, having lost the war against God in heaven (being kicked out into the earth as in Rev 12 v7-9), was present in the garden when God created man. He overheard God tell man to be fruitful and multiply. He saw this as a golden opportunity to return to heaven and resume the war against God. It was never a secret that God eventually intended to adopt man into the heavenly family; all the angels knew this (Matt 25 v34). Prepared from the foundation of the world, Devildome also possessed this knowledge and devised a plan to enter man. Their thinking was that they would re-enter heaven by causing man to become their servant, and when once redeemed (man), they would re-enter heaven in man.

Now God had already given the devil permission to inject his filth of evil into a certain tree in the garden. God did this to test Adam because all the creations of God – from the sun to the moon – were tested to see if it would remain good, and Adam was of no exception. (Note: Please read the first chapter of Genesis. The phrase "***it was good***" indicates a test of God.) Therefore, Devildome got the serpent's permission to use its body to converse with the woman. Then, the serpent beguiled Eve (Gen 3 v13), knowing that Adam loved Eve and did not want to be lonely. He was sure she could get Adam to sin. Adam, knowing that God had said that to eat of this certain tree would bring death, he chose to eat the fruit and die with her rather than be lonely again (Gen 3 v6). God, knowing well the plot of the devil, confronted them all and cursed them all. God knew the devil intended to use the evil death microbes in the fruit they ate to bring forth **hybrid** children from Adam's reproductive organs. If Adam was left in the garden, the devil would have driven either him or some of his evil offspring to the tree of life, forcing an eternal war. Therefore, God forced them out of the garden.

Now these people were only *images* of humankind. The devil, having no power to *create* life himself, could only manipulate the seed of man, which God had given the power to produce life. These hybrids were only images of man, and their breath, which was passed on to them by Adam's genes, came from God. Now they have a "body" and an "image" of a soul, because all three of these are required for man to live (Gen 2 v7). Please notice Gen 1 v26: "***Let us***"; Gen 3 v22: "***Behold the man has become as one of us.***" The word "*us*" means the entire deity was on hand for man's creation (the Father, the Son, who is Christ our God, the Holy Spirit, and the most gracious Wisdom of God, the true mother of all creation as seen in St. John 1 v1-3 and Prov 8 v23-36).

Let us go back to the garden. Devildome, being former angels of God, knew that God is a God of order at all times and in all things (1 Cor 16 v1-2; Psalms 110 v4). Devildome knew that God would number all his intended creations and bring them into this life in an orderly fashion. The devil's plan was to bring children into this life also. By evil manipulation of Adam's reproductive system given him of God, he would outnumber God's children and attack them through his hybrids. God saw through this evil plot and struck the first blow (Gen 3 v15). Because man and woman are Mother Wisdom's designed creation, and because Devildome is also ruled by a woman, we refer to her (Devildome's mother) as the great whore in Rev 17 v5. It was her filth that was placed into the tree of good and evil, which Adam did eat. Devildome – who had no spiritual relationship with Christ, and whom Christ did not bring into life on earth – now could bring forth children through Adam.

This is why the Lord spoke to them saying, "***I never knew you***"; **i.e., at no time/not ever/not at all/in no case/under no condition!** Judas, who betrayed Christ, was one of these hybrids (St. John 6 v70). The devil did bring many of these people into life and they did outnumber the saints. Yet, his plan utterly failed and his many, many hybrid children will fail when trying to gain salvation from Christ (Matt 7 v21-23; Matt 7 v13-14). The hybrids are the many, and the saints are the few. The devil will bring 200 million of these hybrids into the Battle of Armageddon against Christ (Rev 19 v16-21; Rev 16 v12-16), and this was after many of them had already been killed by God's wrath and judgment.

Now looking back, the devil bragged to Christ about how many of these people he had brought into life and that through them he had taken all the kingdoms of the world (Matt 4 v8-9). The devil brought these hybrids into life; and yet, they will be removed at the harvest of Christ (Matt 13 v37-39).

The Hybrids Do Rule the World (Rev 17 v17; Rev 12 v12)

Let the words of Mother Wisdom be clear on this point, nothing and no one can defy God or His will. The Devil was only able to subdue the world because God allowed it to be so (Rev 17 v17). Therefore, the devil, bragging to Christ in Matt 4 v9, was pure foolishness. Notice how he could not touch Job without asking permission (Job 2 v1-7). I hope it is now clear that all obey God.

The kingdom of Devildome always pushes the Hybrids of the devil to the top of all industry, government, and religious institutions. The Lord will have us to understand perfectly the task of the hybrids toward the saints. The devil will manipulate them (the hybrids) into high office of any righteous, religious body having the commandments of God and the testimonies of Christ (Rev 12 v17). They will gain these positions through false

examples of meekness and faith. Once appointed shepherds, the devil awaits for the right time and opportunity to enter them (Luke 22 v3). They will be very judgmental of Wisdom's children, while at the same time they will hide their own sins. Like their father, the devil, they love idolatry and will seek to cause the saints to worship and fear them (Matt 7 v1-5; Matt 23 v25-31). As previously mentioned, these children of Devildome also love idolatry and high positions. Once achieved, they will burden, and confront the saints with all manner of foolish accusations to downcast them into giving up their hope in God, or possibly change the doctrine by which they believe.

Also, saints be warned; they will show up in the Church of the New Covenant during the everlasting gospel's time (Rev 12 v17). Devildome will have manipulated them into authoritative positions and their fruits will manifest idolatry, hidden sins, false judgment, along with confronting and down casting of the saints (Rev 12 v10). Now please notice Ezekiel 9 v1-7. Here the saints are burdened and made to fear unjustly. By accusation from the hybrids, they are constantly made to feel low and unsure. Yet the Wisdom of God has already sealed these people as in Isaiah 8 v16 and Rev 7 v1-4. Nevertheless, their sealing is constantly challenged by the hybrids of Devildome through false and wicked counsel. All this is done so that their false council can take the place of the human conscience where the seat of God is.

Dear friend, by permission of the Wisdom of God and no other, I ask that you please allow God to enter these words into your heart: **"There is not a soul on earth that has any right to control your conscience!"** [Webster on the word 'conscience': knowledge or feeling of right and wrong] Now notice Romans 2 v15 stating, ***"Their conscience also bearing witness."*** Please notice the wrath of Devildome when the saints speak from their conscience (Acts 23 v1-2). The devils know that the conscience is the seat of God. It is where the Holy Spirit dwells in the saints (Romans 9 v1).

Devildome will do all they can to control this seat in God's children. This is what happened in the devil's Catholic Church. In addition, confession to God of infirmities takes place between God and his saints (Rev 3 v19-20). Once the hybrids get control of this in a saint, that soul shall live in fear and they will burden him or her and attempt to steal the very joy of worshipping God. Additionally, anytime Devildome is displeased, they will use that knowledge to downcast the saint as often as they will.

Now please notice a remarkable thing. These people, as in the case of Pharaoh of Egypt and Herod of Judea and the Pharisees, all wanted idolatry and complete compliance to their authority – not to God's authority, but to their authority. They will have you look upon their person as something special. They will unjustly use the name of God to strike fear in the hearts of the Lord's children. They will try to make you think that to question them is to question God, regardless of what your heart and common sense, or your conscience might be saying to you. Any questioning of *them* was unacceptable to them. They will twist scripture to prove their point. Therefore, shall it be in the end. This is why the angels of the Lord were ordered to start at the ***"ancient men"*** which were before the house; which is to say present, and in authority at the very moment the angels strike; for the Lord God has heard the cry of them (the saints) in the house by prayer and supplication (Ezekiel 9 v4).

Now Mother Wisdom would have us to understand a fact that has been confused and misapplied. The Prophet Webb never, ever said that people of his congregation (speaking only to the church that was put into his hands) would come back at him with raised, clinched fist due to the loss of their souls. This perception is a *lie* and seriously misapplied. Please examine Zechariah 4 v6-9. God gave the Prophet James T. Webb the spirit of Zerubbabel. This he made me to understand. It was by God's spirit that this church was finished (Zech 4 v9).

The Church referred to with the "raised, clinched fist" here is Laodicea, which were the Seventh Day Adventist and the Church of God and Saints of Christ. The prophet and his family, asked to leave Laodicea, resulted from the fact that he stood up against the hybrids that Devildome had manipulated into the leadership to change the doctrine and burden the saints. Once righteous churches whose doctrine was the commandments and testimonies, and after God removes their hybrid leadership, they will produce the 144,000 saints of Israel at the judgment hour (Rev 14 v1-4). That evil leadership shall raise their clinched fists because of the booklets that God ordered James T. Webb to send them. They did not ad hear to the prophet's writings. When God announces the verdict of the judgment, they will realize that he had the truth and blame him for their loss.

I thank Mother Wisdom because she has led me to the Lord and the Lord has spared my life and accepted my repentance (Rev 3 v19-20), where I surrendered my will forever. Amen! She washed my soul as in Isaiah 1 v16-19. Moreover, all this was done without the assistance or counsel of any mortal man. In addition, if she did this for me, she now awaits your asking. This is a deep reasoning that is a personal thing and not the business of any man or woman (Rev 3 v19-20). Please pay close attention to Wisdom, for her saints have cried out to the Lord because of fear of them in authority, as well as the things they see being done and said – which their hearts and minds reject (Ezekiel 9 v4). Mother Wisdom wants her children to know that this is not the sealing of Rev 7 v1-4, neither Isaiah 8 v16, but it is the mark of protection as in Egypt during the time of Moses (Exodus 12 v7, 12-13). Thus, the Lord did hear them.

Note the quotation of James T. Webb, prophet of the Most High God (which I did witness): "*This is the Lord's church. Let no man lord over it – ever!*" [Webster on 'lord-over': to act in an overbearing manner] Now the job of the hybrids is to attack and burden the saints from all angles, intimidated by the presence of God's people (Matt 2 v13-16). Any saint in authoritative positions, they will attack, as with Daniel in the kingdom of the Babylonian government (Dan 3 v9-23). They will seek to dismantle the order that the Lord has put together for the safekeeping of the church to give them complete autonomy and power. [Webster on "autonomy": *self-government; any state that governs itself*] They will seek to destroy the saints of every status whenever possible. In that Christ is our God and our soul's savior, Devildome imputed fear and hatred into the hearts of his hybrids even before Christ was born. The same was with Moses being the foretold deliverer of Israel (Exodus 1 v22).

What makes a man so hate filled? We ask this question. Wisdom shares with us this answer (Gen 1 v1-4). As God separated the darkness from the light, he used the light to make his creations (St. John 1 v1-5), and the darkness, being incomprehensible, he pushed it into a forbidden zone because only he had the power and might to handle this pure darkness. The devil went into this darkness we call antimatter, while still an angel of light. He thought that because God had created him perfect as in Ezekiel 28 v11-18, this gave him the ability to handle this stuff. In addition, God had given him trafficking authority, which means that he could travel anywhere within the kingdom of God. Please notice verse 18. Wisdom explains that God had warned all the angels of the kingdom that the forbidden zone where the darkness was was off limits. Yet each time he (Lucifer) passed by, he heard voices coming out of the darkness. These were principalities and powers, created by God prior to Lucifer, whom had also ventured into this darkness, but they could not get out (Ephesians 6 v12). The darkness was incomprehensible even to the high order of angels, and became filled with hate for the God of Light (St. John 1 v1-5). Now when Lucifer passed by, they called out to him and bowed to him as if he were God. He, filled with pride, entered the darkness to hear what they had to say to him. The darkness overcame him as with others before him and the dragon kingdom was born as in Rev 13 v1 and Rev 17 v3-5.

Now Lucifer has become Satan, the Devil. He still had his trafficking authority given him of God. He then went throughout the kingdom of heaven spreading the filth of darkness that he learned from the others he met in the antimatter of darkness. He convinced many angels to visit the darkness and listen to the evil principalities and powers held prisoner in the forbidden zone of incomprehensible, dark antimatter. They too had their minds eaten up and all righteous thoughts dissolved. They planned to attack God! They entered the throne room with hate and darkness in their heart. War declared, these evil angels were kicked out of heaven into the earth (Rev12 v7-8). It was then that they hung around the Garden of Eden awaiting a chance to get at man. As previously mentioned, after overhearing God's commandment for man to multiply, Devildome had seized the right to enter man due to man's disobedience in the Garden of Eden.

Note: Devildome is headed by the great whore of Babylon, who is their evil queen and mother of all hell bound, antimatter-based, hybrid children of the kingdom of darkness (Rev 17 v3-6; Proverbs 7 v27). This evil woman was once a principality and power created by God, and for God's service (Eph 6 v12). She ventured into the large mass of incomprehensible darkness left over from God's creation when he separated darkness from light (Gen 1 v1-4). The darkness ate up her intelligence and she became filled with jealousy and with a non-repenting will to overcome the Mother of All Heaven, the Almighty and Most Gracious, Wisdom of God. God accepted this challenge and the war, which started in heaven between the full throne of God and a host of evil angels, is now on earth, involving man (Rev 12 v7-17).

Devildome Takes Over the Earth through Its Hybrids

The woman called the "great whore", the Knowledge of Evil, made Satan her ambassador of evil. His job was to travel the world imputing evil and tempting the righteous into every situation he could, while manipulating their hybrids into warring against God's children (Eph 2 v2 and Job 1 v7). Satan always manipulates their hybrid children into high positions in both the religious systems and the governments of the earth. The purpose of setting up false religious systems is to trap the children of God into idolatry, which is worship of the dragon kingdom (WOS 14 v16). This is Devildome's number one want, and need, and purpose on earth (Matt 4 v8). Now please notice a remarkable thing in Matt 4, verse 9. The devil left after our Lord refused to worship him. Therefore, shall it be with his children in the judgment hour, because God uprooted their whole purpose, and the devil will turn on them, having no further need/use for them.

Let us go back to the previous point. Their goal was to kill as many saints of God as they could to keep God from getting pure and righteous worship from Wisdom's saints, while rooting out the Lord's prophets and holy men (Exodus 1 v22 and Matt 2 v13-16). The hybrids were ordered to focus their most profound attraction towards those that have the truth (Rev 12 v17). Please notice a remarkable thing with these hybrids; they love money, and are always running some type of fraud (scam) to get money. Wanting to be in charge of all finances, they will steal from the saints when the opportunity arises (1 Tim 6 v10; Matt 19 v16-24 and Matt 26 v15). When placed in the leadership of the church, they still serve their masters in Devildome due to their inability to keep God's commandment and display his testimonies (Matt 5 v19-20). Devildome had no fear of losing them to God because they cannot believe or ever have real faith in Christ (Luke 22 v3; Matt 26 v21-24).

Here is a remarkable statement by Christ, our God, "It had been good for that man had he not been borne." We know that God makes no mistakes, so we can safely conclude that Judas, brought into life, was via some other ruling outside the intentions of God (Matt 7 v23). Their names are not in the Book of the Lamb of God, written from the foundation of the world (Rev 17 v8).

The Death of Our Lord Jesus Christ, the Savior, and Our God

The stupidity of the dragon kingdom was never as evident as when they ordered their hybrids to demand the death of Jesus Christ. In addition, the Lord warned them that he would prevail (Matt 26 v63-64). After His death, our Lord resurrected himself on the 3rd day of his death. He appeared unto a few of his followers and then took the body to the kingdom of God for inspection and approval (St. John 20 v17). Afterwards, he came back to earth still wearing the human body like a shirt (St. John 20 v19-20). The Lord gave his followers their last instructions and returned unto the throne of God with the earthly body of his crucifixion. After placing the body in its proper place to await the atonement, He, Christ, sat down on the right side of his Father to wait the judgment hour (Acts 2 v32-35).

After the Death of Christ, the New Hybrid Religious System Emerges

The devil now is in a panic and begins to persecute the church of Christ. Those that follow Christ by keeping his holy commandments and adopt in their life the holy testimonies of Christ, become the hated of the devil. With no time to waist, the devil ordered Rome to an all out attack against the faithful of Christ. They persecuted and killed in all manner of ways the faithful of Jesus. However, the gospel of Christ is empowered by the Holy Spirit of God and cannot be stopped (St. John 20 v22). The devil, seeing the power of the faith of the faithful in Christ, became bewildered and sought to steal the worship of the name of the Lord by creating a fake and false church to mimic the true church of the Lord. They renamed their idol gods of Rome's statues from Diana the sun God, to Mary the mother of Jesus. By the devil ordering the bowing down to these statues in this false church, and the ordering of Mary to be named the mother of heaven – replacing the Wisdom of God, our God and true Mother of Heaven – committed a great sin of blasphemy and idolatry! The devil reinforced these sinful acts through the might of the Roman army who killed or imprisoned all who refused to acknowledge this false church, which we know and recognize as the Catholic Church or the fourth beast of Daniel's prophecy (Dan 7 v7-8). The false church appointed a leader to head the church in filth and gave him the name of the "holy father" which is a title of blasphemy. Now for 1200 plus years this church of blasphemy unjustly led a war against the faithful of God as ordered by the devil. The Lord did give this church room to commit its offences. God will show all in life – both mortal and immortal – that his word has no equal. Therefore, He, our God, did give the Devildome kingdom time to shoot their best shot (Rev 17 v17).

After the 1200 plus years of persecution, God gave the saints rest from persecution. The Catholic Church suffered divisional breaks within its ranks. Some of its members became disgruntled with the direction of the church. There was dissolution of power within its ranks and some left and formed that's now known in history as the "Protestant" movement. Yet idolatry and sin remained the focus of the church. The Holy Sabbath Day, unlawfully changed by the Catholic Church from the seventh day to the first day, was kept intact (the change) by the protestant movement. The worship of dead icons also remains in some versions of the protestant movement. John the Revelator saw the two divisions of false religions – both the Catholic Church and its protestant movement – as two horns on the head of the beast (Rev 13 v11). Now going back to the Catholic Church, initially called the fourth beast by the Prophet Daniel, as mentioned before, God did grant a rest or reprieve from persecution by the church. However, the church did reemerge during World War II and reestablished its connection on the back of the strongest government on earth: first Rome during ancient times, and now the United States during modern times.

However, times have changed. The gospel dispensation is over. The new covenant is now in force. God sent a spirit that awoke the lost tribe of Israel that was run out of Jerusalem by the ancient armies of Rome during the persecution period. The everlasting gospel, including the judgment and salvation, has sent to the earth by God, and preached to the inhabitants of the earth by James T. Webb. The judgment of God is now activated. Three distress conditions of judgment as prophesied by James T. Webb are in force on the earth:

- 1) The first condition concerning God's judgment is an unrestrained weather pattern that shall strike the entire earth reaping havoc on all four corners of the globe.
- 2) The second condition is an economic distress. The entire world is caught in a downward spiral of economic distress and gloom. Angels of God have been sent to the earth to permanently wreck the earth's economic system (Rev 6 v5-6; James 5 v1-4). This is the second distress as foretold by the Prophet James T. Webb.
- 3) Now the third and final distress shall awake the sleeping virgins as foretold by the Lord Jesus Christ, our God (Matt 25 chapter). In this third and final distress, the Catholic Church shall receive its just, due reward from God Almighty (Rev 18 v1-11). Due to three distresses activated by God worldwide, man shall experience a time of trouble such as never was since there was a nation. It is during this time of trouble that God shall deliver the lost tribe of Israel, which awakened at the end of the gospel dispensation. All those who keep the commandments of God and the testimonies of Jesus shall be delivered (Dan 12 v1-2).

The devil is paranoid at this time because he knows that that he has a short time left (Rev 12 v12). At this time, the devil will also turn his wrath against the Catholic Church. Its failure to stop the gospel of Christ has drawn the wrath of Devildome. At this time mankind is afraid out of his mind due to the things he sees coming upon the earth. They turn their wrath on the pastors of the world's false religious system who have lied to them for centuries and sold them a fake ticket to salvation (Luke 21 v25-26, also verse 35; Jeremiah 23 v1-2). God shall repeat that done in Egypt during the time of Moses. A dark day announcing the judgment of God to the earth as seen by the Prophet Amos will be the world's experience at this time (Amos 5 v18). The Prophet Joel also was shown this time of God's judgment (Joel 2 v9-10; Amos 8 v9). Out of the mouth of God's own mouth, shall this day be decreed (Matt 24 v29).

In the Arms of the Two-Horned Beast, Persecution is Restored

Revelation 17 v17: *“For God hath put in their hearts to fulfill his will, and to agree, and give their kingdom unto the beast, until the words of God shall be fulfilled.”*

Let us try to imagine the world during this time as we review the following:

- There is a three-point wrathful condition on the planet
- Worldwide havoc witnessed on all seven continents
- The skies overhead filled to the brim with the wrath of God
- Mankind has lost all love and respect for society, and the law of the land is non-void
- Hope for salvation is in shambles
- The churches worldwide are on fire due to the hatred from the lost souls.
- Blood spilled from corner to corner
- Money is no good and can buy nothing (Matt 24 v12; Rev 18 v11; Rev 18 v8; Dan 12 v1; Matt 24 v24-30).

Now Devildome will attack the saints head on. They will create a duplicate of the first system of persecution initiated by the late Catholic Church (at this time has been burnt to the ground). John the Revelator (Rev 13 v11-17) calls the duplicate system an “image”. This image will take the place of the Catholic Church and will be much fiercer than the ancient, Roman system. Instead of the pope, this new image will be ruled by one who claims to be God himself (2 Thess 2 v8-12). Please understand that the world's people will be prime for his appearance because of the judgment of God in the form of the three distresses initially mentioned, and because hope and fear now grips the entire earth. They will be looking for anything they can believe in.

Here comes the child of Devildome backed up by the United States' government, spewing effective propaganda to the rest of the world to lend their support to this new icon that shall rebuild the lost world, restore health and vitality to a new economic system, which shall serve only the faithful (*to their system*). He shall order demon forces in the clouds above to use their antimatter bodies made from negative electrical charged forces to make friction in the sky that will look like fire coming down from heaven in the site of the people. These and other false miracles done in the site of the people, is to enhance their belief. His physical appearance will greatly resemble the iconic image pushed on the world by the late Catholic Church. He will convince the world that their survival as a planet and a people will depend on total devotion to the system and to him as their leader. He will convince them that there is no room for unbelievers (*i.e., the saints against this system*). They would only pull down the new system that has restored vitality to a world in shambles.

Thus, persecution shall start against anyone that rebuffs this new system. All believers of the new system will be required to display an emblem of devotion on their bodies. Unbelievers (*again, meaning the saints*) will be viewed as atheist. They will not be allowed to participate in the new economic system and will be sought out for interrogation and persecution, which they, the saints, will view as a blessing from the true God (Matt 5 v11-12; Rev 6 v9-11). Let us all remember that only those whom have not their names in the “Book of Names” written in the “secret place” of God shall give in to this demonic system, for they belong to it (Matt 25 v41; Rev 17 v8; Rev 13 v8).

Salutation to the Wisdom of God, Our God, and Heavenly Mother

I thank you mother Wisdom for washing my soul and writing thy law in my mind.

I thank you mother Wisdom for filling my heart with equal fear and love for my Lord.

**I thank you mother Wisdom for clothing me in sackcloth, placing a candlestick in my heart
and allowing oil to run free from my mind for the edification of God.**

I thank you mother Wisdom for counseling my soul and directing my path to thy word.

With all my heart and soul do I humbly seek thy guidance in all things.

I thank you Mother Wisdom for removing my will and replacing it with your own. Amen!

PS.:

The love of God is much more than amazing, for Wisdom will do for you what you cannot do for yourself. Every word of this letter is the direct quotation from our Mother, Wisdom, the mother, and creator of all heaven. By permission, small notes only have I injected. With great fear of the Almighty God, knowing that she judges all without respect of person, by permission, I say unto all of those whom God leads to this document, "Fear God, for the hour of his judgment has indeed come!!!!"
