“You two should be extremely proud of yourselves. You made a big week for my team beyond special and memorable. The farm looked nothing short of epic, your service and execution flawless. All I can say is thank you and so well done. 10/10 in all aspects.”

“

Liam, 2021 Conference Delegate

“Wow, wow, wow. Just spent a few days at this property for a work retreat and it was absolutely incredible. From the moment we arrived on the property we became the VIP's. The staff are friendly and the most accommodating of people I've ever met in my life. We had multiple allergy restrictions and there was ALWAYS an option available.”
