SASKATCHEWAN MUSIC FESTIVAL ASSOCIATION

HISTORY

The Association, envisaged and organized as a provincial body in 1908, was highly successful in achieving its objective: to unite musical societies, individual musicians or groups in Saskatchewan, into one organization for the purpose of holding annual music festivals. But the size of Saskatchewan (about that of Texas), along with its expanding population and transportation system, made District Festivals inevitable, with Unity being the first in 1926.

The SMFA is very proud of its place in history as one of the province's oldest cultural organizations. Its structures and programs have been followed throughout Canada. Inspired by Governor General Earl Grey's vision of a Dominion-wide festival, with support from Fred Chisholm and Frank Laubach, all Saskatchewan musical groups were invited to the first Provincial Festival in 1909, in Regina. The annual festival moved to Saskatoon, Prince Albert and Moose Jaw, and then continued the rotation. Excellent railway service allowed participants, including large ensembles, to come from all parts of the province. Expansion of District Festivals continued until there were fifty-one in 2002, including one fully bilingual event at Gravelbourg. Today, there are 47 affiliated District Festivals.

The Concerto Competition (1979) and the Gordon Wallis Opera Competition (2000), administered by the SMFA, are held in alternating years. In addition to cash prizes, the winners are featured as guest soloists with the Regina and Saskatoon Symphony Orchestras. With the increased popularity of Musical Theatre, SMFA established a biennial Competition in 2020, held in parallel with the Opera Competition.

In 2009, the SMFA celebrated the 100th Anniversary of the first Provincial Festival with a Centennial Re-enactment Concert held in Regina. In addition, special Centennial classes were heard at the SMFA Provincial Finals, and the Federation of Canadian Music Festivals AGM/Conference and National Music Festival Competitions were held in Saskatoon. SMFA also hosted the FCMF National Convention in 2019 at the University of Saskatchewan. It was a moment of great pride when Saskatchewan soprano, Emma Johnson, was chosen as the Grand Award winner.

At the annual Fall Conference in 2019, SMFA celebrated 110 years! Delegates at this conference were unaware of what was to come with the cancellation of most festivals in the 2020 season due to the threat of the COVID-19 Global Pandemic. The past 18 months (since March 2020) have been very challenging. The 2021 festival season is now history and we can proudly report that the organization worked together to deliver safe and successful District Festivals and a virtual Provincial Finals. We have survived, adapted and are stronger as a result of this challenge.

To summarize we will again look to the wise words of Ms. Hancock: *We give thanks for the vision and the effort of all of those who brought us this far in the service of music. We believe that the firm foundation on which the Association has been built will support the vision and effort of our present leaders and those of the future.*

SASKATCHEWAN MUSIC FESTIVAL ASSOCIATION

EDITOR'S NOTE

The mission statement of the Saskatchewan Music Festival Association is: *'Promoting excellence in music and speech through competitions, performance, and educational opportunities for all of the people of Saskatchewan'.*

We take this statement seriously. How can we ensure that this unique opportunity is available to all the people of Saskatchewan? The answer is simple and complex. Produce a syllabus that supports this mission. We know that the SMFA Syllabus is an important tool for delivery of our major programs (47 District Festivals, Provincial Finals and also the new Canada West Performing Arts Competition).

For the 2022-2024 Syllabus our committee has focused on the following:

- Regulations – Clear and concise rules that support a fair playing field for all participants.
- Inclusivity:
 - Gender specific titles have been replaced with musical and age-appropriate ones
 - Increased number of age categories in several class groupings
 - Added more Grade-level Classes
 - Re-vamped Choral Classes.
- Removal of test piece classes – Usage of test pieces had drastically dropped, and we could no longer justify the work involved in providing them. Previous SMFA Syllabi will be made available on the SMFA website as reference for teachers who may require guidance in choosing repertoire for their students.
- Removal of references to Senior, Intermediate, Junior, Elementary and Primary Divisions. References are now by specific age groups (Open, 28 & under, 17 & under, etc.).
- Addition of a “Non-Competitive” group of classes for students who prefer a performance opportunity only.
- Addition of Workshop Classes which are available for all students under the Non-Competitive tab.
- Addition of a “Provincial” tab – All Provincial classes are now listed in one location. District level Provincial classes are listed under the Provincial Scholarship Classes into which they feed.
- Addition of Spoken Word Classes for classroom students – to encourage participation in this discipline, particularly in school classrooms.

Countless hours have been devoted to making this document organized, comprehensive and easy to read. Thank you to the entire SMFA Board of Directors for your commitment to and passion for this project. Special thanks to our Executive Director, Carol Donhauser, for co-editing this project with me and to our Administrative Assistant, Nancy Toppings, for her expert proofreading.

Our hope is that you find this document has a welcoming tone and that it encourages more students to try the music festival experience. This syllabus will serve as a guide for the unique learning opportunity that builds a community of confident students, engages audiences and connects passionate volunteers. It also directs SMFA's role in the cultural landscape of our vast province, embracing the challenges before us as we endeavour to remain a vibrant and relevant organization.

AFFILIATED MEMBERS OF THE SASKATCHEWAN MUSIC FESTIVAL ASSOCIATION

Held annually in 47 communities, the SMFA affiliated District Festivals are organized by local volunteers and judged by qualified adjudicators, following the guidelines in the Provincial Syllabus. District Festivals often provide one of the first opportunities for a child to perform before an audience and be evaluated by a professional musician. These festivals play an important role supporting and supplementing the existing music education network in Saskatchewan. Over \$200,000 in award money is available for students through this community of festivals.

REGULATIONS

SELECTIONS AND PERFORMANCE

1. Competitors may not perform the same selection(s) for any festival performance/competition two years in a row, with the exception of the Piano and Violin Senior Performance Classes 20200 & 30090 and the Non-Competitive Workshop Classes.
2. The same selection may not be used in more than one class in the same festival, with the exception of the Canada West Performing Arts Festival Classes and the Non-Competitive Workshops Classes.
3. Unless otherwise stated in the Syllabus, the term “own choice, one selection” implies a work or portion(s) of a work, not exceeding the specified time limit. Where time limits are not indicated, the term indicates a composition written as a single movement, or one or more movements of a multi-movement composition. A song cycle is considered a multi-movement work. All long repeats (over sixteen measures) may be omitted. The repetition of very short sections may be observed to preserve the structure of the composition. All *da capos* and *dal segnos* should be observed.
4. Competitors may perform vocal selections in any suitable key while adhering to copyright regulations.
5. Solo competitors are not eligible to enter more than one class bearing the same title in any one District Festival. For example:
 - i. A competitor entering “Class 20053 - Piano Solo, Baroque (16 years & under)” cannot enter “Class 20054 - Piano Solo, Baroque (15 years & under)”, and
 - ii. A competitor entering “Class 10321 - Piano Solo, Recital Piece (12 years & under) (P)” cannot enter “Class 20307 - Piano Solo, Recital Piece (12 years & under)”.

The exception to this rule is lieder classes, where competitors may enter once as a pianist and once as vocalist.

6. Memory work is encouraged in District Festivals and is mandatory at the Provincial level, with the exception of the pianist in Lieder Class 10267. Memory work is mandatory in all levels of Canada West/Excellence competitions, with the exception of Chamber and Choral classes.
7. Visual or verbal prompting of competitors is not allowed except for Choral and Chamber Music.
8. The piano is the instrument to be used for accompaniment. Exceptions are listed in the rubric for each class. Use of a digital piano for accompanying is acceptable using the piano setting and transpose feature, if required. Copyright regulations apply.
9. Recorded digital audio, for percussion, is acceptable when published in the score.
10. No amplification equipment is to be used, except for digital audio in percussion classes or in specified local addenda classes.
11. An original or authorized copy of competitor’s music must be provided to the festival committee prior to the beginning of the class. Music downloaded from www.imslp.org is permitted. Please write the full URL of the work being performed on the first page of all parts and copies being used. It is the responsibility of the user to ensure copyright laws are being followed. Please number the first bar of each line. For band/ensembles, full scores are preferred; cued conductor or miniature scores are acceptable. Please number each fifth line in Spoken Word selections.
12. Only sanctioned audio/video recording, live streaming or photography may be allowed. SMFA strictly prohibits unsanctioned audio/video recording, live streaming or photography during competitive performance, in order to prevent distractions, respect privacy, and adhere to copyright laws.

REGULATIONS

COPYRIGHT INFORMATION

1. Copyright infringement is a serious breach of the law. The Copyright Act provides that the owner of the copyright may pursue all civil remedies including damages and an accounting against an individual for infringement of copyright. The individual may also be subject to criminal prosecution and fines. It is also an offence to distribute infringing copies (those photocopied without permission) whether or not it is done for profit.
2. Copyright laws will be strictly observed. Anyone using unauthorized altered or photocopied copyright music will be disqualified; no adjudication, mark, or scholarship will be considered for the competitor. Music and literature downloaded from the internet must show authorization from the publisher or proof of purchase. See additional copyright Information on pages 14.

MARKING

1. The following table indicates the method of evaluation:

Rating	Mark	Performance Standard
A ⁺	or 90 & above	signifies superior performance
A	or 85 to 89	signifies distinction
A ⁻	or 80 to 84	signifies definite merit

Marks/ratings below 80/A⁻ will no longer be assigned.

2. The winner and runner-up of each class will receive numeric marks which may be announced. While marks may be used for administrative purposes, other performers will be given a letter rating on the adjudication sheets and public postings.
3. Two types of certificates will be issued. An 'Honour' certificate will be awarded to all winners receiving a mark of 80 or more. A 'Merit' certificate will be awarded to the runner-up in each class. In the case of a tie, a certificate will be presented to the both entrants.

DISTRICT FESTIVAL SCHOLARSHIP REGULATIONS

1. District Festivals are responsible for setting their own criteria for scholarships and awards.
2. SMFA recommends that, in order to qualify for a district festival scholarship or award, each individual named on the entry form will have entered and competed in at least two classes in the same discipline.
3. The District Festival's Scholarship/Award restrictions must be published, at least 30 days prior to the entry close date, on the festival page found on the SMFA website.
4. It is the responsibility of the adjudicator to choose District Festival scholarship winners.
5. Members of District Festival committees, whose family members or students are eligible for scholarships, must not attend the final scholarship meeting of the adjudicator and scholarship committee.

REGULATIONS

PROVINCIAL SCHOLARSHIP CLASS REGULATIONS

An annual Provincial Competition will be held for District Winners. Scholarship winners are selected by the adjudicator. If the standard attained is not of sufficient merit, the scholarship will not be given.

INFORMATION FOR DISTRICT FESTIVALS

1. Qualified District Winners will be notified within 24 hours following the scholarship meeting.
2. A list of District Winners, signed by the Adjudicator, must be sent to the Provincial Office immediately following each scholarship meeting.

ELIGIBILITY FOR ENTRY TO PROVINCIAL FINALS

1. Competitors must:
 - i. fully comply with the regulations.
 - ii. enter and compete in at least two solo classes in the same discipline at their District Festival. Instrumentalists must compete on the same instrument, with the exception of percussion, where performers play more than one percussion instrument. This rule does not apply to the pianist in the lieder class. Musical Theatre and Voice are considered separate disciplines.
 - iii. obtain a mark of 88 or higher **and** place first or second in the class. **TWO (2) qualified entries** will be eligible to advance to Provincial Finals from each District Festival in every Provincial Scholarship Class. In classes where two selections are performed, the combined mark must average 88 or higher. A mark of 88 or higher is also required in the Canada West Excellence Classes to be eligible to advance to the Provincial level. Alternates with qualifying marks will be contacted by Provincial Office.
 - iv. not exceed 28 years of age (except for Adult Choral Classes) or 22 years of age in Canada West Excellence Classes (except for Community Choir 24 years & under).
 - v. provide their own piano accompanist, page-turner, and instrument (piano being the exception).
2. Competitors are:
 - i. eligible to be a District Winner from one or more District Festivals, providing they are not in the same Provincial scholarship class.
 - ii. required to represent the festival where they first became eligible for Provincial Finals. Competitors must disclose previous recommendations to the festival committee as soon as they are notified. The committee will not disclose this information, to the adjudicator, until the scholarship meeting.
 - iii. not eligible to compete in more than one age category in the same discipline nor in Grade A and Grade B Voice. Canada West Excellence Classes are exempt from this regulation.

PROVINCIAL PERFORMANCE REGULATIONS

1. Memory work is mandatory at the Provincial level with the exception of the pianist in Lieder Class 10267 and in the Canada West Excellence Chamber Classes 10980 & 10981.
2. Competitors and accompanists must provide an original score or authorized copy of their music before performing. Number the first bar of each line in the scores and each fifth line of the Spoken Word selections.
3. The maximum performance time is 30 minutes, and all movements must have been performed in the same Provincial Class at the District Festival. Some exceptions may apply (e.g. time limits in Canada West Excellence Classes on pages 47 to 49).

REGULATIONS

CHORAL CLASSES REGULATIONS

1. Choirs advancing to Provincial Final Competitions must submit an audio recording in MP3/MP4 format for adjudication. Recordings may be done during the District Festival performance or any time before the entry deadline. Recordings must be done with the same choir, conductor, and accompanist as in the original performance. The first take must be used. A festival official must supervise and witness the recording. Recordings must be checked for completeness before being forwarded to the Provincial Office. Arrangements and costs for the recording of these classes are the responsibility of the participating Choral Directors and must be made in consultation with the District Festival committee.
2. High quality recordings (two selections per class) must be submitted as per instructions on the entry form. No acoustic or electronic compensation, filtering or other enhancement is to be used while recording. Recordings and scores should contain no reference to the name of the choir, its conductor, or the festival from which they have been sent. In the event that a recording made during the scheduled performance is blank or seriously compromised, a substitute recording may be made under the conditions outlined above.
3. A complete original music score for each selection, containing choral parts and accompaniment, in the correct key, is required for the adjudicators. The first measure of each line in the score must be numbered. All copyrights must be observed.
4. Minimum number of singers constituting a choir is 8, except where specifically stated otherwise.
5. In classes limited by an upper age, the average age/grade must fall within the age/grade category entered.

PROVINCIAL GRAND AWARDS COMPETITION REGULATIONS

1. At the conclusion of the Provincial Final sessions, the adjudicators will select the competitors to advance to each Provincial Grand Awards Competition.
2. Each adjudicator will spend a few moments with the competitor(s) they have chosen, to advise them concerning the selection(s) to be performed, as they will be competing for our most prestigious awards. Competitors must choose selection(s) that they have performed during Provincial Finals. There is a 10-minute time limit, which may necessitate an abridged version of their selection(s).
3. Immediately following this discussion, the competitors must report to the on-site festival office.
4. No music is required for the adjudicators at the Grand Awards Competition.
5. After the Grand Awards competition, the judges will deliberate and choose the winners.

REGULATIONS

PROVINCIAL LEVEL OF CANADA WEST PERFORMING ARTS FESTIVAL REGULATIONS

First place and second place District Festival winners, receiving a mark of 88 or higher, are eligible to enter the Provincial level. Each District Festival is allowed two District Winners to the Provincial Finals for each of the Saskatchewan Canada West Excellence Classes. Alternates will be contacted by the Provincial Office. Team Saskatchewan, chosen by the adjudicators at the Provincial Final Competition, will have the opportunity to compete at the Canada West Performing Arts Festival.
2. The CWPAF Competition is a separate competition from Provincial Finals. Competitors may enter CWPAF Class without entering a Provincial Class. Repertoire performed in a Provincial Class may be repeated in CWPAF Classes.
3. Competition is open to *non-professional Saskatchewan musicians who are 22 years or younger as of December 31 preceding the festival (exception: Community Choral, 24 years & under).

*A non-professional musician is defined as a person whose principal means of livelihood is not obtained from the performance of music in the particular category in which he or she is competing.

4. Competition groups are as follows:
 - 13 & under
 - 17 & under
 - 22 & under (exception: Community Choral, 24 years & under)

Age of competitors will be calculated as of December 31 of the previous year.

Competitors must:

1. comply fully with CWPAF Regulations.
2. enter a CWPAF Class only in the province in which they live or principally study. If studying outside the province they must have competed in a Saskatchewan Music Festival within the preceding five years.
3. obtain a mark of 88 or higher
4. perform a well-rounded program, from memory, that comprises works by different composers/authors representing various styles and periods. Individual movements of multi-movement works may be included.
5. be prepared to introduce themselves, their repertoire and their accompanist (if applicable).
6. adhere to time limits, which include breaks between selections and any costume changes. The first tuning, before the program begins, is not included in the timing.

Notwithstanding any other provision in these Regulations, the Saskatchewan Music Festival Association's Board of Directors shall be the final and binding decision-making authority on all matters pertaining to competitions administered by the SMFA.

COPYRIGHT® INFORMATION

Copyright is literally the right to copy. The composer usually owns the copyright for a specific piece and they in turn assign the right to a publisher to help engrave, promote and distribute the piece. The publisher pays the composer a royalty on each copy sold. So who has the right to photocopy **or** alter a composer's work? Only the composer!

Copying music by any means for the purpose of performance is expressly prohibited except under the fair use guidelines: "Emergency copying to replace purchased copies which for any reason are not available for an imminent performance is allowed, provided purchased replacement copies shall be substituted in due course."

What does the statement above mean? Let's give some examples:

- 1) One of your sopranos is participating in a District Festival next week but the required music hasn't arrived yet. You make photocopies from your personal library. It is fair use – provided you don't cancel your order. The festival committee may request a sales slip from a music store to prove that the music has been ordered and paid for.
- 2) Your eighth grade clarinet player has misplaced the solo he was to perform. You make a photocopy from another student's music and order a new copy for the first student. Again, this is fair use but you must order the copy and provide proof of purchase.

There is no excuse for not having a second or third copy for the adjudicator or accompanist. Most major publishers will grant permission to make up to three copies (provided you have an original) for a small fee or no fee at all. BUT, you have to email them and ask for permission. They will then instruct you on how many copies you may make and what needs to be written on the bottom of each copy. This email permission must be provided to the festival.

Copying for a page turn is not allowed and is an infringement of the law. Photocopies for page turning purposes will only be allowed when written permission is supplied by the holder of the copyright material. The **Frederick Harris Music Co. Limited allows** festival participants to photocopy **one page per selection** from their publications in order to facilitate a page turn.

If you wish to transpose any existing publication or modify it in any way, you must seek permission. It is illegal to duplicate or alter music that has been copyrighted.

Music in the Public Domain should be researched before any selection is used for Festival purposes. Publications that are out of print or in the Public Domain may not be photocopied until you have cleared it with the rightful owner.

Although many websites claim to offer Free Public Domain music, competitors need to be aware that, in most cases, the music is not free and has been illegally scanned or copied from a publishing company. For instance, all of J.S. Bach's works are in the public domain; however, a publisher has gone to considerable expense to digitize or engrave their particular edition of the work. This involves hours of deciphering and deciding what the original manuscript noted, and making decisions based on experience. The publisher's edition is copyrighted and protected under the copyright law. It is therefore illegal to download a scanned or copied version that someone has posted on the internet. Avoid using these "free" websites for festival choices, unless you have actually paid a fee or have written permission from the author/composer for the piece and can provide proof of purchase to your District Festival.

PROVINCIAL MUSICAL THEATRE SCHOLARSHIP CLASSES

In all of the Musical Theatre Classes, competitors may use costumes. The use of limited sets and/or props and choreography is allowed. The use of live props is not allowed, except in the case of an accompanist saying character lines that are in the music as part of the song. Spoken passages are allowed only if published in the musical score provided. All selections are to be sung from a published score. In all cases, the singing, rather than the staging, is of first importance. Exact imitation of a professional performance is not permitted. Originality in performance and interpretation is encouraged. Selections are not to include operetta/light opera (e.g. Romberg, Johann Strauss, Lehar, Offenbach, Gilbert & Sullivan).

The following is a definition of the Musical Theatre Standard Repertoire required in the following classes:

- **Classic (1920 – 1964)** – Composers such as Berlin, Kern, Gershwin, Porter, Rodgers & Hart, Weill, Rodgers & Hammerstein, Lerner & Loewe, Bock & Harnick

- **Contemporary (2000 – present)** – Composers such as Carner & Gregor, Pasek & Paul, Scott Alan, Kerrigan and Lowdermilk, Bisen-Hersh, Seth Mills, Jonathan Reid Gealt, & Andrew Lippa

“Stand-alone” repertoire is not permitted. Selections must come from a staged musical, and be appropriate for the age of the performer and the expected audience. Title of production and name of character must be provided on entry form.

* *“Prose” refers to any literature that is not a poem or a play. Selections may be from any published book of fiction or nonfiction and may be a complete short work (such as a short story or children’s book) or an excerpt from a longer work. An introduction may be used to fill in any necessary details. (e.g., using Anne of Green Gables by Lucy Maude Montgomery: “So far in our story, the little orphan girl, Anne, has been mistakenly sent to a couple who wanted to adopt a little boy.”). The brief introduction will not be included in the timing of the performance. Cuts may be made to the piece, if they do not interfere with the author’s intent, in order to fit the time limits or to help the excerpt stand alone. Prose selections are not staged or costumed, and are performed with minimal movement.*

MUSICAL THEATRE CLASSES

***** Important: As this is a three-year document, changes or corrections can be found at www.smfa.ca. Please check often for updates. *****

Provincial classes can be found under the “Provincial” tab.

MUSICAL THEATRE CLASSES

In all of the Musical Theatre Classes, competitors may use costumes. The use of limited sets and/or props and choreography is allowed. The use of live props is not allowed, except in the case of an accompanist saying character lines that are in the music as part of the song. Spoken passages are allowed only if published in the musical score provided. All selections are to be sung from a published score. In all cases, the singing, rather than the staging, is of first importance. Exact imitation of a professional performance is not permitted. Originality in performance and interpretation is encouraged. Selections are not to include operetta/light opera (e.g. Romberg, Johann Strauss, Lehar, Offenbach, Gilbert & Sullivan).

The following is a definition of the Musical Theatre Standard Repertoire required in the following classes:

- **Classic (1920 – 1964)** – Composers such as Berlin, Kern, Gershwin, Porter, Rodgers & Hart, Weill, Rodgers & Hammerstein, Lerner & Loewe, Bock & Harnick
- **Modern (1965 – 1999)** – Composers such as Kander & Ebb, Schwartz, Finn, Jason Robert Brown
- **Contemporary (2000 – present)** – Composers such as Carner & Gregor, Pasek & Paul, Scott Alan, Kerrigan and Lowdermilk, Bisen-Hersh, Seth Mills, Jonathan Reid Gealt, & Andrew Lippa

“Stand-alone” repertoire is not permitted. Selections must come from a staged musical, and be appropriate for the age of the performer and the expected audience. Title of production and name of character must be provided on entry form.

For a comprehensive reference of repertoire, please see [Alberta Music Festival Association Musical Theatre Listing \(Ballad/Up-tempo Listing\)](http://www.albertamusicfestival.org) or visit www.albertamusicfestival.org

SPOKEN WORD CLASSES

Prose Classes

“Prose” refers to any literature that is not a poem or a play. “Own choice” selections may be from any published book of fiction or nonfiction and may be a complete short work (such as a short story or children’s book) or an excerpt from a longer work. An introduction may be used to fill in any necessary details. (e.g., using *Anne of Green Gables* by Lucy Maude Montgomery: “So far in our story, the little orphan girl, Anne, has been mistakenly sent to a couple who wanted to adopt a little boy.”). The brief introduction will not be included in the timing of the performance. Cuts may be made to the piece, if they do not interfere with the author’s intent, in order to fit the time limits or to help the excerpt stand alone. Prose selections are not staged or costumed, and are performed with minimal movement.

SPOKEN WORD CLASSES

Récit du texte en prose

Choisir un passage descriptif d'un livre préféré ou un extrait qui comprend un narrateur aussi bien que des personnages qui prennent la parole. Le plus souvent ce sera un extrait sélectionné d'une histoire plus longue. Essayer de trouver une sélection qui se raconte bien en extrait autonome, avec un début, un milieu et une fin. Commencer la présentation avec une introduction qui donne des détails nécessaires au préalable, p.ex. «Ceci est un extrait d'*Élise et Beethoven* de K.E. Olsen. Élise Poirier, musicienne de grand talent, fait des plans avec ses amis pour se rendre en Europe pour un concours de piano. » [OR] p.ex. « Ceci est un extrait des *Misérables* de Victor Hugo. Cosette, pauvre enfant confiée à un couple d'aubergistes cruels, les Thénardier, rêve d'une vie ailleurs. » On peut faire des coupures tout en respectant les intentions de l'auteur. Pour un débit naturel, on coupe, par exemple, des phrases comme « dit-il », tout en faisant une distinction appropriée entre les voix des interlocuteurs. Pour la cohérence de l'extrait on peut enlever la mention de personnages qui ne figurent pas essentiellement dans la sélection. On exclut la mise en scène d'un extrait, en se limitant à des gestes sobres, naturels et spontanés sans l'utilisation de costumes ou de déguisements.
