

Safety Committee Resident Initiatives in Progress

- Oak Leaf Street traffic study for speeding to determine the need for speed humps or other traffic calming measures
- Purcell Street CPD confirmed speeding issues and a petition has been submitted for speed humps or other traffic calming measures
- River Landing Drive requested handicap parking spot(s) by Envy Salon; City and ADA consultant are reviewing
- Daniel Island Drive crosswalk corners need to be ADA accessible to eliminate children riding their bikes into traffic
- Request to repair/replace vandalized sign at Blakeway and Pierce Street
- Gravel added to eroding road on Daniel Island Dr at bridge by steel plate at Beresford Creek
- Additional signage or pavement markings to reduce illegal parking along Seven Farms during Credit One Stadium Events
- Additional “No Parking” pavement markings at driveways and street corners

Special Projects Committee

- Outdoor Ping Pong and Bocce Court were approved and will be added to the Recreation Center facility
- Flock Security Cameras waiting for City to order; DI Community Fund has approved funding.

Development & Land Use Committee

- Tracking all multi-unit development through City of Charleston Process
 - (And possibly precedent-setting residential)
 - Waterfront & Marina Development
 - Reporting to Leadership
 - Developing ways to share ALL of the City's development documents, reports to make it easier for all to self-serve, research
 - "Land Use" to include natural & recreational spaces, stewardship
 - Evolving "Development" to include Economic Development
- 

Events Committee

- Working to track/understand existing external events, uncover new/prospective events
 - Join/support those aligned with mission
 - Share with community
- Propose new community events driven by DINA
 - (Given modest internal funding, collaboration/partnering mandatory)
- Partner cross-DI to drive & support new “signature” events
