# Research Validates Red Angus as Most-Favored Female

**Ranchers across the country have long recognized the value of Red Angus females as the foundation of a profitable cowherd. Now, independent research validates those years of cattle production experience with tangible data proving the Red Angus heifer's worth.**

## Research Confirmation

Esther McCabe, et al., of Kansas State University, led a study that confirmed Red Angus are the most-favored female in the industry. McCabe and her team compiled five years' worth of pricing data from Superior Livestock Auction, comparing 13,804 lots of heifer calves totaling over 1.2 million head that sold in 116 video auctions.

The research team evaluated the effects of independent variables on the sale price of heifer calves that fell into six different breed composition groups: English, English crosses, English-Continental crosses, Black Angus-sired out of dams with no Brahman influence, Red Angus-sired out of dams with no Brahman influence, and Brahman-influenced.

They deduced that Red Angus-sired heifer calves bring \$5 to \$9 more per hundredweight than all other breed types.

## Rancher Trusted

While market research validates the price advantage of Red Angus heifers, ranchers have tested and trusted her worth on the range for years. Red Angus females are desirable as replacement heifers because they mature into productive mother cows that reward producers with extra dollars in their pockets on sale day.

Red Angus cows have gained ranchers' trust as a complete package through fertility, fleshing ability, good disposition, longevity and excellent overall production. They produce feeder calves that earn premiums in the yard and on the rail through docility, feed efficiency, conversion and carcass merit.

Over the years, stockmen have voted with their checkbooks, purchasing heifers they know will bring profitability to their ranching businesses – and Red Angus females are their most-favored choice. ■

*Independent research studying five years of Superior Livestock Auction data confirms the value of Red Angus replacement females.*

## Red Angus Stockyard

List or locate quality Red Angus replacement females at [stockyard.redangus.org](http://stockyard.redangus.org). Over 20,000 head of cattle are sold each year through the Red Angus Stockyard.

## FeMail

An electronic tool to help locate or market ranch-tested replacements. Market your open heifers, bred heifers or cows, or cow-calf pairs. FeMails are designed for offerings of 25 head of more to complement listings on the Red Angus Stockyard.

## Breed and Gender Interact to Affect the Sale Price of Beef Heifer Calves\*

\* McCabe, et al., 2016. Breed and gender interact to affect the sale price of beef calves sold through video auctions from 2010 through 2014. *J. Animal Science*, Volume 94, Supplement 2, pp 28.  
<sup>abcd</sup> Means with unlike superscripts differ (P<0.05).

# Welcome

## TO OUR ANNUAL PRODUCTION SALE

Robert & Kara • Harold

campbellra@westriv.com  
campbellredangus.com

Welcome to Campbell Red Angus 2018 Production Sale. What a wonderful year, we had our first granddaughter in November. Sure we started the year with record snow fall followed by a D4 drought. If it was easy everyone would ranch. The hardiness of our cattle came through for us again. November just reminded me why we do it. Robby came home to the ranch in April. Three generations working together what fun!!!

The cattle and genetics are the same base you have come to rely on and trust since 1973. We do have some new bloodlines that are showing a lot of potential, some of the lines are outcross genetics that would add a new dimension to many programs. Be sure and check them out in our reference sire layout. When selecting cattle for our program and sale we rely heavily on actual production measurements rather than anticipated progeny differences. When you sell at the sale barn, you sell actual pounds, not estimated. Estimates can be too easily manipulated by simply changing the formula or removing/adding figures to the data base, actual production is proven.

We changed our feeding to a TMR feeder wagon a few years ago and are continuing to "fine tune" our feeding program. This year we are feeding corn silage, ground hay, modified distillers, corn, and a half pound of feedlot supplement to balance minerals. Most of the ground hay was drought stressed: straw, weeds and 2 year old sorghum hay. The feed had a reasonable cost with a high roughage and water base. The bulls performed well with an average daily gain of 3.15. The scrotals are actual (not adjusted) and were taken January 21, 2018.

We are bringing 20 replacement quality heifers and 4 F1 RWF commercial heifers to the sale. This small representation of our herd offers a cross section of our different herd sires. The heifers were developed with the big group of replacement heifers until January 22, 2018. They were on a high roughage TMR ration, corn silage and mix hay. They did quite well proving their feed efficiency. We hope you take advantage of this opportunity to bring solid genetics into your herd.

The reliability, strong performance and diversity of Red Angus Cattle is very popular in the cattle industry. They are becoming the standard other breeds try and match. Red Angus steers have been topping the market all fall and winter. Replacement females continue to bring a premium of several hundred dollars per head, bringing even more than their steer counterparts. With the increasing popularity in red angus cattle, let Campbell Red Angus genetics help you get the maximum returns in your operation.

We welcome you to come to our ranch and view the cattle and our program until March 3 and then at Mobridge Livestock until March 5, 2018. We intend to have video of the sale bulls online at [www.campbellredangus.com](http://www.campbellredangus.com) in mid-February for viewing.

Please come early on sale day and join us for a lunch, starting at 11:30 CST.

Sincerely,  
Robert & Kara  
Harold, Robby

## **Guarantee**

Bulls sell as guaranteed breeders. Due to their young age the bulls haven't been semen tested, but we strongly recommend you have them semen tested before you put them in service. All claims must be submitted to the Seller in the calendar year, along with written semen evaluation and health report from a licensed veterinarian. Seller has the privilege of trying to prove the bull after his return, before making any adjustment. This guarantee is null and void if there is evidence of improper management in care of said animal, or if the inability to breed is due to sickness or injury after being sold. Insurance available through Martin Trudeau Insurance.

**PLEASE BRING THIS CATALOG TO THE SALE.**

## **Terms and Conditions**

All cattle sell under the recognized terms and conditions of the Red Angus Association of America, and by these additional conditions. Terms of the sale are cash. Any dispute as to bids are settled by the auctioneer. Announcements from the auction block take precedence over printed material in this catalog. Animal is the Buyer's responsibility upon being sold. All persons who attend the sale do so at their own risk.

## **Performance and EPD Codes**

1A - 100% Red Angus

1B - 87% - 99% Red Angus

## **EPD's:**

**BW** - Birth Weight

**WW** - Weaning Weight

**YW** - Yearling Weight

**Milk** - Milk

## **Performance Info:**

**BW** - Actual BW

**Adj 205** - 205 day adjusted weaning weight

**Adj YW** - 365 day adjusted yearling weight

**ADG** - Gain on test

**WDA** - Weight per day of age over lifetime

**SC** - Actual measurements taken on January 21, 2018.  
Not adjusted to year of age.

**CC** - calving code

1 - use on cows

2 - use on cows or growthy heifers

3 - fewer calving problems should occur when  
used on first calf heifers

## **Eartags**

**Lot numbers** - white tag

**ID numbers** - colored tag

## **Feed & Delivery**

We will offer free delivery of bulls immediately following the sale to central points within 150 miles. Balance at cost. Feeding of bulls by arrangement at \$3.50/day until April 15, 2018. Bulls fed at buyer's risk. We strongly suggest you purchase insurance on your bulls.

## **Registration Transfers**

Registration papers transferred to buyer when available. Leave name and three line address when making settlement if you want papers transferred.

***We reserve the right to retain 1/3 semen interest on any bull.***
