MOBRIDGE, SOUTH DAKOTA • 1:00 PM CST**

Research Validates Red Angus as Most-Favored Female

Ranchers across the country have long recognized the value of Red Angus females as the foundation of a profitable cowherd. Now, independent research validates those years of cattle production experience with tangible data proving the Red Angus heifer's worth.

Research Confirmation

Esther McCabe, et al., of Kansas State University, led a study that confirmed Red Angus are the most-favored female in the industry. McCabe and her team compiled five years' worth of pricing data from Superior Livestock Auction, comparing 13,804 lots of heifer calves totaling over 1.2 million head that sold in 116 video auctions.

The research team evaluated the effects of independent variables on the sale price of heifer calves that fell into six different breed composition groups: English, English crosses, English-Continental crosses, Black Angus-sired out of dams with no Brahman influence, Red Angus-sired out of dams with no Brahman influence, and Brahman-influenced.

They deduced that Red Angus-sired heifer calves bring \$5 to \$9 more per hundredweight than all other breed types.

Rancher Trusted

While market research validates the price advantage of Red Angus heifers, ranchers have tested and trusted her worth on the range for years. Red Angus females are desirable as replacement heifers because they mature into productive mother cows that reward producers with extra dollars in their pockets on sale day.

Red Angus cows have gained ranchers' trust as a complete package through fertility, fleshing ability, good disposition, longevity and excellent overall production. They produce feeder calves that earn premiums in the yard and on the rail through docility, feed efficiency, conversion and carcass merit.

Over the years, stockmen have voted with their checkbooks, purchasing heifers they know will bring profitability to their ranching businesses – and Red Angus females are their most-favored choice. ■

Independent research studying five years of Superior Livestock Auction data confirms the value of Red Angus replacement females.

Red Angus Stockyard

List or locate quality Red Angus replacement females at stockyard.redangus.org. Over 20,000 head of cattle are sold each year through the Red Angus Stockyard.

FeMail

An electronic tool to help locate or market ranch-tested replacements. Market your open heifers, bred heifers or cows, or cow-calf pairs. FeMails are designed for offerings of 25 head of more to complement listings on the Red Angus Stockyard.

Breed and Gender Interact to Affect the Sale Price of Beef Heifer Calves*

* McCabe, et al., 2016. Breed and gender interact to affect the sale price of beef calves sold through video auctions from 2010 through 2014. *J. Animal Science*, Volume 94, Supplement 2, pp 28.

Welcome to our Campbell Red Angus 2020 Production Sale. As many of you know we are a family operation currently have 3 generations working together on the ranch, Harold, Robert, and Robby. As time goes on, you will see an influence of our 3rd generation in our operation. Our family also grew this year with the addition of our son-in-law Alex Murray who married our daughter Melissa. Melissa and Alex are living in Wyoming near our oldest daughter Lacey. Our youngest daughter Jenny has been working towards a vet degree and we couldn't be prouder of our children. Our family run business is what we pride ourselves on to bring you the best cattle in the industry. It's a unique and wonderful way to make a living.

The cattle and genetics are the same base you have come to rely on and trust since 1973. We do have some new bloodlines that are producing offspring that are phenotypically strong and produce desirable traits. Some of the lines are outcross genetics that would add a new dimension to any program. Be sure and check them out in our reference sire layout. When selecting cattle for our program and sale, we rely heavily on actual production measurements and phenotype. EPD's are a tool that can complement the selection process; however, when you sell at the sale barn, you sell actual pounds and structural soundness, not estimates.

We have been feeding with our TMR feeder wagon for several years now. We are continually testing feed and adjusting rations to meet the needs of our cattle. This year our feed ration includes corn silage, ground hay, modified distillers, corn, and a third pound of feedlot supplement to balance minerals. The feed comes from readily available sources. The bulls performed well having an average daily gain of 3.55. The scrotals are actual (not adjusted) and were taken January 21, 2020. The EPD's in the catalog are BOLT as of 1/28/2020.

We are bringing 15 replacement quality heifers to the sale that represent a cross section of our different herd sires. The heifers were developed with the whole group of replacement heifers until January 25, 2020. They are on a high roughage TMR ration consisting primarily of corn silage and mix hay. They did quite well proving their feed efficiency and genetics. We hope you will take advantage of this opportunity to bring these outstanding genetics into your herd.

The reliability, strong performance, and diversity of Red Angus cattle is very popular in the cattle industry. They are the standard other breeds try to match. Red Angus steers have been topping the market all fall and winter. Replacement females continue to bring a premium of several hundred dollars per head, bringing even more than their steer counterparts. With the increasing popularity in Red Angus cattle, let Campbell Red Angus genetics help you get the maximum returns in your operation.

We welcome you to come to our ranch and view the cattle and our program until February 28 at which time you are more than welcome to see them at Mobridge Livestock until March 2, 2020. We will also have video of the sale bulls online at www.campbellredangus.com in mid-February for viewing.

Our family, friends, customers, and cattle are the reason we keep working hard in the cattle business. Please come early on sale day and join us for a lunch, starting at 11:30 CST. We are looking forward to seeing you there!

Sincerely,
Robert, Kara, Robby and Harold

Guarantee

Bulls sell as guaranteed breeders. Due to their young age the bulls haven't been semen tested, but we strongly recommend you have them semen tested before you put them in service. All claims must be submitted to the Seller in the calendar year, along with written semen evaluation and health report from a licensed veterinarian. All heifers are sold palpated and open. Seller has the privilege of trying to prove the bull after his return, before making any adjustment. This guarantee is null and void if there is evidence of improper management in care of said animal, or if the inability to breed is due to sickness or injury after being sold. Insurance available through Martin Trudeau Insurance.

PLEASE BRING THIS CATALOG TO THE SALE.

Terms and Conditions

All cattle sell under the recognized terms and conditions of the Red Angus Association of America, and by these additional conditions. Terms of the sale are cash. Any dispute as to bids are settled by the auctioneer. Announcements from the auction block take precedence over printed material in this catalog. Animal is the Buyer's responsibility upon being sold. All persons who attend the sale do so at their own risk.

Performance and EPD Codes

1A - 100% Red Angus

1B - 87% - 99% Red Angus

EPD's:

BW - Birth Weight

WW - Weaning Weight

YW - Yearling Weight

Milk - Milk

Performance Info:

BW - Actual BW

Adj 205 - 205 day adjusted weaning weight

Adj YW - 365 day adjusted yearling weight

ADG - Gain on test

WDA - Weight per day of age over lifetime

SC - Actual measurements taken on January 21, 2020.
Not adjusted to year of age.

CC - calving code

1 - use on cows

2 - use on cows or growthy heifers

3 - fewer calving problems should occur when used on first calf heifers

Eartags

Lot numbers - yellow red Angus tag

ID numbers - colored tag

Feed & Delivery

We will offer free delivery of bulls immediately following the sale to central points within 300 miles. Balance at cost. Feeding of bulls by arrangement at \$2.00/day until April 15, 2020. Bulls fed at buyer's risk. We strongly suggest you purchase insurance on your bulls.

Registration Transfers

Registration papers transferred to buyer when available. Leave name and three line address when making settlement if you want papers transferred.

We reserve the right to retain 1/3 semen interest on any bull.
