Valley Fliers February Board Meeting

Meeting Called to Order at: 6:35

Present: Eyre, Glassmyer, DeWitt, Botezatu, Walter, Vader

Approval of January Meeting Minutes

john moved to approve as amended. Florin seconded. Motion carried unanimously.

Treasurer's Report

See Alan's handouts. The month was a little thin, but was better than January of 2020. Alan didn't record depreciation yet for the month. 88L's annual, strobes, and other repairs were a little high. 63S's maintenance included the remainder of the skin repair which came in exactly at the expected costs. We expect February to also be a high maintenance cost month. Alan asked which airplane has nose wheel work coming up? Florin says it is 117 and it shouldn't be a full rebuild. Alan reported our engine won't be finished until the first week of March. We don't yet have an ETA on the propeller. Flying is down overall, but the weather has been a challenge.

Maintenance Officer's Report

See Florin's handouts.

9MA Jon predicts it will not be ready until near the end of the month.

88L Alan asked whether we can order the parts to prepare for the work to be done when we change the engine? Florin says he already spoke to Jon about that and he may have already started ordering.

117 has annual due April 1. It may be a good idea to do it sooner.

63S The transponder had to be tweaked. The folks who did it over at TIW did it for a reasonable cost. A couple of ADs were released for our plane, but only the one we anticipated when we cut holes in the wing some time back was relevant.

Simulator John is working on the power supply.

Tug Our tug has stopped functioning. It isn't clear how hard it would be to fix it. Alan notes new tugs are a couple of thousand dollars. Scott noted Delta Motors might evaluate rebuilding the motor. Scott will contact Delta to see if they would be willing to take a look at it.

Florin asked whether we want to restart airplane washing? The consensus is yes. Florin noted he needs help scheduling the washes. Shawn offered to help with the scheduling. Florin will send the washer's contact info to Alan and Alan will negotiate rates with them.

Safety Officer

We need to be careful that we pay attention to our dates and hours. We don't want to fly past ADs.

Old Business

Annual Meeting All the presentations will need to be in PowerPoint because the meeting will be virtual. Florin will provide a list of all the squawks from the last year. Several folks noted that will help the members understand why we needed to raise rates. We will need members to log in to the zoom meeting in order to be eligible for the drawings.

New Business

88L JPI Florin asserts a JPI would have helped us discover its recent valve issue more rapidly. The board briefly discussed the possibility of purchasing one for 88L, but generally felt the club is pretty stretched at this time.

Free flight hour won by: No flight hour won, even by Ed Bryce, as the meeting was limited to board members due to COVID-19 precautions.

Meeting adjourned at: 7:45

Next Meeting: The next meeting is the annual meeting. It will be held Thursday, March 18th via Zoom and will begin at 6:30 pm.

4:49 PM 02/10/21 Accrual Basis
