ROUND 2 MATCH REPORT

BIG BOPPERS SOUND THE ALARM, ROUND TWO WRAP, AND TALKING POINTS

Jason Hosken from the Daily Telegraph breaks down all the action from the weekend just gone in the Match Report for Round 2

We know this is confusing but for reasons there is no point explaining this weekend all Don Feltis Comps will play what is known as their round 18 fixtures.

All Barry Nicol Comps will replay their washed out round 1 games. Next week we recommence with normality in round 3

TRY TIME IN 2024

In 2024 PDJRL have taken on board running the Try Time Competition. includes 6 different clubs participating in the competition

Brothers held a Try Time gala day at Parker Street Ovals last Sunday 14th April. We had 7 clubs participating consisting of, Brothers, Quakers Hill, Minchinbury Jets, Hills Bulls, Wentworthville, St. Pats and Leichardt Wanderers.

We had approximately 140 special needs/ intellectually handicapped junior and senior players playing rugby league.

Having 2 Penrith referees officiating was a first for the Penrith Try Time teams and just made it so much easier for the running of the day. At Try Time we try and keep our game as close as possible to mainstream rugby league.

Cooper Budin and Aaron Anderson are to be congratulated on their manners, understanding our rules at short notice, the professional way they refereed these special players. It was so good.

They are both welcome back anytime.

WOMEN'S FOOTY IN 2024

Panthers Juniors has seen nearly 1,500 female registrations in 2024 thus far - a record breaking figure contributing to a rise of 33% YTD.

In a bid to continue the increase of female participation in rugby league, Panthers Juniors is set to be the first Junior League District in the world to host on age female competitions, beginning in 2024.

In 2024 Panthers Juniors female competitions will look as follows:

U10, U12, U13, U14, U15, U16, U18, & Open Womens - as well as many girls playing in mixed competitions.

Panthers Juniors General Manager Blake South is pleased to be making the move to grow the women's game.

"Moving to the on age format will be a great opportunity for the girls to promote equality across female rugby league," South said.

"With the growth over the last few years we believe now is the time to attract girls lost to other sporting codes and attract new participants."

BEHIND THE MIC

GET TO KNOW ME Mini Rabs.

The Panthers Juniors RL competitions resume this weekend after a seven month lay off. I have been lucky enough to receive the opportunity to do the play-by-play commentating for a few matches every week.

Although I did call a few grand final games last season, most of you won't know who I am.

Who are you and what is your rugby league background?

- My name is Michael Ponticello.
- I am now 20 years old and have been watching footy since 2011.
- I have been a Manly Sea Eagles fan ever since and have had the dream to be like my hero Ray 'Rabs' Warren and become a professional sports commentator.

What are you most looking forward to in this 2024 Panthers Juniors season?

- I am especially looking forward to being a part of the BEST junior competition in the world and seeing all the up and coming stars rise through the ranks.
- I am also very keen for the themed rounds this year, especially magic weekend and ANZAC Round...

This year's competitions are set to be some of the biggest ever.

I will be commentating alongside Paddy Tobin at Peppertree this weekend, so come say hi!

FROM THE REFEREES

WHY ARE THERE DIFFERENT COLOURED LINES ON THE FIELD?

Have you noticed in senior footy this year that at grounds the 40m line is marked with red or a different colour paint to the rest of the lines?

This is to assist the match officials identify a couple of things. When a team plays the ball on or beyond their own 40m line ruck and 10m infringements change from penalties to set restarts. Having the visual cue help the match officials in these situations and they also use this for general play kicks.

This is to identify when a team kicks in general play from within 40m of their own goal and the ball enters touch beyond their opponents 20m line (30m line in u18 girls & open women's) they will receive the ball back by way of a tap kick restart 20m in from touch no closer than 10m to the oppositions goal line.

This restart cannot be taken quick and must be only taken after the referee blows their whistle.
