Sometimes it just takes someone walking you through the process. If that's the case, then check out this video series for a detailed description of how to apply for the CPA exam and what it takes to become certified in Minnesota.

### **DISCOUNTS ON SELECT CPA REVIEW COURSES**

**[www.mncpa.org/review](http://www.mncpa.org/review)**

The CPA credential is a worthwhile investment that pays off with a salary that's, on average, 10 percent more than those without the certification. But you don't have to wait to put, or in this case keep, more money in your wallet. Mention the MNCPA group discount to review providers like Becker, Gleim and Roger CPA Review, and start saving now.
