# PRAY + PROPHECY + PLAN = Building with God

## ***1 Corinthians 3:9***

“For we are God’s fellow workers; you are God’s field, God’s building.”

Because God has given us dominion over the affairs of the earth, he has bestowed upon us the task of building on His behalf for the benefit of His creation.

God has empowered us to build ourselves, our families, and any endeavor in the spheres of influence that have been appointed to us.

## **Why it is important for us to build with God?**

### ***Psalm 127:1a***

‘Unless the Lord build the house, they labor in vain who build it,’

*Without Him*, anything we build is not sustainable.

- Through His creative counsel and wisdom, we are able bring solutions to the world’s problems.
- What we build with God can turn the present culture, bringing transformation, opening the doors to disciple communities, regions, and nations.
- What we build with God is meant to become a platform in which the next generation can build for the future.

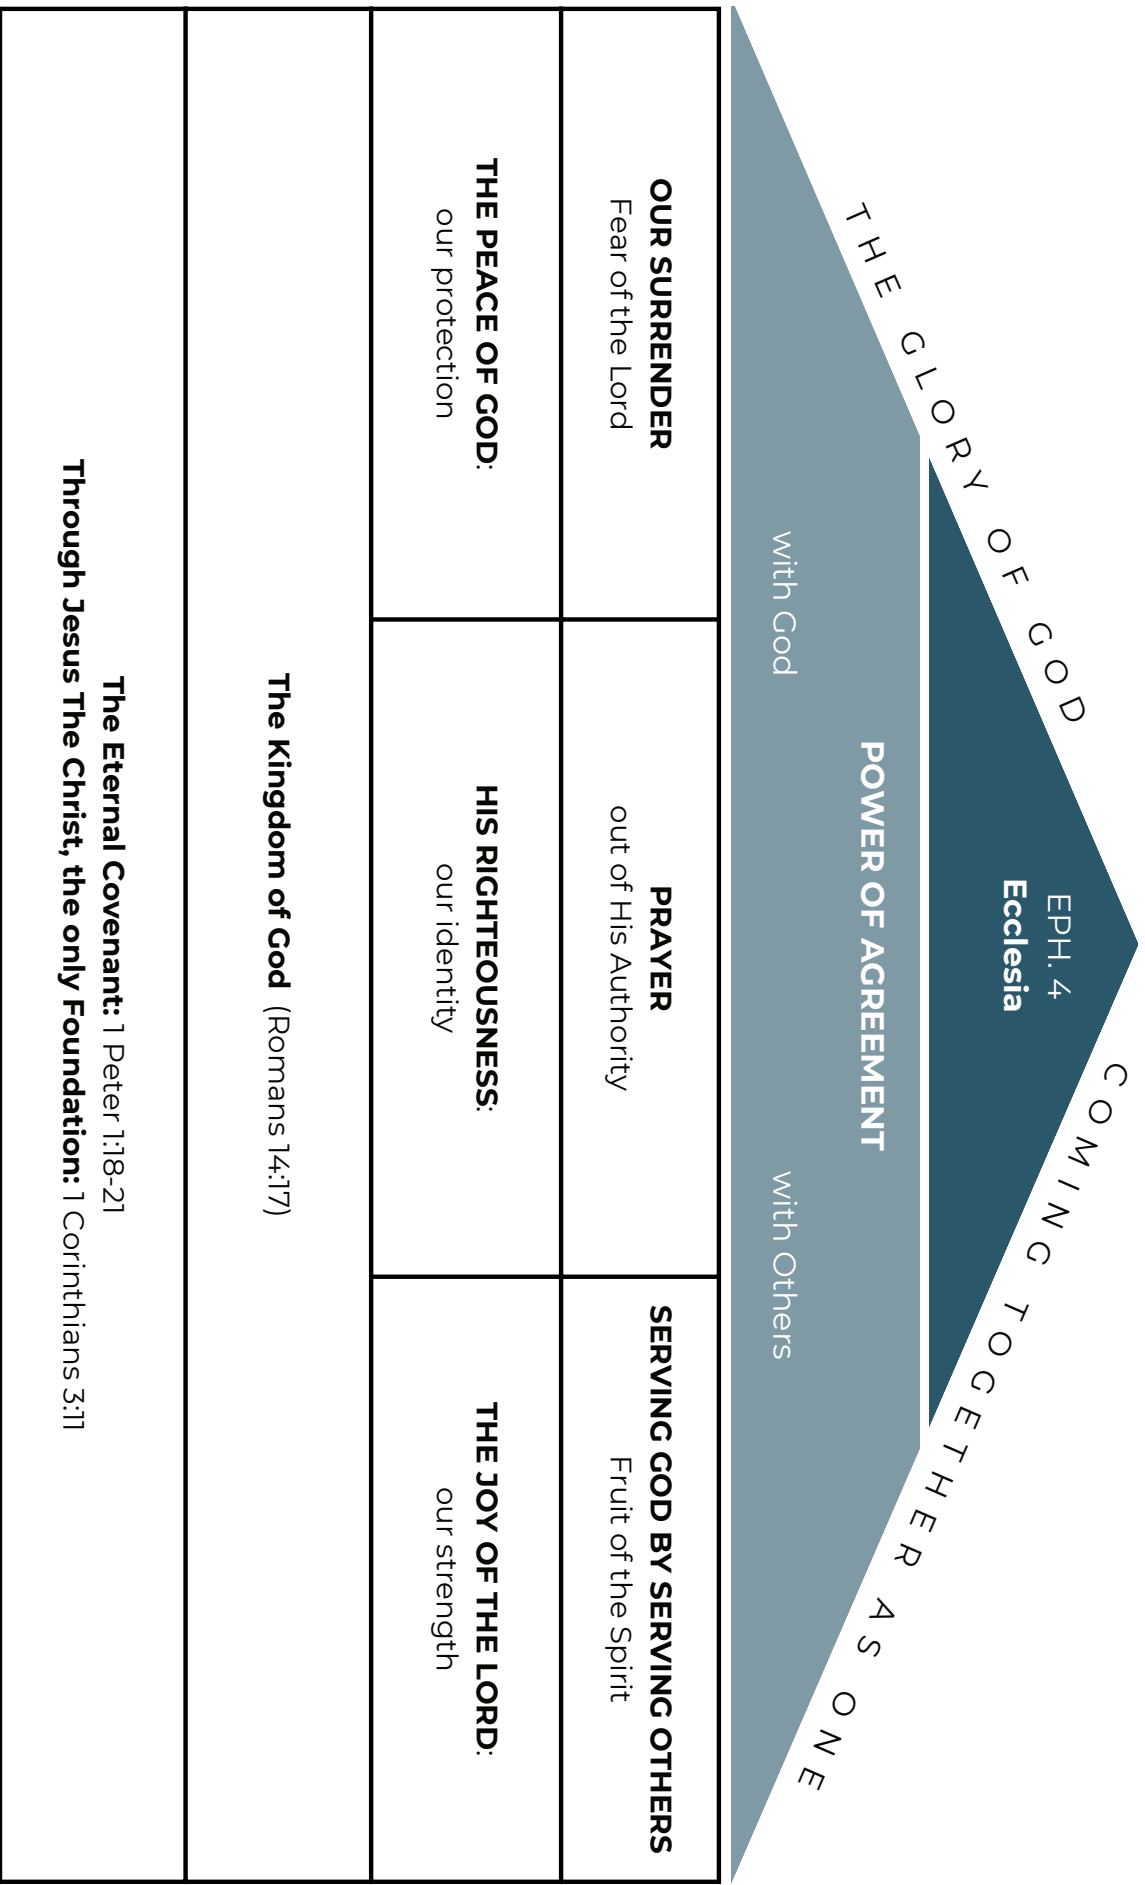

## **Examples of building:**

### ***Proverbs 14:1***

The wise woman builds her house. But the foolish tears it down with her own hands.

### ***1 Corinthians 3:10***

“According to the grace of God, which was given to me, like a wise master builder I laid a foundation, and another is building on it. But each man must be careful how he builds on it.”
