TRAVEL MAKES THE HEART GROW FONDER

How do you know that something is truly important? You feel its absence when it's gone.

It has never been more apparent that travel is a necessity, not a luxury. Travel unbinds us. It offers us fresh perspectives. It reveals the parts of us we never knew existed. The intoxication of seeing a foreign land has kept explorers pushing off from the shore for centuries. And like those ancient voyagers, today's travelers look forward to their next global adventure.

In this moment, when the future of travel seems uncertain, we must reaffirm *why* it really matters. A well-planned vacation can offer respite from a busy schedule, a chance to reconnect with loved ones, or to get away on a solo adventure—with snapshots, albums, and stories that capture lifelong memories. But it's also more than that. To see the world is a gift of life's most precious resources: time, togetherness, and perspective.

*Travel speaks to the heart and helps it grow fonder—
fonder of feeling alive.*

That's why we're bringing you our new **Travelogue**, a digital catalogue experience that makes planning that perfect getaway even easier and more authentic. This customizable guide provides interactive features, immersive image carousels, 360° property videos, and informational content, and it all can be shared at a moment's notice.

Because Apple Vacations will never stop innovating ways to keep you exploring the globe. We want to witness your first deep breath in—the deepest you've taken in months—as you disembark a plane in the tropical air. We want to see you savor your children building sandcastles along pure, white shores. We want to be there as you dive headfirst into turquoise waves or toast your true love in front of a stunning sunset.

Travel makes the heart grow fonder. That's why we provide our customers with the very best—from world-class destinations to our new guide that helps get them there—so our vacationers can discover, time and time again, why travel is essential to a life well-lived.

WELCOME TO TRAVELOGUE, A DIGITAL EXPLORATION OF MEXICO!

We are happy to offer you a more immersive catalog experience with **Travelogue: Mexico**! You'll find expanded stories, more images, and videos on full-page hotel listings designed to create a truly unique preview of all that you can discover in Mexico.

GROUP TRAVEL

Don't just "share" your vacation memories—experience them with the ones that mean the most to you. Apple Vacations loves groups of all kinds and sizes. And we share the love by offering personalized service and great group discounts in the form of free stays, airfare credits, and promo codes.

Group-Ease™ makes booking groups of 10 passengers or more a breeze! Enjoy group discounts without signing a group contract or having to put down an upfront group deposit. Better yet, each household books individually, so the group leader isn't taxed with completing paperwork and collecting payment from the entire group. Every traveler in the group saves by using a shared promo code, and the wedding couple receives a voucher toward an anniversary return stay with Group-Ease bookings of 5 rooms or more.

Traditional Groups of 10 rooms or more enjoy the benefits of free hotel stays, aggressive advanced pricing and even airfare credits if the group qualifies. Opt for a traditional group booking to ensure your quoted price is locked in, and your airseats and hotel rooms are locked in for the life of your group. This is a great option if you are booking a popular hotel or traveling over a peak period.

Weddings and Get-Togethers become dream events in paradise. From large galas to intimate vows while barefoot in the sand, custom-design your event, or choose one of our unique packages. Many hotels even offer FREE weddings! Apple Vacations will handle all of the travel arrangements, and set you up with the hotel's wedding coordinator, who will take care of all the details for your once-in-a-lifetime event.

Get started on creating memories that will last a lifetime! See your travel advisor or [visit us online](#) today.

WELCOME TO MEXICO

Awe-inspiring resorts, set on powdery sands on sprawling coastlines. Darling coastal villages, where *fútbol* is played by youngsters on the same streets the greatest European conquistadors and Aztec, Incan, and Mayan warriors once strode; where old traditions live on, tortillas are still handmade, chocolate is served spiced, and Mayan and Nahuatl languages flow like the rivers that run through the country's jungle.

These are only some of the lasting impressions made by the United Mexican States, the 11th most populated country in the world. Featuring a landscape that offers sugar-white beaches and cinnamon deserts, cities both forgotten and remembered, and restored colonial hubs in between, it's no wonder why so many Americans cross the second-longest border in the world each year in search of paradise.

They head south to feel the kiss of the sun on their skin and the whisper of clear water at their feet. The rush of warm air as they zip through lush rainforests, countered by the crisp coolness of a refreshing cenote. The taste of pestle-ground guacamole, filling tamales, savory barbacoa, or heavenly carnitas, spiced with fresh chiles and tempered with a cornucopia of tropical fruit and mild cheeses.

From the Sea of Cortez to the Yucatan Peninsula, and the Gulf of Mexico to the Pacific Ocean, the magic of Mexico awaits, each destination eager to make its own lasting impression.

CANCUN

A Place Like No Other

One of Mexico's most beloved beach destinations, developed exclusively with tourism in mind, the tip of the Yucatan Peninsula is perhaps the best example of a crowd-pleasing destination on this side of the Americas. The sun worshipper and water lover; historian and adventurer; spa hopper and wildlife explorer; gourmand and gourmet; families with children in tow, empty nesters, and couples in every stage of love ... there truly is something for everyone in this slice of paradise along the Caribbean Sea.

At the heart of the action lies Cancun, a seven-shaped strip of stunning resorts set on 14 miles of bright white, crushed coral beaches, and host to over 3.3 million visitors per year. Divided into the popular and lively Hotel Zone, Downtown Cancun, and the Ecological Reserve, golf, snorkeling, scuba diving, wind surfing, water skiing, sailing, deep sea fishing, and jungle tour opportunities all tempt loungers to leave the sugary sand, no matter in which region they set up their chairs.
