**To make things go a little more smoothly, please read the following guidelines**

- Please prepare for the readings at least several days in advance. Ideally, the readings should be part of your prayer and scripture study during the week. Hopefully, this will help strengthen our ability to deliver the word with boldness and confidence.

Please also include the responsorial psalm in your preparation. Most of the time, the lector will be asked to read the verses while the response is sung. Please arrive 20-30 minutes early to practice with the choir.

- If you cannot serve on the day you are scheduled, please find a substitute from one of the other parish lectors. Please allow at least a week's notice to give your replacement adequate time to prepare. Let Greg know who your replacement will be. We understand that last-minute emergencies do happen. Please contact Greg if such situations happen.
