Central NC ACS 18th Annual Poster Vendor Night (PVN)

Poster Vendor Night will be held on Tuesday, April 10th, 2018 at the Syngenta Auditorium in Greensboro from 3 to 7 pm. Easily the biggest event of the year, PVN is a unique opportunity to showcase your industrial or academic research to chemists, faculty, graduate and undergraduate students in the Piedmont Triad area, while at the same time taking in some of the great research from groups in the region. PVN is a fantastic opportunity for networking and for having in-depth discussions with a variety of vendors. You do not need to be an ACS member to attend the meeting.

Your attendance is important as the vendors financially support our local section enabling us to invite a noted speaker in September. Past speakers have included:

Nobel Laureate John Fenn, (ESI Mass Spectrometry),

Dr Gary Glish, UNC-CH (Mass Spectrometry)

Dr. Min Tang, Marc Edwards Lab at Va. Tech, (Lead Contamination in Flint, MI Water)

Martin Knuth, CEC Inc, (Chemistry in Fracking Processes)

Fred Frike, FDA (Forensic Techniques to Combat Drug Counterfitting and Tampering)

Dr Kristina Thayer, NTP (Effects of Bisphenol A on the Human Reproductive System)

Jennifer Remy, SBI (Chemistry of methamphetamines)

This year, we have moved to having posters submitted through Google Forms: <https://goo.gl/forms/wyOmND1YSRkYzmJM2>

So please mark your calendars for Tuesday April 10th and consider presenting a poster. We are also in need of judges for the evaluation of graduate and undergraduate student posters. If you are interested in judging, please contact the PVN organizing committee at: cncpvnight@gmail.com .

We look forward to seeing you on Tuesday, April 10th.
