## May Section Meeting

Please join us for a joint meeting of the CNC-ACS Local Section and Senior Chemists Group. The evening's presentations will be conducted by members Cynthia Williard on hobbies and by Bruce McKillican, Jill Keith, and Ralph May on careers. The potluck hospitality will begin at 6:30 followed by presentations about 7:15. An entrée and drinks will be provided but we ask those attending to bring a dish to share. Please attend even if you do not have time to prepare a dish - there is always plenty. However, we ask for RSVPs (Gail Webster [gwebster@guilford.edu](mailto:gwebster@guilford.edu)) by May 7 so we will know how many drinks and entrees to purchase.

# Greensboro Earth Day Stream Cleanup

Each year as part of the City of Greensboro's Earth Day Activities, volunteers from the CNC-ACS clean a stream that runs along an old abandoned railroad line not far from First National Bank Field, home of the Greensboro Grasshoppers.. TJ Mayer and Bill Eberle removed debris from the stream and railroad bed. The cleanup should become a little easier next year as the city is in the process of converting this area part to become part of the Greensboro Greenway
