## Central North Carolina Local Section Senior Chemists Group Meeting November 1, 2023

The Senior Chemists Group meeting was held in the New Science Building at WSSU and attended by Dennis and Carol Tabor, Rod and Sharon Bennett, Ed Koos, David Pollard, Ryan Fitzgerald, Jill Keith, Cynthia Williard, Debbie Pritchard, Kent Kabler, Ahmad Deeb and Siham Rahhal, Robert and Phyllis Yokley, and guest speaker Dr. Jerry Pubantz.

Dr. Pubantz's presentation, titled "One Land, Two Peoples, and America's Essential Role in Resolving the Palestinian/Israeli Dilemma", was very insightful and informative. Although his presentation was from 7:15 to about 8:15 PM, he was still answering questions and leading the discussion past 9:00 PM. There was too much information for me to capture in this report but Dr. Pubantz summarized by saying he could think of valid reasons why both Palestine and Israel feel they are each entitled to the "One Land" and that it was going to be necessary for someone (USA, other) to step-up and serve as an intermediary and negotiator to establish a satisfactory compromise (if that is possible).
