## What's the plan?

We have a 3-phased plan for our parks.

Phase 1-We purchased new playground equipment for both playgrounds and it is ready to be installed!

## Are there other ways to help?

YES! We need to repair and paint the pavilion.

We have new picnic tables on the way!

## What's next, you ask?

Phase 2-Raise more funds for the parks

Phase 3-Expanding to include a walking path

Help assemble and place new playground equipment, every weekend, starting June 18<sup>th</sup>
