OR-GRADE SURGICAL INSTRUMENTS

I N T R O D U C T I O N

MeisterHand® Instruments are expertly crafted from surgical grade stainless steel German forgings and meet the very highest Operating Room quality standards and specifications.

This new instrument line is advantageously priced while offering greater quality and value compared to instruments from any other source.

A wide range of General Instruments are included in the MeisterHand® line as well as an extensive selection of Specialty Instrumentation ideal for a variety of surgical procedures and settings.

WARRANTY

Miltex hereby warrants all MeisterHand® instruments purchased directly from Miltex or an Authorized Dealer in accordance with the following terms and conditions:

All MeisterHand® instruments are guaranteed to be free from defects in material and workmanship when used for their intended surgical purpose. Any MeisterHand® instrument that proves defective in workmanship or material will either be repaired or replaced, at the discretion of Miltex, without charge.

The above is a limited warranty and is the only warranty made by Miltex. Miltex makes no other warranty, express or implied, including any warranty of merchantability or fitness for a particular purpose.

All instruments shown in this catalog are made of stainless steel, unless otherwise indicated.
