

## BEST BUDDY PET PORTRAITS

Professional New York artist and designer, Bobbi Egan, leads an acrylic pet portrait class at Waterway Art June 6 from 9:30 to 3:30. She will be discussing how to crop your picture for best composition, understanding values and shapes, and color mixing to create a realistic 12x12 inch portrait.

Bobbi is a lifetime artist with over 20 years of professional experience as an illustrator and graphic designer. She is a graduate of the School of Visual Arts, New York, NY and has conducted numerous workshops for all ages groups.

WAA is pleased to host her class as she visits family in our area. You can find out more about Bobbi at [began.marketing@gmail.com](mailto:began.marketing@gmail.com)

UPDATED DIRECTIONS: Bring **one color image**/photo of your pet; preferably a 3/4 view with a strong light source. In addition, bring along **a black and white copy** of the same image enlarged to fit on a 12x12 canvas. Two 8.5 x 11 inch copies may be taped together to make one picture. We will transfer this onto the canvas and use both reference photos to understand values, shapes and color ranges.
