Student Hub (Online Resources for Learning)

<https://tcapadgate.sharepoint.com/sites/StudentShare>

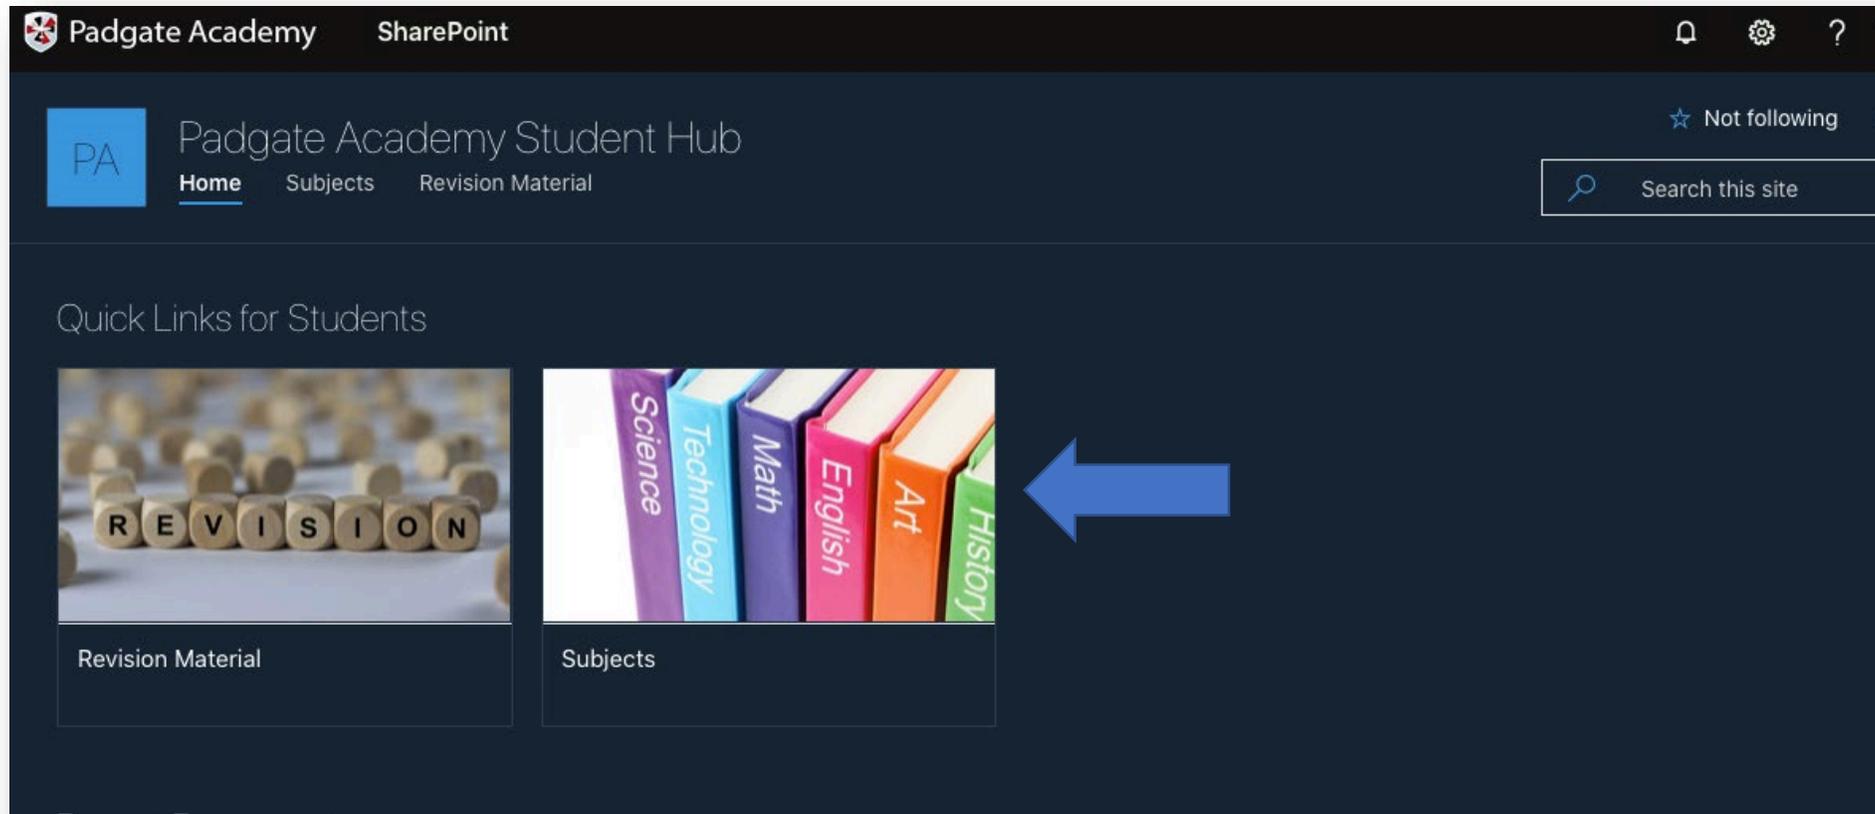

3. Enter your school email address and press next to enter your school password. Your email address is your username, followed by @padgateacademy.co.uk

4. Once you have signed in, you can browse work by clicking on 'Subjects'

5. You can then browse to your required subject and download the worksheet by clicking on the name. An example of an English worksheet is provided below.
