25th November 2022

Dear Parent or Carer

Year 7 Student Examinations (28th November – 16th December 2022)

The student examinations begin on Monday 28th November. They are a good way for students to get into good habits with regard to revision and organisational skills. Teachers will gain a better understanding of what knowledge students know and what they don't know. This evidence will then be used to plan future lessons and future interventions.

As part of the preparation for the examinations all students have been provided with an examination timetable and information on where to find revision resources including useful websites to aid with their revision, please see attached document.

Please encourage your child to work through the tasks set for each subject to aid their revision and progress and ensure that they bring the correct equipment required for each examination.

If you require further information, please do not hesitate to contact me via e-mail at dbalmer@padgateacademy.co.uk

Yours faithfully

Ms D. Balmer
Director of Studies
