## Book Publishing Experience

### Editorial Consultant | Multiple Clients

1989-present

Collaborate with best-selling authors, successful professionals, and emerging writers to polish their nonfiction and fiction manuscripts and proposals. My services include developmental editing, line editing, copyediting, proofreading, ghostwriting, and research.

#### Recent projects:

2/23-5/24: *Climate Obstruction across Europe* (co-editor with Robert J. Brulle, Ph.D. and J. Timmons Roberts, Ph.D.; Oxford University Press, June 2024). Served as managing editor for volume of essays by global experts on organized opposition to action on the climate crisis. I provided developmental editing, line editing, and proofreading through multiple chapter drafts and prepared the final manuscript for submission. I also shepherded the project from conception through production, including scheduling, trafficking, and liaison with the publisher.
