* Provide Copies of 2 forms of valid US or Canadian Government issued ID or passport

* If applicant has been convicted of a crime in Canada, they will need to obtain their court records separate from criminal record check services. Processing time for applicant with convictions can take up to 6 months.

** RCMP Can take up to 30 days to process reports for CCRC mailed directly to the applicant. Please note that there is no way to follow up on the status of the application until you receive the report. Live Scan and More does not take any responsibly if the mail is lost.
