

## Customer Incentive Program

Reviews: All reviews must be 5-Star Review. We are not fishing for 5-Star reviews but expect our customers to have a 5-Star experience. If there is any reason that you feel your experience was less than 5-Stars, let your rep know and we will make it perfect. Reviews are per person. For example, if you and your significant other leave a 5-Star Google Review, that will equate to \$50.
