

KIDS' TRAIN SHOW

Hosted By
The National Capital Trolley Museum
and the
Washington, Baltimore and Annapolis Train Club

SATURDAY, MAY 11, 2024
1313 Bonifant Road
Colesville, MD 20905-5955

Imagine you are a little kid walking into an auditorium and seeing and hearing eight model trains running at the same time.

First you will see one of your old friends, Thomas the Train whirling around the track, trailed by other familiar faces such as Claribel and Annie. And there, just ahead, is the LEGO train that offers new and creative opportunities to young rail enthusiasts.

Youngsters will become familiar with different scales of model trains. They will see a running N-Scale, HO layout, O-scale, and a G-scale layout. They will see operating examples of rare older model trains and exciting accessories. How about an opportunity for the younger kids to play with wooden trains on a large table-top layout?

Quiet Hour – 11:00 AM to Noon (Visitation time for special needs kids only)
Public hours - 12:00 Noon – 4:00 PM
