TIE-DOWNS

To make using a strap easier, safer and more convenient for customers, STANLEY has developed an exclusive new range of straps, designed with a clever combination of shapes and curves, which make them more ergonomic and practical to use. Stanley ratchet tie downs, spring clamp tie downs and lashing straps feature strapping for added durability and strength.

THE RIGHT TIE-DOWN FOR THE JOB.

Pick a hook that suits your needs, some hooks are lockable, some are hooks can grip other hooks.

Make sure the tie-down you chose can withstand the workload.

Straps come in various lengths. Make sure you have some spare length.

All our straps are TÜV / GS tested and certified

Different ratchets for each application. Some include rubber coated grips.

STANLEY products are packaged in an environmentally friendly box. Interactive packaging means the product can be touched and felt in stores. A guide on the packaging makes information on the products easy to understand.

HEAVY DUTY RATCHET TIE-DOWNS

The STANLEY tie-downs S1000 - 1005 are the perfect solutions to a wide variety of light-weight tasks. The combination of speed and durability make them a great choice for securing appliances, lawn equipment or small personal motor-sports onto a trailer.
