

VALLEY PRIMARY CARE ASSISTANCE

SUPPORTING YOUR PRACTICE, ENHANCING YOUR CARE

Patient Forms

Patient forms can create a significant workload in primary care practice. Valley Primary Care Assistance provides an alternative to spending precious hours on these time consuming processes. Forms that we can help with include, but are not limited to;

- *Disability Tax Credit Forms*
- *Insurance Forms*
- *WSIB Forms*
- *VAC Forms*
- *ODSP/OW forms*

This is provided as a remote service, and includes phone contact of patients as required to clarify information and provide the most up to date medical information

Do you have forms that require in-person assessment (i.e Driver's Physicals, initial VAC or ODSP applications etc)? Let us know. We will work to arrange a clinical day at your location to get these completed
