GROUP TRAVEL PLANNING MADE EASY

Cruise Planners, an American Express Travel Representative, makes it simple to plan events on any cruise line or hotel resort of your choice. Virtually every cruise line and hotel resort has a group program that offers special benefits. To qualify for group rates and amenities, as few as 10 people need to travel together.

With 20 years+ planning experience, we make it easy. We are by your side for each step. We handle the details and provide a group coordinator onsite to assist you.

Enjoy perks, like group discounts and points that can earn your group special amenities.

Customize it. We can arrange private shore excursions and tours, cocktail hours, dinners, wine tasting or other events, just for your group.

No payment headaches. Each person can pay individually, or as a group. We will handle it all with the convenience of using our online group registration program.

MORE THAN JUST CRUISES

Cruise Planners – American Express plans memorable trips with land-based properties, tickets to events worldwide, air, car and all-inclusive hotel packages.

ESCORTED TOURS

Escorted tours include food, admission to parks/museum and all accommodations. Travelers can skip long lines, see more of the country side, towns and villages. Also, to experience the authentic local culture, travelers can interact with locals by visiting them in their daily routine or even their homes.

PLENTIFUL RESTAURANT OPTIONS

Food in regions such as the Caribbean can get expensive, but when resorts are able to bundle it all together, it's more reasonable for consumers. Most all-inclusive resorts offer gourmet steak houses, Asian grills, Italian cuisine, 24-hour pizza bars and more. When traveling abroad, your group may also want to experience the local fare native to the region.

TRAVEL SAFETY

Most tourist destinations offer security, and locals in these areas understand how vital tourism is to the local economy. As always, no matter where people travel, it's important to be aware of their surroundings, secure travel documents in the in-room safe, and use reputable transportation and tour operators.

ADD-ONS AND EXCURSIONS

Book excursions and events beforehand to get the best seats and value to be sure they are not sold out. Add-ons may include golf tee times, spa treatments, island tours, adventure excursions, wine tasting and more. Cruise Planners also offers tickets for sports, concert and theater events worldwide.

TRAVEL ADVISOR BENEFITS

You do not pay for our travel services, yet we are always working in your best interest. We can secure added amenities, great prices and added values not readily available to consumers. Cruise Planners offers value, convenience and expertise.
