you  
Bewitched  
Without  
Knowing It?**

1

PLEASE NOTE WE USE THE TRUE NAMES OF OUR CREATOR AS THERE IS POWER IN HIS NAME.

- God and LORD are Titles and is NOT His Name, Yahuwah is Our Heavenly Father.
- Jesus has no meaning Yahusha means Yah is our Salvation.
- Elohim means Mighty one or Mighty ones
- –Did you know that the real name of our Heavenly Father is Yahuwah in Paleo Hebrew the original Hebrew language and that Bible Translators admit to removing His Name over 7000 times from our Bibles and replaced it with the Title LORD, God and Hashem?

What would you do today if I told you that you were going to come face to face with a sorcerer who is going to try and put a spell on you? Would you pray like you never prayed before? Would you avoid at all costs being put under a spell? I am sure you would. What if I were to show you that the whole world is at this very moment being bewitched by sorcery?

When I mention the word sorcery what is it that comes to mind?

Revelation 18:23-24 “And the light of a lamp shall not shine in you any more at all. And the voice of bridegroom and bride shall not be heard in you any more at all. For your merchants were the great ones of the earth, for by your **drug sorcery** all the nations were led astray. 24 “And in her was found the blood of prophets and set-apart ones, and of all who were slain on the earth.” (The Scriptures 2009)

**Everyone that will be deceived and lost in the last days will end up lost because of their involvement in sorcery.**

The use of power gained from the assistance or control of evil spirits especially for divining/necromancy (communicating with the dead), magic, divining, witchcraft, bewitchment (entranced).

Q1: What is the meaning of Sorcery?

Greek word for sorcery in Strong's H5331 is Pharmakeia (the use of medicine or drugs), in English Pharmacy or Pharmaceuticals. What do we get from a Pharmacy? Drugs.

Q2: What is the meaning of sorcery from the Strong's root Greek word?

The definition for Sorcery is anything that medicates the mind that it will not follow the will or instruction (law-Torah) of Yahuwah.

Q3: So how would you explain in simple language what sorcery is according to Scripture?

Anything that medicates the mind, such as Moruana, cocaine, crack, alcohol, medicate the mind to the point that it is impossible for it to obey Yahuwah. Now do you know anyone who may be struggling with sorcery?

Q4: Can you think of anything that medicates the mind that would not allow an individual to follow the will or law (Torah) of Yahuwah?

Alcohol can medicate the mind so that the individual has no desire to follow the law of Yahuwah. Another word for medicate is spirits.

The reason why some of these habits are so hard to break is that we are not dealing with the natural realm **but with supernatural things.**

Can television medicate the mind that it has no longer a desire to follow the will or law of Yahuwah? **Yes, it can.**

Can music medicate the mind? We are up against sorcery without even knowing it. Most people are being deceived today by Satan's sorcery and treating it as though it was a natural thing.

If we were to sum up drugs and television, we call it the **ENTERTAINMENT** INDUSTRY.

Drugs and alcohol are designed to take our minds away from Yahuwah.

Here is a break down of the word Entertainment:

**Enter** – to come in

**Tain** – to hold to possess

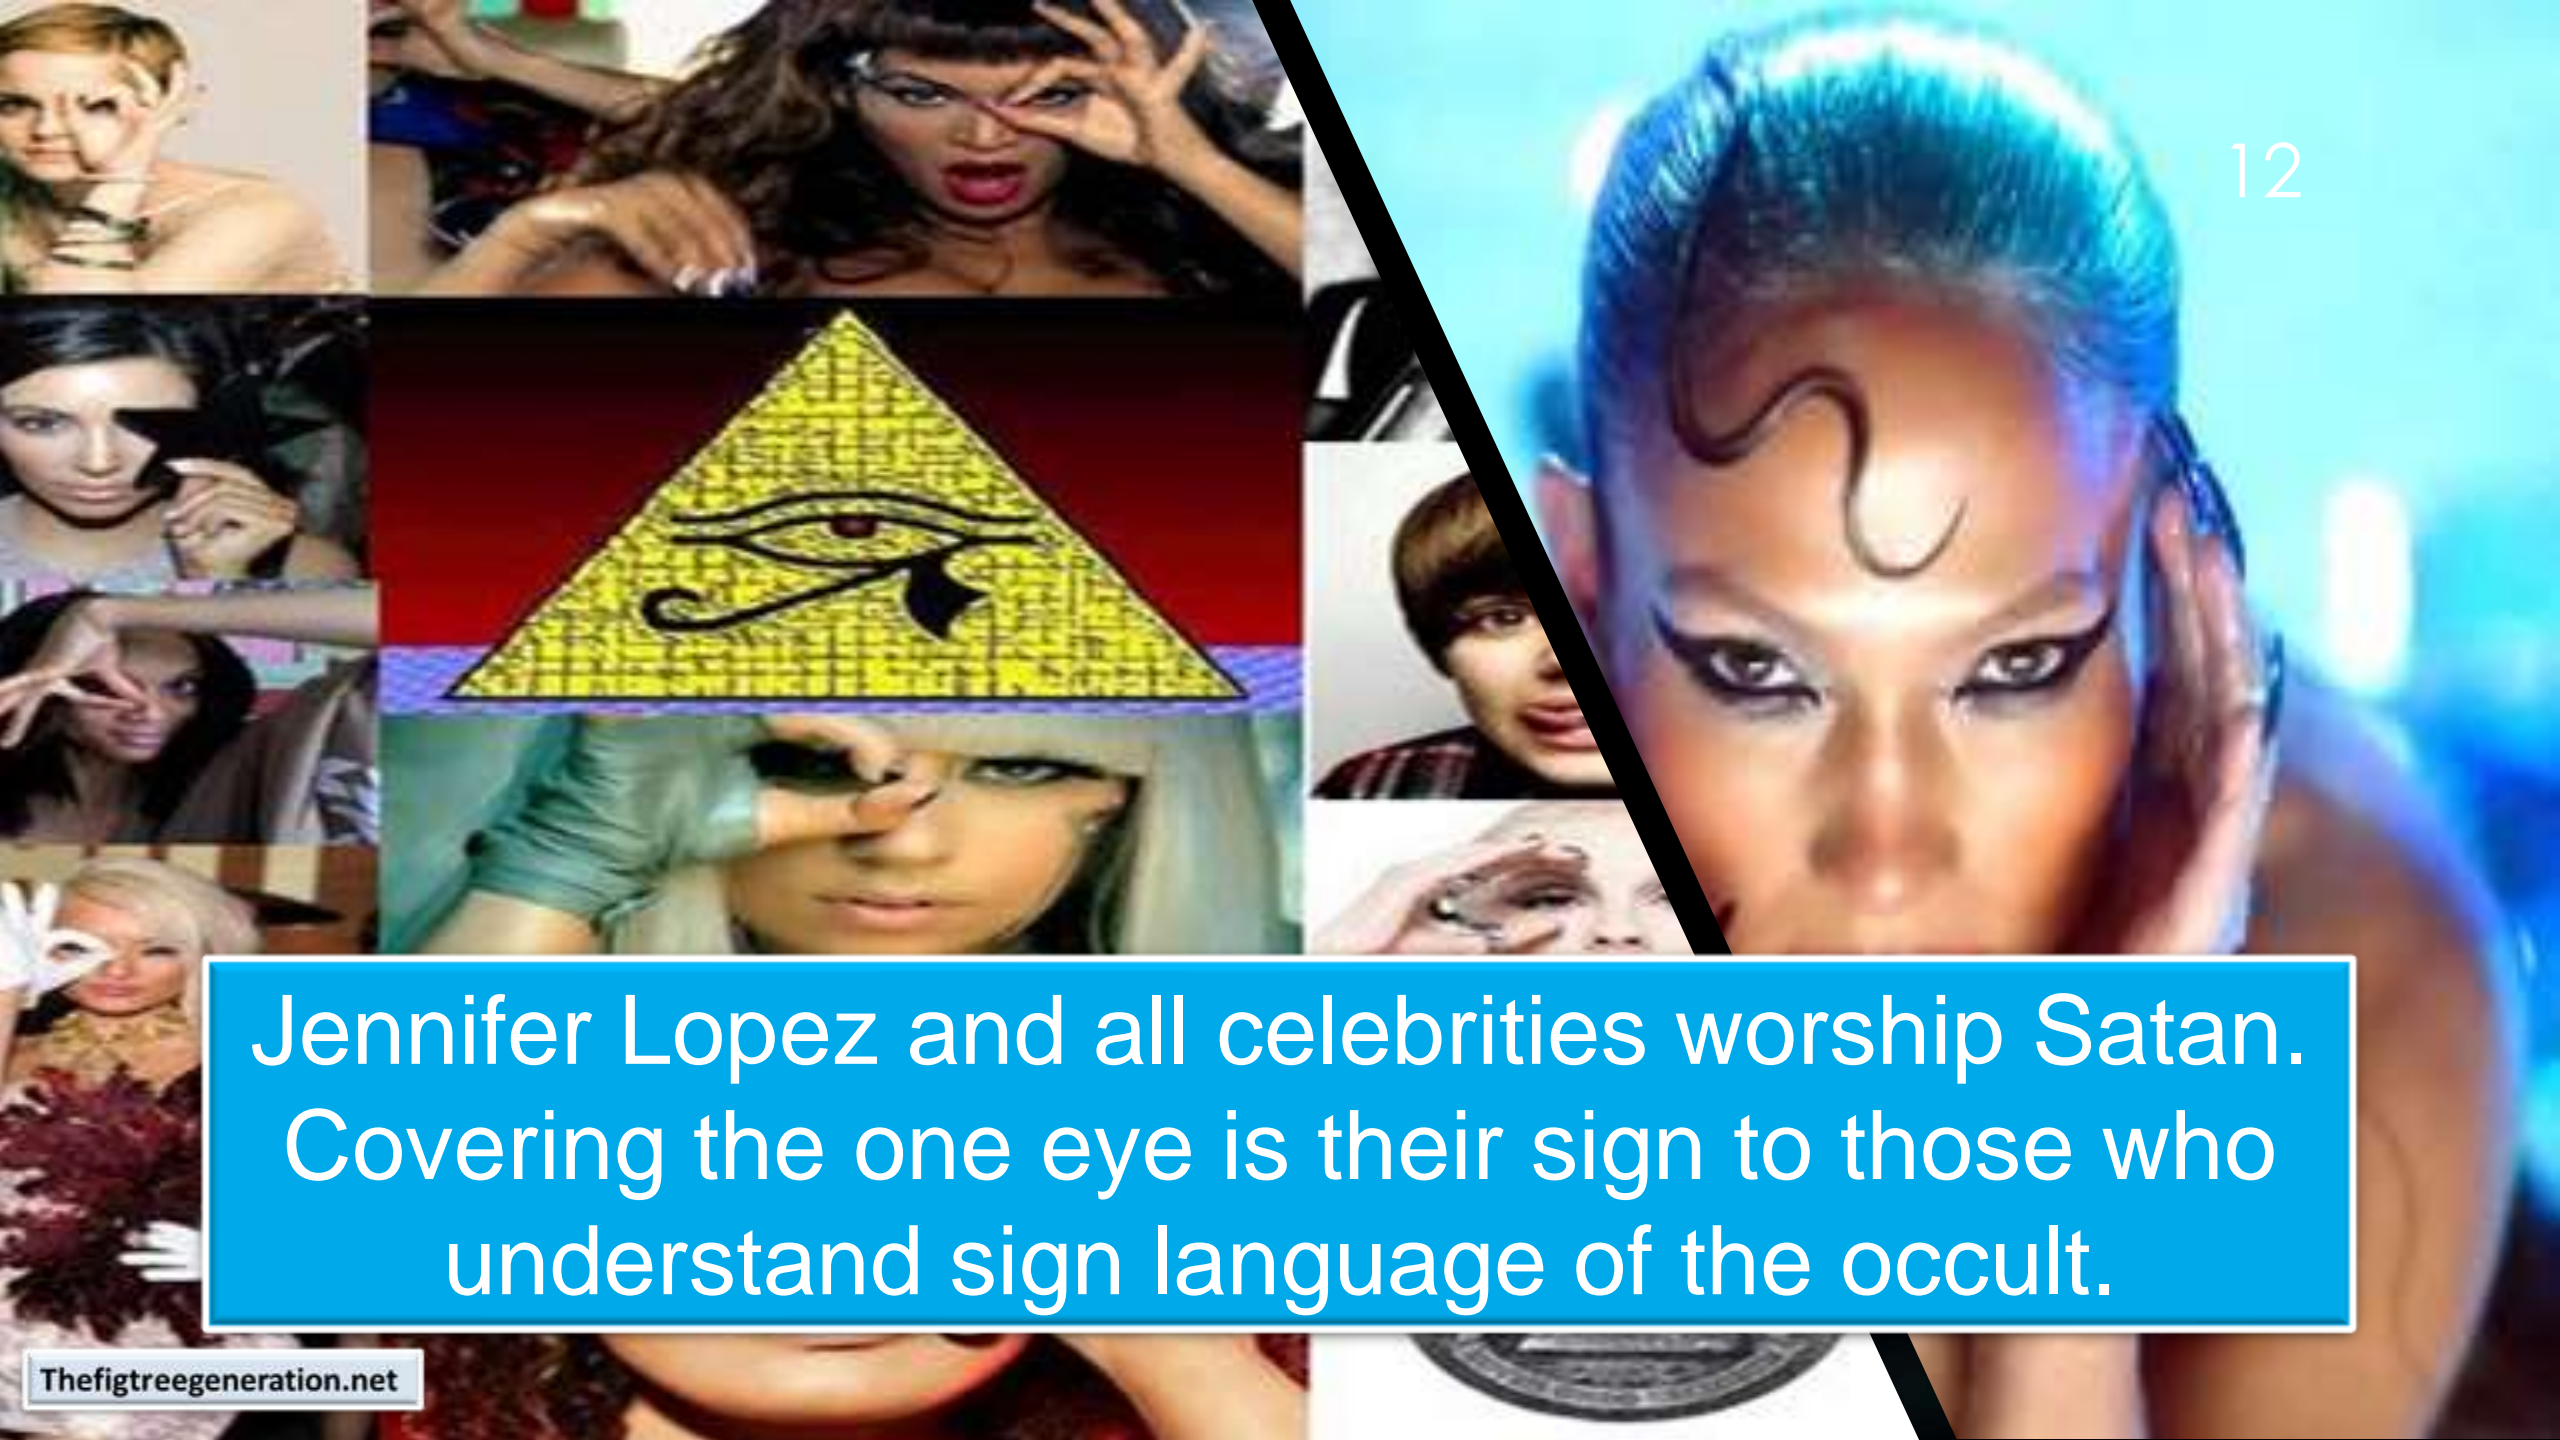

**Ment** – is a state of possession, to keep

Scripture tells us we must be careful to entertain angels. **If it's possible to entertain good angels, then it must also be possible to entertain evil angels.** Greek word for Entertain is to be a host, to invite the devil and his angels.

The Black hole has a gravitational pull that is so strong that not even light can escape from it. Many of us are trapped in the Black hole and don't even know it. There is a way of escape from the black hole. **Coming into obedience of the Torah brings you into the light.**

Q5: What does Scripture warn us about entertaining angels?

Jennifer Lopez and all celebrities worship Satan. Covering the one eye is their sign to those who understand sign language of the occult.

Satan and his angels were cast down into this world, now with the purpose to deceive the whole world. Isaiah 14:12 to 14. Satan wanted to be like Yahuwah, bigger than Yahuwah, more popular and more famous than Yahuwah. Satan wanted to be worshipped like Yahuwah?

Q6: Why was Satan and his evil angels cast out of heaven and thrown to the earth? Revelation 12:9

The desire to become more famous than anybody else, the desire to be worshipped originated with Satan. That is the motivating factor to enter the black hole. **“Wanting to be famous.”** These evil angels were cast out because they desired to be more famous than Yahuwah. Many have **the “I” want, the “I” need desire to be very wealthy,** became more important. **Whereas Yahusha emptied or humbled himself and became a servant.**

Star is a reference to Satan and when Scripture says one third of the stars were thrown out in Revelation, it refers to the fallen angels that were thrown out of heaven. These STARS (fallen angels) were cast to the earth and are doing the same thing they did in heaven, when they deceived the angels. Revelation 12:4 **“One third part of the stars (angels) of heaven were thrown to the earth.”**

Q7: What does the word “star” mean in Isaiah 14:12 to 14?

These fallen angels are now continuing the same thing as they did in heaven, deceiving many into worshipping them knowingly or unknowingly. Turning many away from Yahuwah so they will be distracted and deceived by following them. They are encouraging men and women to call themselves stars. **We have football stars, soccer stars, movie stars, rugby stars, music stars. Does that sound like we are worshipping the “stars?”**

Q8: What are these fallen angels now doing on this earth?

**Do not listen  
to psychics  
or fortune-  
tellers.  
Acts 13:8-12**

**When you come into the land which  
the Lord your God is giving you  
you shall not learn to follow  
the abominations of  
those nations**

**Deuteronomy 18:9**

Scripture warns against astrology. We are not to read our star signs and follow astrology, but to teach against spiritualism and sorcery.

Q9: What does Scripture warn us about astrology and worshipping stars?

And when you look up to the sky and see the sun, the moon and the stars, all the heavenly array, do not be enticed into bowing down to them and worshipping things that Yahuwah your Elohim has apportioned to all the nations under heaven. (Deuteronomy 4:19)... and contrary to my command has worshiped other gods, bowing down to them or to the sun or the moon or the stars of the sky. (Deuteronomy 17:3).

If we are preaching against astrology, we are not to be involved in astrology by guiding our lives according to the lives of the stars, how they dress, how they talk, how they walk and how they act. If we do these things, we are in fact star gazers! We need to turn away from worshipping and following after our movie stars, sports stars and music stars and be imitators of Yahusha our perfect example.

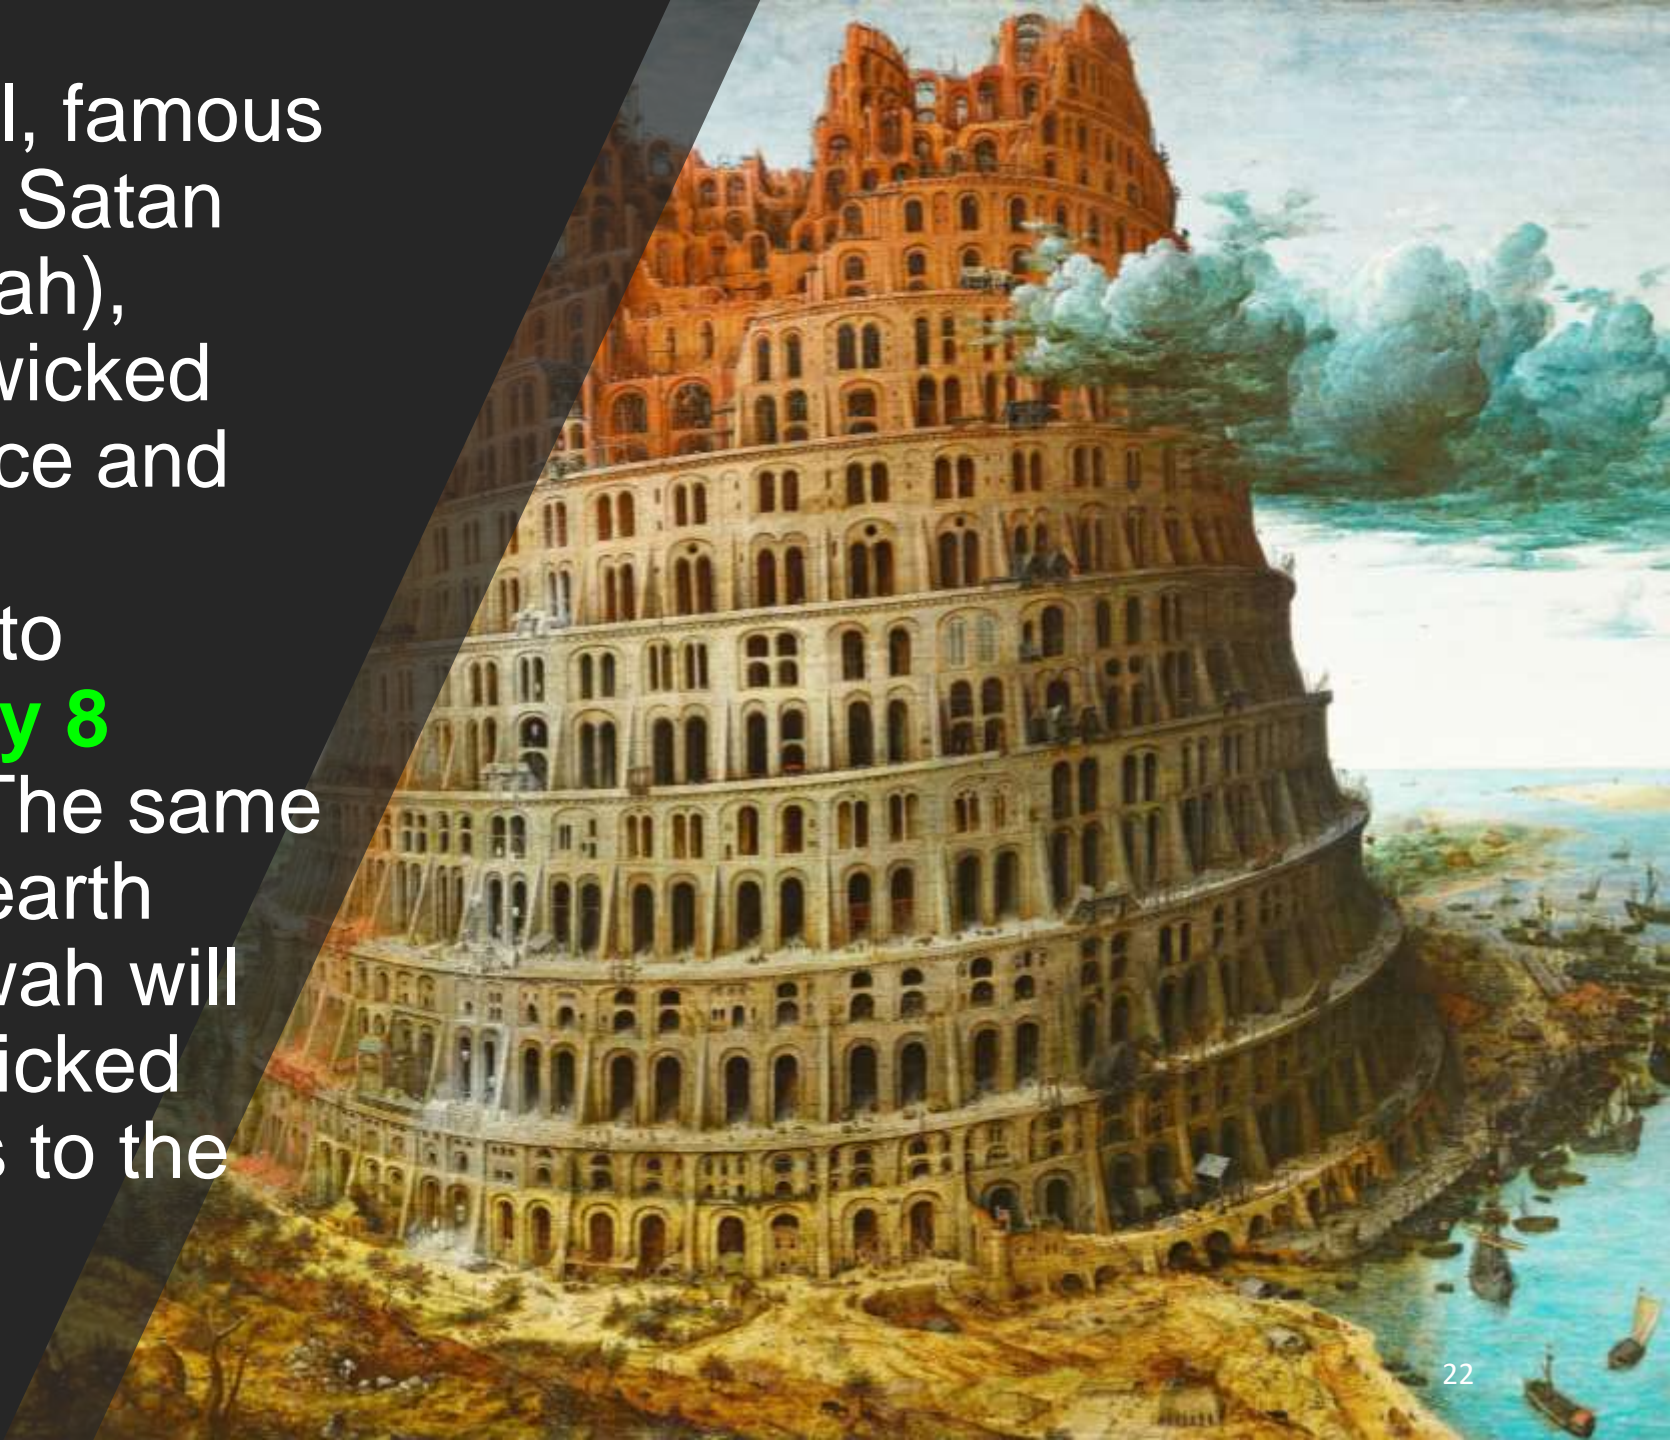

Q10: Who is your star or idol, who do you worship, copy and imitate today?

Satan hated Adam and Eve that were created in the image of Yahuwah. Yahuwah commanded Adam and Eve to multiply throughout the whole Earth but the devil wanted to deceive them into thinking that if they disobeyed Yahuwah and ate from the forbidden fruit they would be “like Yahuwah, knowing good and evil.” In other words, they would become “**little gods**,” the same lie taught today. In Genesis 4:4 we find that they were called men of “**renown**.”

Q11: Why did Satan want to deceive Adam and Eve?

• At the Tower of Babel, famous men (who worshipped Satan and disobeyed Yahuwah), became wealthy and wicked and so evil with violence and sexual perversion that Yahuwah sent a flood to destroy the Earth. **Only 8 people were saved.** The same wickedness is on the earth today and soon Yahuwah will come to destroy the wicked and take His righteous to the New Jerusalem.

Q12: Scripture says these stars were cast into the earth. Where is the home of the stars today?

Los Angeles, **The City of Fallen Angels:** The Hidden Mystery of Hollywood Stars. Hollywood has been a city known for its entertainment, lifestyle and rich culture; but there is a dark side to this city. Los Angeles is a crime hot spot of wickedness, child pornography, sexual perversion, drugs and a money maker for the elite through the selling of drugs, prostitution, and human trafficking.

People literally sell their souls to the devil so they can become a star and be worshipped. Hollywood is the central headquarters where all the mind control, brain washing, perversion, sexual immorality, violence and a hatred for Yahuwah and the Bible is promoted throughout the whole world through movies and the entertainment industry.

Those stars that fell from heaven, are the very wicked angels that today control the minds of people who want money and fame. Hollywood is where the stars have the most influence throughout the whole world through movies, radio, TV, music videos and sports. People worship these stars and live their life imitating these stars.

Q13: Hollywood is the home of the stars but which stars?

- Harry Potter's wand was 11" long, made of holly, and possessed a phoenix feather core. Holly was the sacred plant of Saturn and was used at the Roman Saturnalia festival to honor him. Romans gave one another holly wreaths and carried them about decorating images of Saturn the Ancient Sun god with it. **Centuries later, in December, while other Romans continued their pagan worship, Christians celebrated the birth of “pagan Jesus” in the same way.**

Harry Potter carries a wand made out of the Holly Tree which is one of the nine sacred trees of witchcraft and this particular holly tree, Hollywood was used to put people to sleep. Holly Wreaths displayed in houses at Christmas are also used to keep people in a spiritual slumber while they continue to celebrate Christmas which is in honor of Saturnalia.

Q14: Why does Harry Potter carry a wand and what is the purpose of the wand and holly wreaths?

- The Red berries on the Holly tree are very attractive but if you ate them you could die. The tree was used to put spells on people or to make their transition into death more comfortable. Hollywood is the Magic Wand of the devil and by that wand he is lulling people to a spiritual sleep, lulling people AWAY from a connection to Yahuwah.

When Satan came to Adam and Eve, he used a serpent (medium) to speak to them. Satan entertained them, he came in, possessed them and wanted to keep them in a state of possession.

Thankfully, their eyes were opened when they sinned, and they were naked and ashamed. Adam and Eve repented to Yahuwah and were truly sorry.

Q15: How did Satan deceive Adam and Eve?

AMUSE means to deceive by diverting the attention. We are being amused today by the enemy of souls. Channeling is the ability to communicate with evil spirits or mediums, it's called CHANNELING when we turn that TV on and we start to go through the channels.

Q16: What does the word Amuse mean? What is Channeling?

As we turn that box on and behold certain programs that there is channeling going on in our mind. The devil is communicating his character through many of the channels you and I are watching. Satan wants to communicate his character to you.

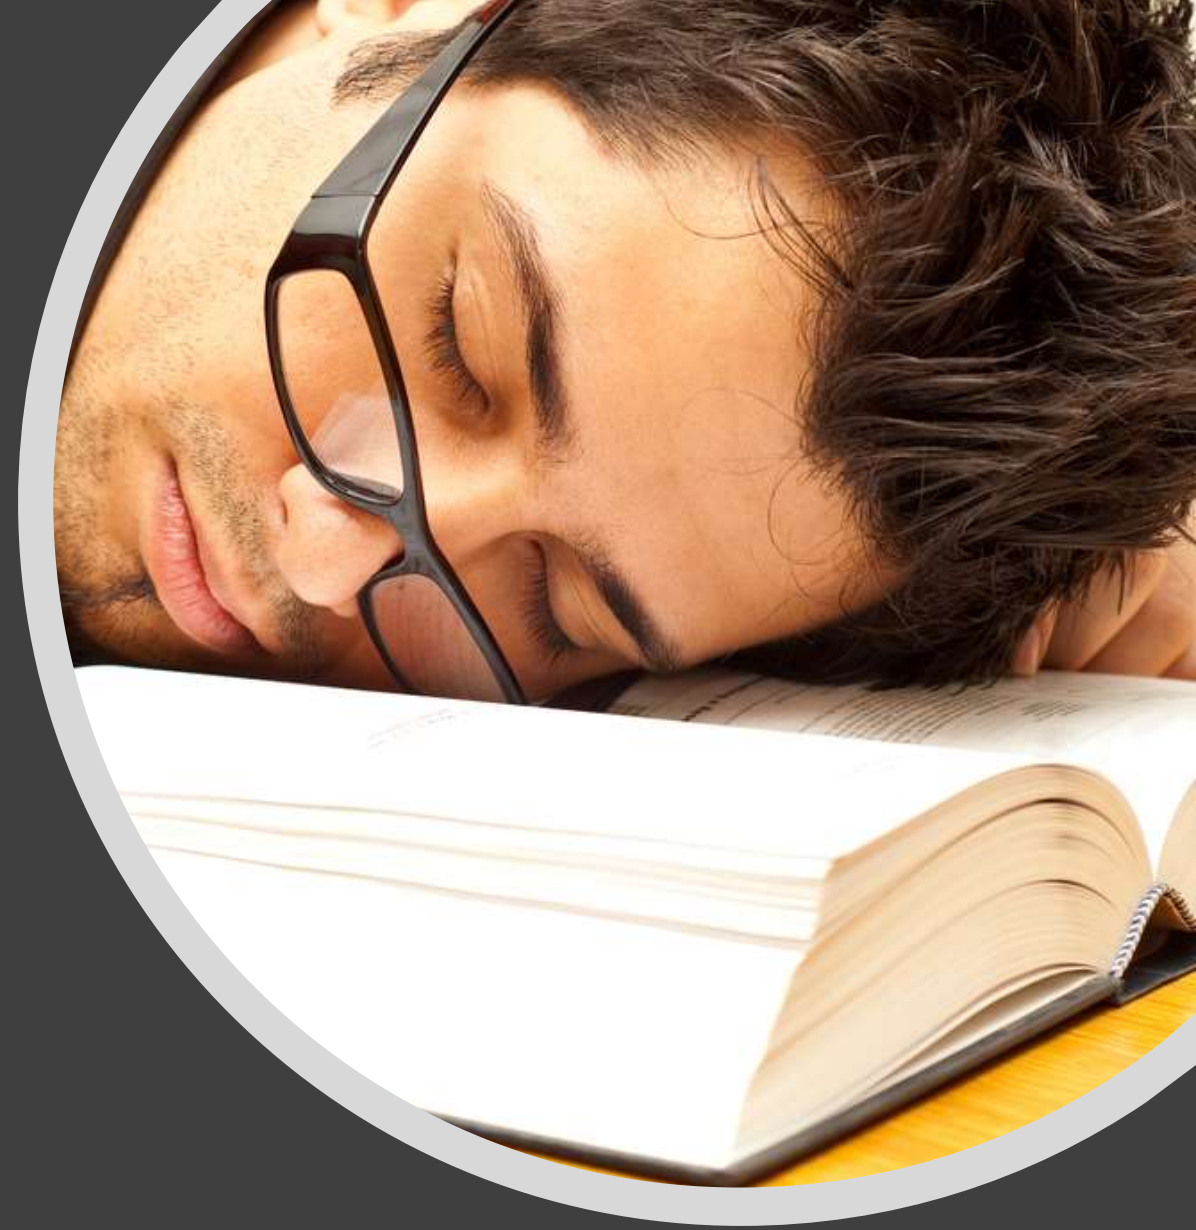

Q17, Could it be that the devil has a channel for us?

- If you like sex, he has got a channel for you and if you like violence he has got a channel for you, if you like sport he has got a channel for you. As we are beholding these things the devil is putting his characteristics into us and then we don't get along one with another.

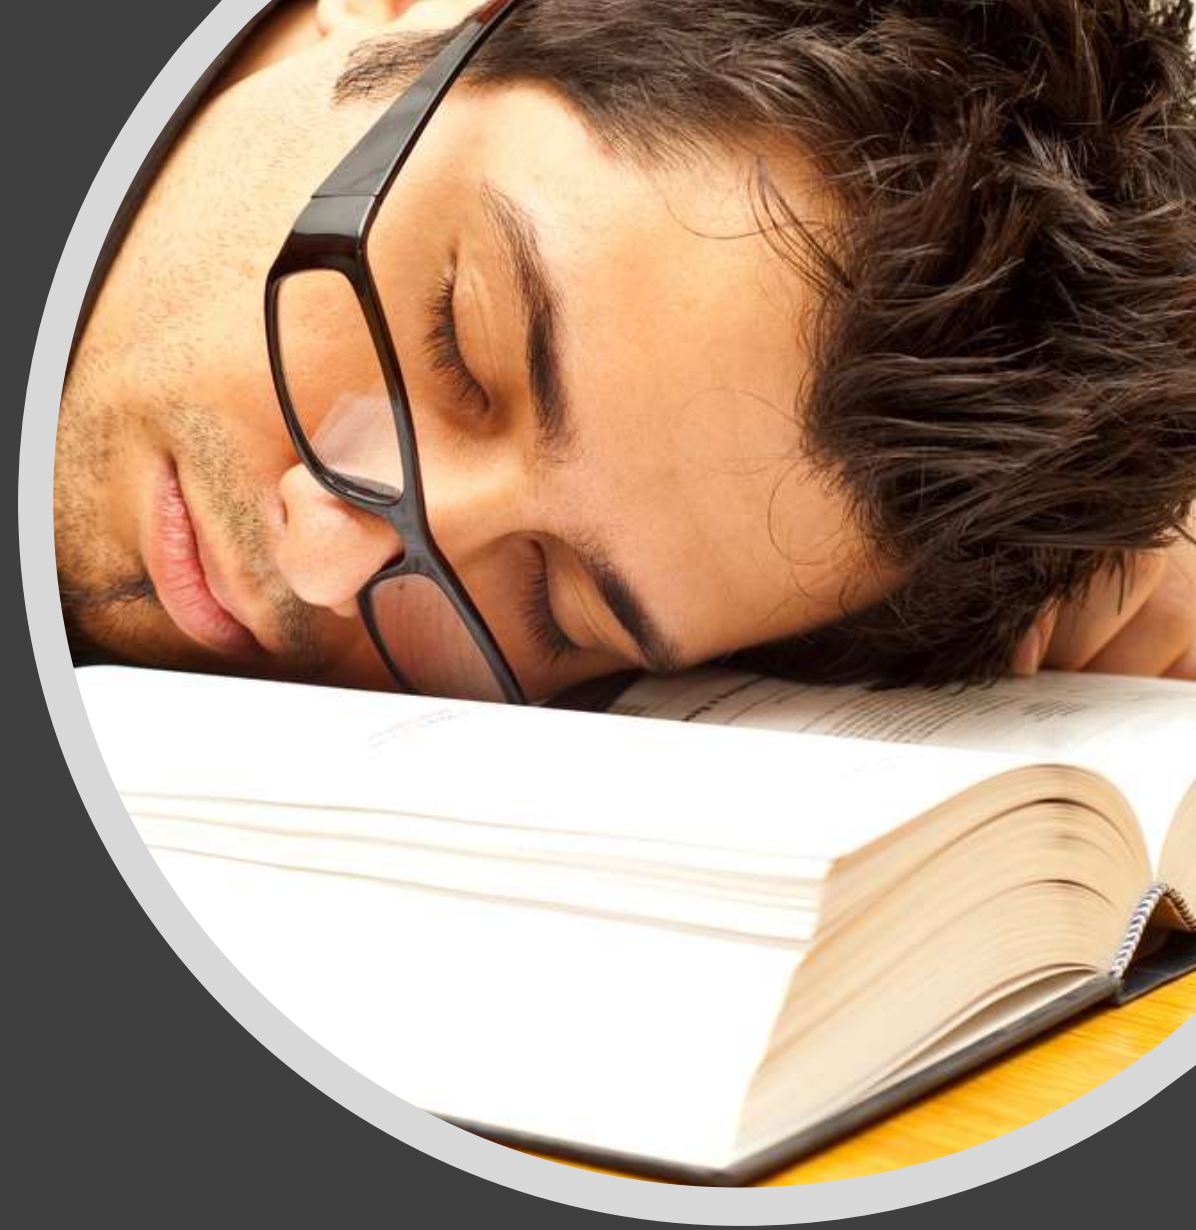

- When it comes to opening the Scriptures or watching a sermon, we fall asleep. We cannot keep our eyes open, because there is no fast action, our emotions are not running from being happy to being sad to being scared. By beholding (watching TV or movies), we become changed. THAT is why it is called PROGRAMMING.

- It means someone or something is being programmed. When we watch these programs, one way or another, some programming is going on and we are being programmed by the enemy's program. **Witchcraft is being used to turn us away from the Scriptures and obeying Yahuwah.**

Remote control means to control from a distance. The enemy has a remote control for many of us. We say we don't see it. Nobody is controlling me. One of the things sin has done, it has blinded our ability to discern between what is good and what is evil and now we are calling the things that are good evil and the things that are evil, good.

Q18: What does REMOTE CONTROL mean?

- We make **excuses** when we watch violence, sex and filth and say it is entertainment when we are being programmed to take in this garbage which will then change our character and mind set moving us away from the Scriptures and the love for Yahuwah and His Torah.

# EXCUSES

- Many do not want to and even refuse to read the Scriptures, because it convicts them and shows them their sins and the need to change their lives which they do not want to change.

Hypnosis is when one mind controls another and you begin to act in ways you are not used to acting. We are being hypnotized by TV media and movies as well as music and sport and we don't even realize it. Colossians 1:23

**“Continue in the faith and be NOT MOVED AWAY.”**

Q19: What is the meaning of Hypnosis and how are we being Hypnotized?

- It is Yahuwah's purpose to keep us rooted in the gospel, but it is the devil's purpose to MOVE US AWAY FROM THE GOSPEL. Not physically moved away **but being MOVED IN OUR MINDS**. Set your affections (emotions) on the things above. Do not allow your affections or emotions to be moved away from the gospel through watching the media and flicking your remote control going from one demonic channel to another.

To be moved means to stir or to move from one location to another and emotion has the same meaning as to move. We are saying our hearts are stirred as we watch sad movies, violent movies, sex and pornography. We get all emotional and our mindset changes. When we watch a violent movie, and we begin to enjoy the violence and murder and become numbed to it.

**That is why we need to be so selective as to what we listen to and what we watch, as it is changing our character and moving us away from the will of Yahuwah.**

Character is made up of the way we think and feel our emotions. So, whatever we watch, moves us and changes our character, as well as our morals and belief in Yahuwah. The word Paul uses for to move is katokineio (moved away from the gospel.) Are you bewitched and moved away from the gospel? **Do you enjoy your sinful life more than you love Yahuwah?**

Q20: What is the definition of Character?

Could it be, because when you watch a movie, you are being moved away from the gospel of Yahusha. In one two-hour movie your emotions are being moved all over. You cry when the hero dies, you rejoice when the bad guy dies, **you are happy, you are angry, your emotions are literally raped.**

Q21, Do you know why the movies are called the Movies?

Now you watch a sermon, and your emotions are affected. Its boring there is no great emotion and no action. So you fall asleep when you watch a Dvd that teaches the Scripture truths. You are under the spell of witchcraft and have the spirit of slumber. **Pray and ask Yahuwah to remove the spirit of slumber and to open your spiritual eyes and ears to love His Torah.**

Telekinesis, is the psychic ability to move or deform an object without physically touching it. Could it be that the devil is using Telekinesis, through the movies and video games to destroy and deform our characters, by wreaking havoc on our emotions which makes up one half of our character?

Q22: What is Telekinesis?

# IS TELEKINESIS REAL?

Telekinesis, is the psychic ability to move or deform an object without physically touching it. Could it be that the devil is using Telekinesis, through the movies and video games to destroy and deform our characters, by wreaking havoc on our emotions which makes up one half of our character?

Did you know that CINEMA comes from the word TELEKINESIS. When we go to the cinema or movie theatre we are going there to be moved. We look at these movies we see hot action, excitement, drama, suspense, violence, murder, all these different things. It is so exciting in this boring old world. We have to go back again to get more action, more bombs, more sex, because the human appetite for that is getting greater and greater once you get hooked. It is never enough; you need more and more.

• However, when you open the Bible or listen to a sermon and there are no explosions going on, you begin to fall asleep and **that in itself is sorcery**. The devil himself goes and pushes the snooze button and we can't keep our eyes open. **When you fall asleep under the spoken word of Yahuwah it is sorcery**. We can stay awake for 4 hours in movies or sports but cannot listen to a sermon for more than 30 minutes.

Video games are part of the entertainment industry. All video games are based on the principles on aggression and violence. It is not just a game, you are being programmed to take part in violence, murder, hatred, sexual pornography etc. **You are sinning, even if it is only in your mind. That is where all sin starts.**

Q23: How do video games affect our mind and character?

**• Yahusha says anything that enters our mind in the fantasy world is sin. You can sin by committing adultery in your mind, lust through your thoughts, without doing it in your physical body. You can murder by watching murder movies and be guilty of the desire to murder without doing it.**

Yahusha says, if you look after a woman to lust after her even in your mind it is considered sin. Fantasy is Satan's way to move you away from the gospel using your imagination. The flood came because the imaginations (thoughts) of men's hearts were only evil continually. The medium has changed, but the end result is still the same. Isaiah 26:6 **Yahuwah will keep him in perfect peace whose mind (imagination) is stayed on Yahuwah.** The devil wants to move our imaginations and emotions AWAY from Yahuwah and he is doing a good job of it. What's going on out there may look like fun, but Satan has a plan to move you away from following the will of Yahuwah. **Character is made up of thoughts and feelings.**

Q24: How does music affect our character and lifestyle?

MUSIC has two components, words which express thoughts and the music which expresses feelings. Music can be an avenue that our emotions and characters can be changed. The words can also change our morals and beliefs.

**Music is one of the biggest weapons the enemy is using on Yahuwah's people today. It is indeed like a drug.** It stays in your mind and pops up at the strangest times! The longer you stay in the enemy's camp, the harder the battle will be when you come out.

## Q25: What about Rap Music?

People say this is a good avenue and directs their aggression into the music and curb gang violence. The Hypnotic and repetitive music is an expression of anger and rebellion just like Rock Music and Reggae music. Both are expressions of rebellion and aggression. This has nothing to do with culture or color, it has

to do with the schemes of the devil even putting it deep into our culture. It's not about black and white, it's about heaven and hell, not about flesh and blood but about spiritual wickedness in high places. Yahusha is the only answer to all our addictions, and you can ask Him today to set you free from these.

# Rappers Who Sold Their Souls & The Illuminati

**BEFORE**

**AFTER**

Music of aggression and sex began to spread across the whole world getting all people to be aggressive, sexually active at a very young age as well as violent and disrespectful. Hip Hop culture is not geared to marriage and family relations. It is geared towards rebellion and sex, using women for their own satisfaction and then discarding them like they are not worth anything. It's all about how many girls you can have and what you do to them sexually.

It's an expression of emotions saying "I don't want to follow Yah." I want to be rebellious. Hip Hop culture divided families. When we bring this music into the church, it separates adults and youth and destroys the true faith. You get Youth services, children's classes and adults' classes which are all divisions, when we should be in unity worshipping together as a family.

Q26: Can you separate music from culture?

It is impossible to separate the music from the culture. Its simply a reflection of the whole culture. Rock music, Reggae or Rap, rebellion and aggression begins to follow, and the dress is now shocking. Tattoos, jewelry, pierced bodies and nudity, cross dressing, is all part of the culture. These are all wolves in sheep's clothing because it is dishonest. Sheep in wolves clothing following the popular culture of the day.

Dress, act and sing like a wolf is what some people use an excuse to evangelize, but I am a sheep. **There should be a clear line.** Both are using deception. Scripture says, by your fruit you shall know them. Fruit of gospel rock, reggae, hip hop, it is dividing the younger and older people from one another causing more division than unity. No more Bible studies and Scripture reading. Malachi 4 says, it is turning hearts of the fathers from the children and the children away from the fathers. **Look at the fruit; it is rotten.**

There is a plot for the enemy of souls. More and more of our young people are less and less Biblically literate and knowledgeable. They don't even read the Bible or pray. People are less and less inclined to read the Word of Yah because it is all about feeling, using emotions to replace the study of the word of Yahuwah. Satan plans to wipe out all the pastors and youth who have the desire to study the Word of Yahuwah and is doing a good job of it. Church today is all about grace and living in sin. It's all okay.

. No more repentance, obedience to the Torah and Bible studies. Speaking and teaching the truth of the Scriptures is today classed as hate. Scripture says we are to expose the unfruitful works of darkness and not take part in it. Ephesians 5:11. If any man hate his brother, he is not of Yah. Paul says if meat causes my brother to stumble, I will eat no flesh the rest of my life. If it is offensive to someone else, you are not to do it by your influence, for example, drinking alcohol is not alright, Yahusha drank unfermented wine. What we find happening is that as this music is coming in, the youth are saying.....

... “I don’t care what you think or how you feel, we are taking over.” Selfishness takes over. That is the spirit of hate and rebellion and disrespect. You need to give it up if it is offensive to someone else. This type of music is more about what we want than what is best for Yahusha and our fellow Israelites. We need to have our eyes anointed so we can see. The words mean nothing as the spirit of rebellion is already in that music.

Q27: What did Paul do in Acts 16:16?

Paul was confronted with an evil spirit. This woman had a spirit of divination and was shouting aloud continually, promoting them as the servants of the Most-High Elohim. She was speaking truth and good words but Paul was grieved by this. When Paul saw a mixture of the set-apart and worldly in that woman, Paul cast the spirit out of her. She was mocking the gospel message. **If she looks like a sorcerer, dresses like a sorcerer but speaks good words, she is still a sorcerer.**

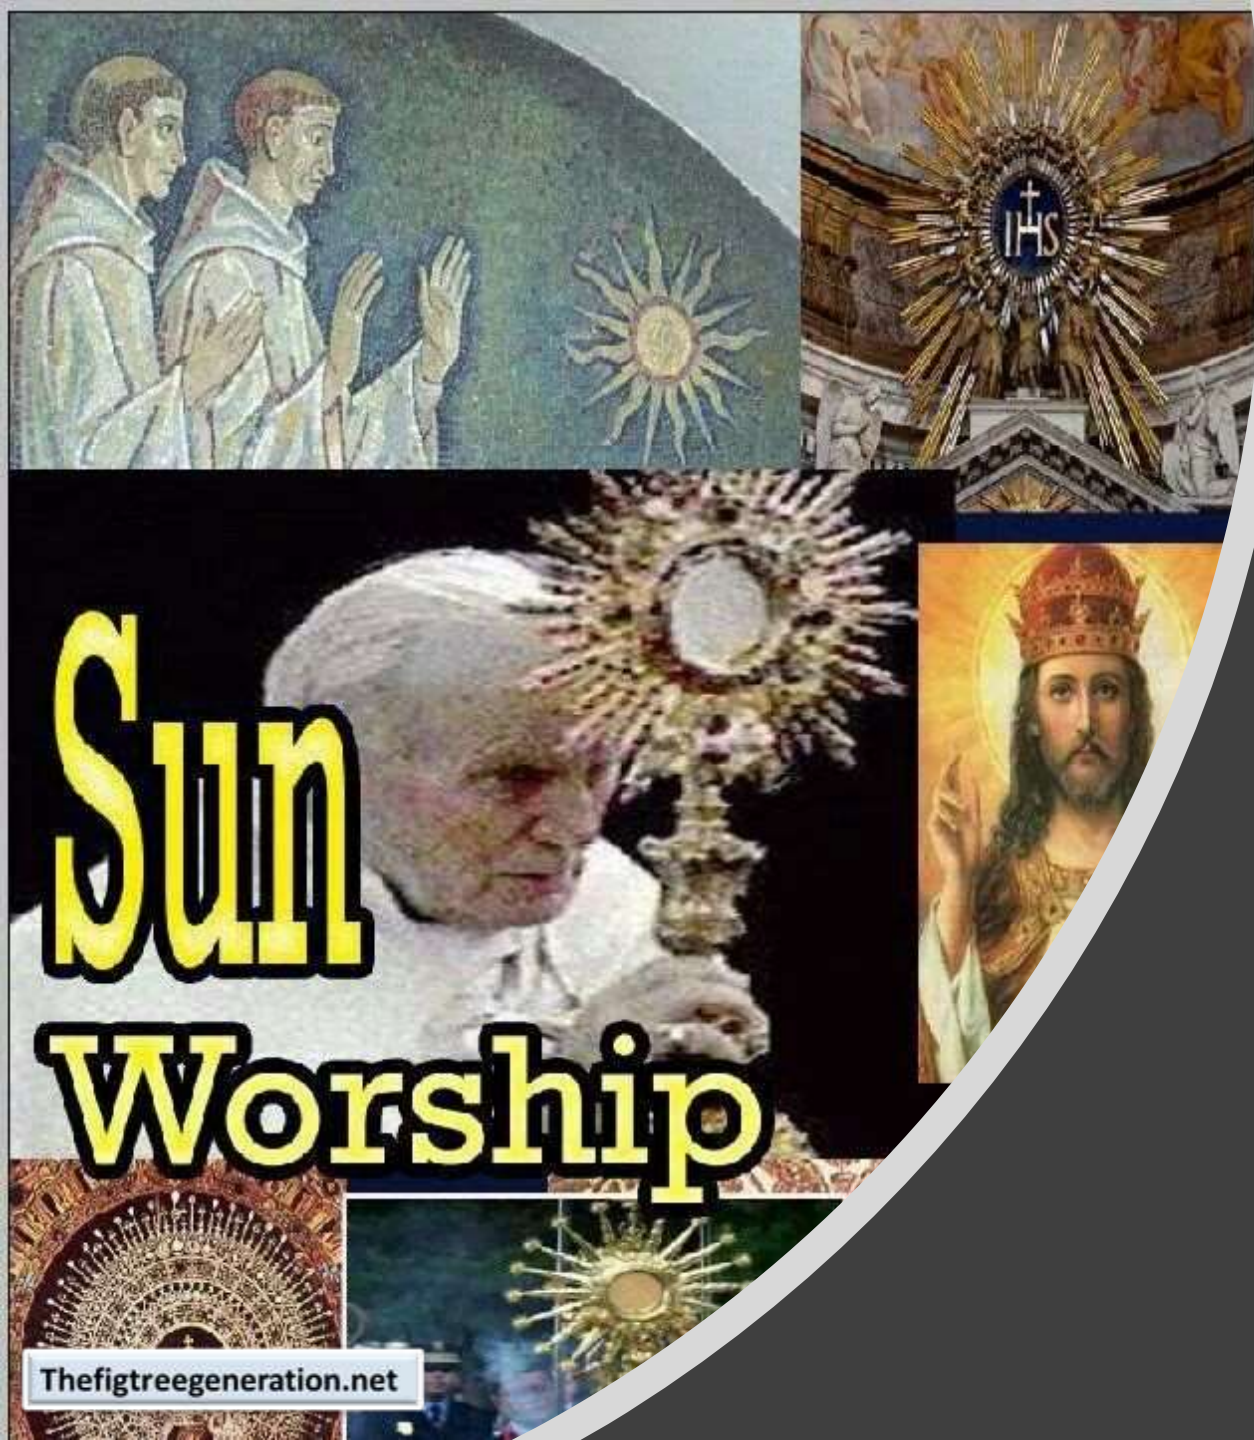

- . It's the same with Rap Christians artists. It is a mockery to Yahuwah filling us full of Pride and Rebellion. Have you ever seen a humble Rap artist? It is impossible to be humble on stage. It's all about me, myself and I and how wonderful I am. Got to walk with the walk and talk with the talk, the two do not go together. For every genuine there are two counterfeits, one for the world and one for the church.

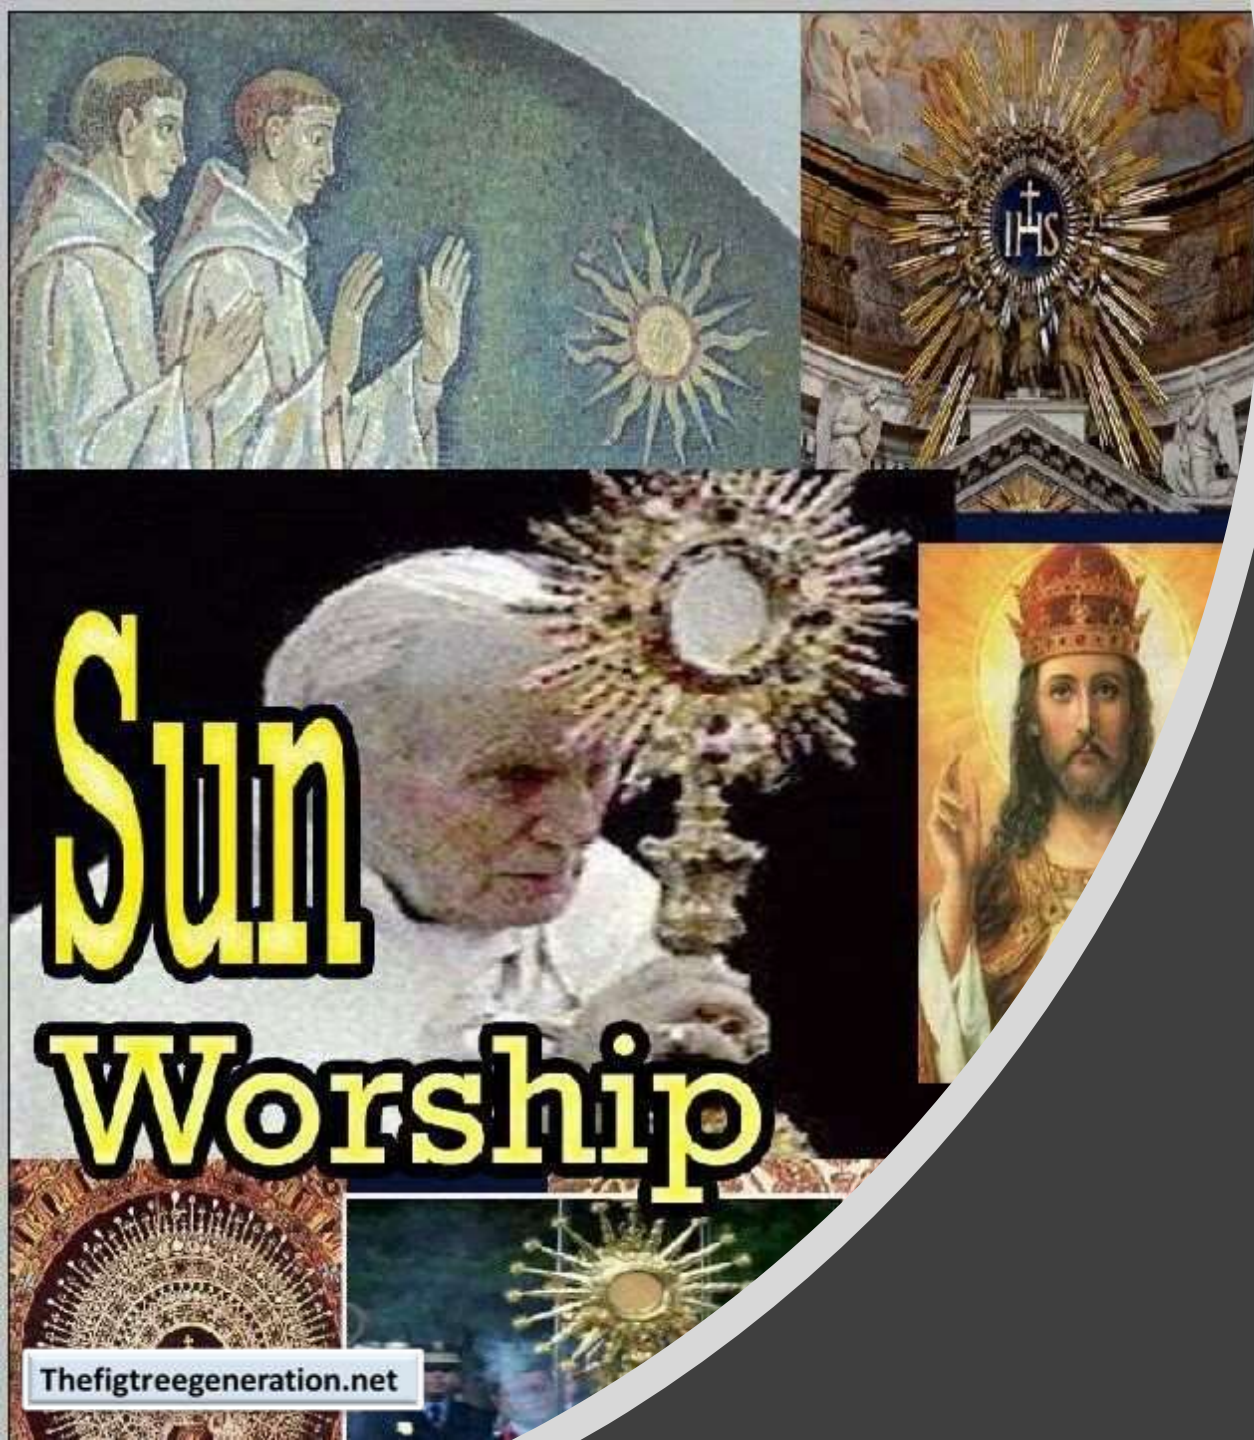

The word Christian is now a fashion word used by many who claim to be a believer in the Savior. Sadly, they act like the world, sin like the world and are hipocrites because they do not obey the Torah yet claim to be blessed by Yahuwah when in reality they are being blessed by Satan for their works of rebellion and enjoying their sinful passions.

Q28: How does the devil deceive everyone with the word Christian?

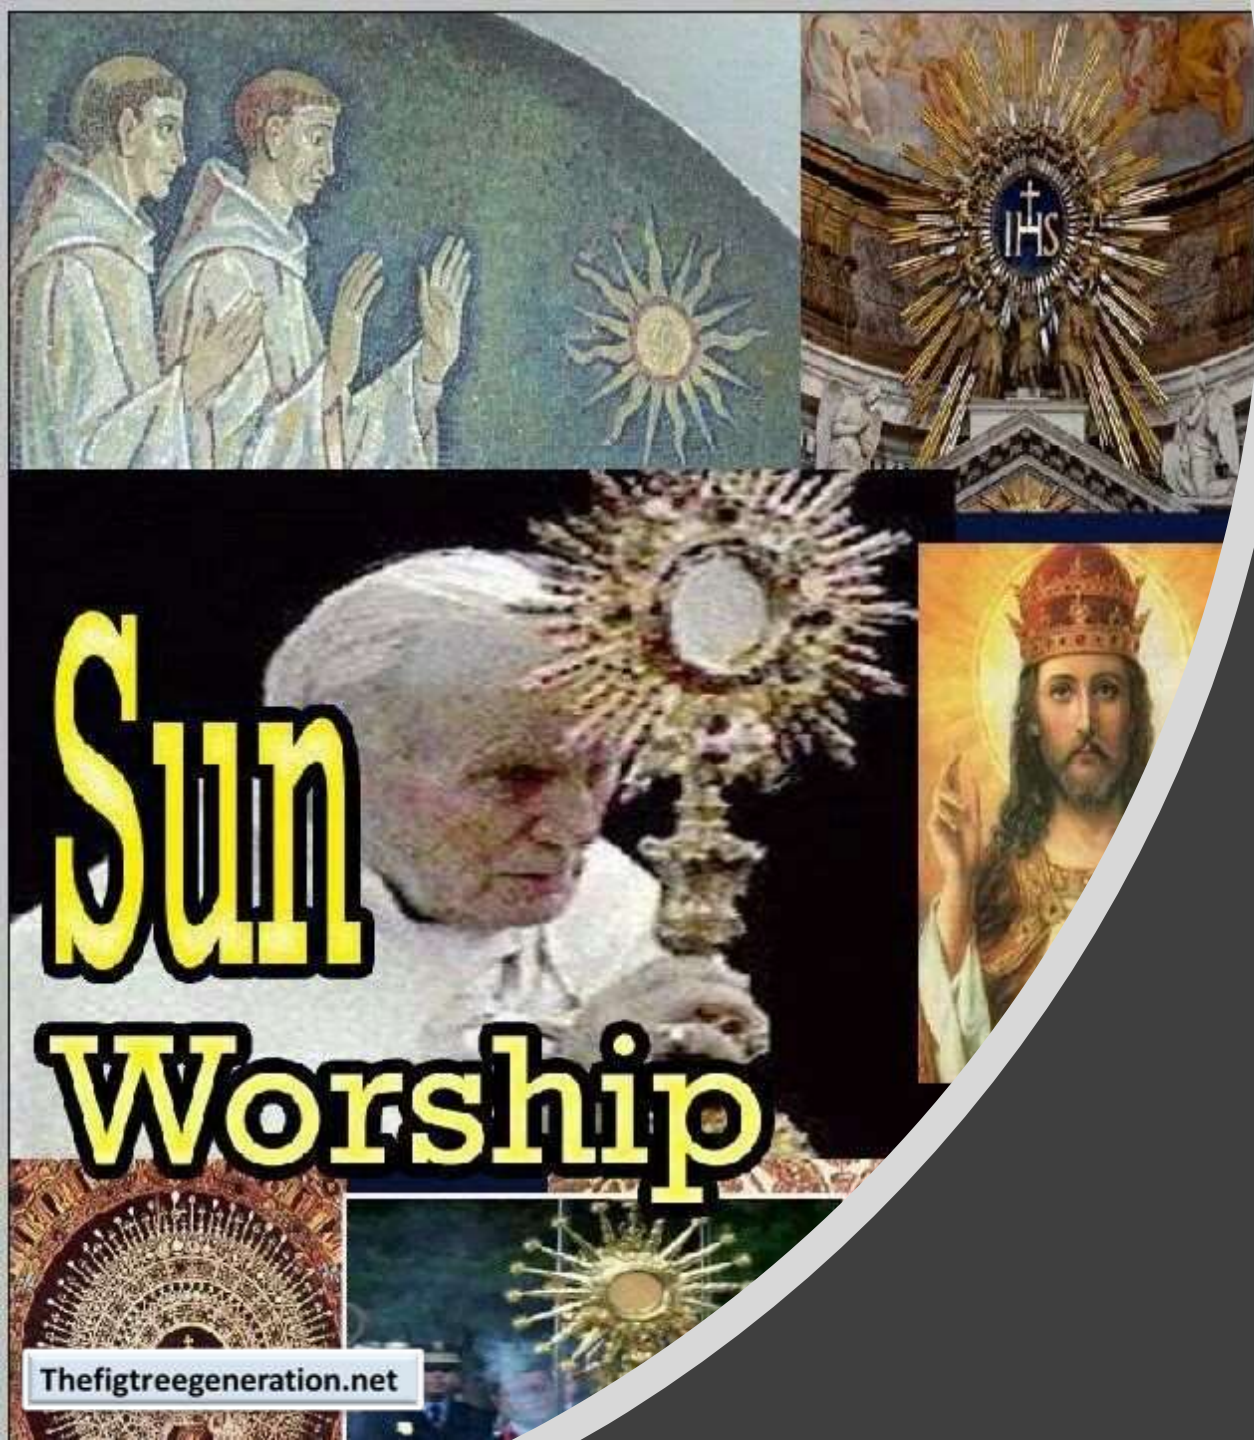

- Sun worship is all part of Christianity, it replaces Sabbath to Sunday, Yahuwah's Feast days with pagan Christmas, Easter etc. Scoring a goal with the sun ball was equated with the triumph of light over darkness, good over evil...The ball is a sun symbol in all such sports as football, hockey, basketball, and cricket.

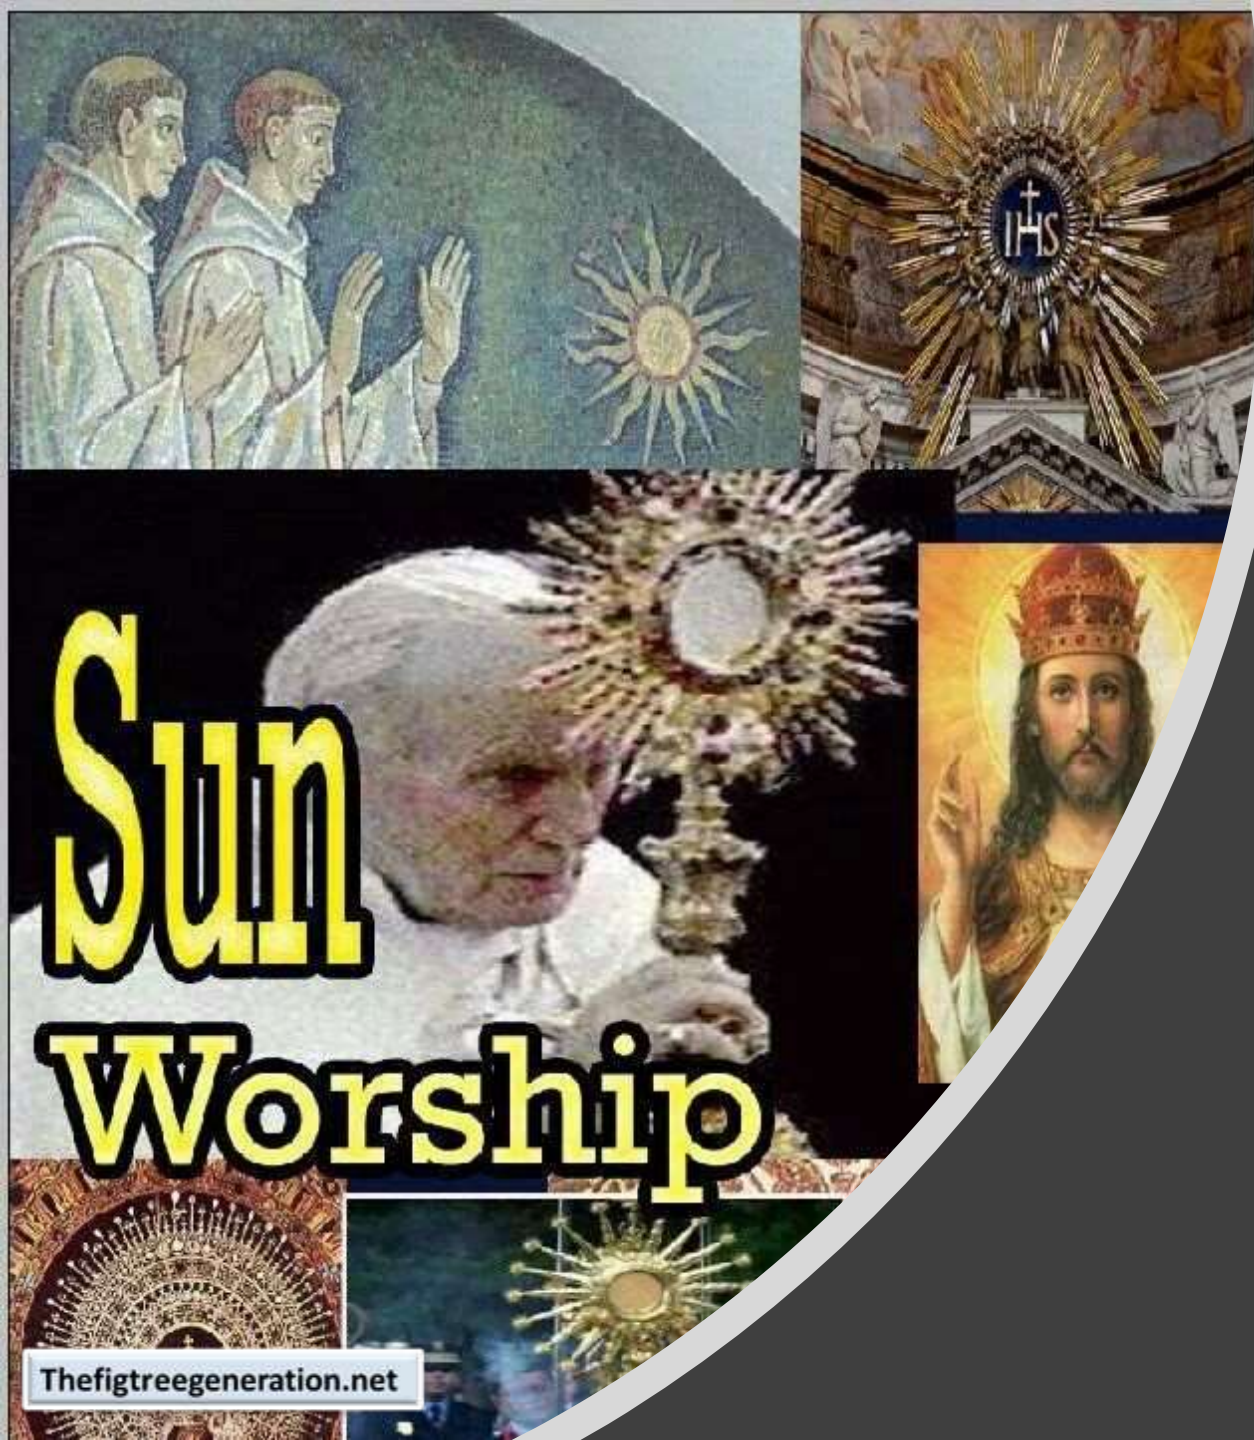

- Baseball is related to the sun in the sundial shape and pattern of the field, as well as its rules of play and scoring. Like all sports, baseball also embodies the sun's seasonal cycles in much the same way as ancient ceremonial contests were held as part of fertility rites.

- As in sport, the sun is omnipresent on practically all aspects of life, whether it be art, architecture, philosophy, religion, festivals, folklore, dance, or music. Every morning a "pagan" god of the day wakes us up, for the Romans in the early centuries of the Christian era named each day after the seven planets - Sun, Moon, Mars, Mercury, Jupiter, Venus, and Saturn.

- Christian boxing, Christian sports stars and music stars. How can all these Christian sports begin their game and be praying to Yahuwah to win the game? They are praying to Saturnalia the sun god of sport. Did you know there are even Christian Sorcerers? They are witches who say they are Christian witches.

Experiments with rats and mice in a maze with Rock music, the mice could not find their way out the maze and ended up attacking and killing each other. The mice in the classic music maze were fine. Rock music drowns the senses of people causing chaos of noise, drums, shouting, dancing and shouting in tongues called the holy spirits working when it was the working of demons.

Q29: What happened to the experiment done with rats and mice while playing Rock music?

Hollywood's biggest stars are possessed by evil spirits with the aim of taking the glory Yahuwah deserves and giving it to humans. John 4:23 says that "true worshippers shall worship the Father in spirit and in truth: for the Father seeks such to worship Him." Since the beginning of history, Satan has been working to corrupt our view of worship and take our eyes away from Yahuwah and toward idols.

Q30, What are Hollywood's Biggest stars possessed with?

At the 2006 Emmy Awards, comedian Stephen Colbert called Hollywood the “belly of the beast” and all people involved “godless Sodomites.” Colbert was speaking in jest, but his words ring with frightening truths: It's crucial that we start taking a closer look at the movies we watch. Scripture tells us to, **"abhor what is evil. Cling to what is good,"** and **"flee also youthful lusts; but pursue righteousness"** (Romans 12:9; 2 Timothy 2:22).

When we shut off our brains and soak in whatever the TV tells us, we are allowing false doctrines and youthful lusts to sneak into our minds and alter our character and morals.

Q31” How have the Christian churches changed to the ways of the world?

The Churches are no longer about the Word of Yahuwah but about feeling and emotions and how much we can get in richness and prosperity and blessings. More and more materialism. More and more imitators of the sins of the world and all is acceptable today. It is unheard of to point out sin and repentance in the churches today and **there is a lawless gospel of cheap grace preached in all the churches which are leading people into the lake of fire, knowingly or unknowingly.**

Q32: What did the new believers do when they became true believers in Yahusha?

We will be deceived by sorcery if you do not get rid of it. “And a number of those who had practiced magic arts brought their books together **and burned them in the sight of all.** And they counted the value of them and found it came to fifty thousand pieces of **silver.**” Acts 19:19. When the Ephesians became believers, they burnt the magic books. **You need to destroy all your CDs, videos, games, DVDs, music and the watching of the wicked things on TV. It is the power of sorcery.**

You are under the spell of sorcery, and it is affecting your spiritual life. Lukewarm is mixing hot and cold. **Yahuwah is calling you to come out and be separate and get rid of all the sorcery in your home.** In general, the music, films, and shows produced by Hollywood are designed to corrupt and degrade the morality of the masses, lead them away from true faith in their Creator, and ultimately destroy people and society. **This is Satan's agenda.**

Q33: Are you wondering why you can't have clean thoughts, why you can't be on fire for Yahuwah?

The Music and film industry are incredibly powerful mediums and they have had incredible success with this plan. The "sex drugs and rock and roll" revolution that begun in the 1950s and 60s has radically changed society...to levels that would have been unimaginable to those in the 1940s & 50s. **Look at the wickedness today!** Many top music artists reportedly sign contracts in their own blood and take oaths to serve the Satanic "brotherhood". **Then in interviews and in their song lyrics many artists explicitly admit that they have "sold their soul to the devil."**

Many artists and actors admit that they are not the true authors/composers of their music but receive it via "channeling". Many admit that they have "alter egos" and literal other "entities" that possess them when they perform. What they are describing is literal demonic possession. **Many artists are pressured or forced into drug use, sexual immorality, and other depravities as part of their initiation into this Satanic brotherhood.**

Q34: How do many authors, actors and music stars get their talent and inspiration from?

. For instance, many sources and inside whistleblowers allege that a large portion of the top male artists in rap and hip hop are closet homosexuals, bisexuals. The evidence, it's very compelling. Most top artists openly flaunt their Satanic allegiances in their lyrics, clothing (Pentagram/Baphomet symbols), and via hand signs (the "ok" hand sign which represents "666", the pyramid representing the Illuminati, and the "devil horns"), and cover their One eye (of Horace, which is Satanic worship.) Many of the stage performances are literal satanic rituals, with the lyrics and imagery conveying Satanic/Masonic messages and themes.

- The Beatles and Pope Francis and Manila Archbishop Luis Antonio Tagle salute the crowd with the popular Satanic hand sign.

Everything you do affects your character and changes you. What you watch, what you listen to and how much time you spend there. You are programming your brain to become changed and soon your character has changed. You cannot read your Bible and you find it difficult to stay awake if you watch a sermon. You are under the spirit of slumber. The only way out is to cry out to your Savior Yahusha Messiah and ask Him to save You. Repent of your sins and turn away from your sins to obey His Torah which will give you love, joy and peace and an abundant life.

Destroy and burn all movies, video games, DVDs and CDs, Books, Pornography and anything else that is keeping you in the Black Hole that will lead to your eternal damnation.

Move away from friends who are still trapped in sorcery and start studying your Bible daily.

Meditate on the Scriptures and ask Yahusha to send you new friends who can help you grow in truth and encourage you on your new walk of eternal life.

• Now is the day of Salvation do not delay. Surrender your life today to Yahusha Messiah. He loves you and is waiting for you to call out to Him so He can help you have an abundant life.
