2:00 pm – Board charter bus at entrance of Griffith Observatory

2:30 pm – ARRIVE at Embassy Suites Hotel, Glendale

Note: It was just revealed that the Academy Museum of Motion Picture will be opening a section of this magnificent structure in a few weeks. If it is opened before the grand reunion, we will need to make some changes in terms of shortening time or eliminating one or two sites. This museum is new and displays the essence of everything Hollywood and the film industry in one place.
