Her acting gigs include Hamilton on Broadway and she has been on Broadway many other times. Her favorite food is canned tuna straight from the can.

(Mother, Party-Goer, Card, Dancer, Arch, Juror)

Ellie Rawles lives in Hollywood. She is 13 years old and has 10 brothers and one sister. Her favorite food is a cheese, pickles, lettuce, mustard and mayonnaise sandwich. Olivia Jablonski is 17 years old and lives in her uncle's backyard dog house. Her other name is Olivia VW Bug and she has a Tesla. She has been in 10 shows and her side job is making....
To be continued.

Rosalie Hartog

(Alice #2, Party-Goer, Arch, Juror)

Rosalie is a world-renowned awesome person; she acts as a side hobby. She was born 46 years in the future and lives in a small town in Nashville, California, Tennessee, also known as K.F.C. Rosalie is also an all-time champion in donkey wrestling.

Summer Power

(White Rabbit)

Summer Power is an 86-year-old woman who was a Victoria's Secret model for 82 years before she retired and started acting. Summer enjoys portraying the roles of old men who act like toddlers but, even so, she will never stop wearing heels and skirts. Another one of Summer's new-found pastimes is collecting things ranging from 3.5" spoons (specifically sugar spoons) to Mcdonald's French fry boxes. And there you have it, Summer in a nutshell!

Izabella C. Trudeau

(Caterpillar, Party-Goer, Card, Juror)

Izabella Trudeau lives in the Land of Asparagus. She is famous there for being the only one who likes vegetables. She is 28 years old and has 58½ siblings. Her favorite foods are Christmas ornaments, except she doesn't like the green ones because they taste funky.

Amelie Amodio **(Pigeon, Dormouse)**

Amelie Amodio was a world champion donkey wrestler but she retired after defeating the golden donkey in the ring of fire. She has 14 toes. Her part-time job is being a florist at Safeway, which in no way prepared her for being a contestant on season three of Alone Junior. Hummingbirds are delicious.

Ivy Selby **(Cheshire Cat, Hedgehog)**

Ivy Selby is a 34 year old who manages to look like a 7 year old on stage. She keeps her beauty secrets closely guarded. She lives in a dog house in the hallway of her parents' house located in Antafrica. Her big plan for life is living in a mansion with her 197 cats.

Hazel Trudeau **(Party-Goer, Joker, Arch, Juror)**

My name is Hazel but I'm also kind of a nut. I have become 9 years of age. I am awesome because I like horses and can run faster than them. I like axolotls and it ate my homework because I ask-o-lotls questions. I'm also a part-time comedian and I will be here all week. My favorite snack is Chips Ahoy! because I used to land ahoy when I traveled the Seven Seas but I am blind. I have too many friends to count; it also doesn't help that I can't even count to 5 1,3,2,4,27,2367521. El Fin.

Zoe Trudeau

(Alice #3)

My name is Zoe Rose not Zo Rosè. I am 14 going on 3 and 30 at the same time. When I grow up I want to be a kid. My favorite color doesn't exist unless all the shades of the ocean come in one color. I have two younger sisters but I think they qualify as cats because they're super sweet until they're straight-up vicious. I don't believe in shaving... my dad's head. If I could have anything in the world I would want wind... but not out the back end, if you know what I mean.

Milou Hooijer

(Mad Hatter)

Milou Hooijer is a 28 17/39 year old who has a whopping 8 billion followers on her knitting Facebook group. She is the queen of Planet M./L-O*U. She lives in an 89-story anthill in the east-western part of the Ooblecking town city place. Her favorite kind of toilet bowl is the Wisher Washer 7,000, model Y. Some of her hobbies include chasing inanimate objects, eating monstrous amounts of LED lightbulbs and riding broken shopping carts through the streets of Ohio.

Chance Stevens

(March Hare)

The weather was warm, at least for November. The wind howled through the trees, and birds chirped brightly even though the sun had nearly set. Everything seemed so peaceful, so no one saw it coming. The ground shook, and an eerie howl seemed to come from the Earth itself. "Never" – time stood still – "gonna give you up, never gonna let you down."

Finn Hooijer **(The Maid)**

Finnigan Hooijer was brought all the way from California for his highly anticipated return to the stage in the small but absolutely crucial role of Maid. Hopefully the costume still fits!

Malia Berg **(Jerry the Security Guard)**

Malia identifies as a female human from Planet Earth. She enjoys participating in many normal human activities such as kiteboarding, wing foiling and scamming senior citizens. Malia is 69 years of age and stands at a measly 6' 7" of height. (Malia is very sensitive about her height as she was made fun of as a child for being "stumpy," and it is recommended you don't mention her dwarfishness as to prevent another World War.) She is currently in the Baja of Mexico due to recent allegations of her hijacking a tour bus and taking the bus filled with people off of several "jumps" just for the thrill of it.

Amelie Selby **(The Queen of Hearts)**

Amelie Selby is 99 years old and aging beautifully. She has been on Broadway several times and starred in more movies than she can name. A native New Yorker, Amelie's current profession is selling youth elixir and shaving cream for dogs in a little town in Washington called Washington. She just finished starring in a TV show called – wait, she can't tell you. It's classified.

Maggie Power (Hedgehog)

Maggie Power is a renowned stunt double who has been in many movies and shows including *The Great Stumble*, *A Big Belly Flop* and *A Series of Unfortunate Falls*. Maggie chose the role of Hedgehog because she's used to being whacked with croquet mallets.

Zoé Vigouroux Cali (Backstage)

Cette jeune fille de 12 ans a décidé de rejoindre Camp Dancing Birds parce que sa soeur de 25 ans a fait du théâtre. Zoé est Italienne et toute sa famille vient d'Australie. Zoé est aujourd'hui connue grâce à son expérience au théâtre. Olivia Rodriguea est sa cousine.

Penelope Morin (Backstage)

Penelope has a passion for jokes and cats, both of which contribute greatly to her somewhat contradictory roles as a lie-telling minister and truth-telling child. Her other career creating beautiful hand-crafted jewelry from rare earth metals and gems has bestowed upon her magical powers, as evidenced by the halo of light that follows her everywhere she goes.
