Dear Friends,

Great Escape #124 (Shooting with Ron)

Greetings from **Pahrump, Nevada.**

House Hunting

Yes, we are still in Pahrump, Nevada. As most of you already know, we are very fond of this desert town a mile west of Las Vegas. It has a small town atmosphere, several casinos with very inexpensive dining, and beautiful mountains surrounding a large desert valley. It is also suffering a serious depression and as a result, there are many homes in foreclosure. Some of these homes have been pretty much destroyed by their former occupants and others are quite nice. Obviously, we are looking for a nice home at a bargain price. Unfortunately, it's not easy. You have to watch the market like a hawk and make an offer within the first few days of availability. Maybe we will find what we want and maybe we won't. It's not life and death as we already have a home on wheels of which we are very fond.

Yesterday we made an offer on this home. In the next couple of days we'll see if it's going to

be accepted. Wish us luck.

Income Taxes

Donna is in the groove and preparing taxes for hundreds of clients all over the United States. If you would like her help, it would be wise to contact her immediately.

Precious Metals

Several months ago we became authorized agents for Royal Metals Group. We can now accept orders for gold and silver bullion as well as gold and silver coins. To a lesser extent, we also deal in platinum and palladium. We can arrange for delivery directly to you or arrange for safe storage in case you would like to incorporate precious metals into an IRA account. If you would like to know more, give us a shout.

Shotgun Coach

Several months ago while we were parked at the Clark County Shooting Park in North Las Vegas (Great Escape #120) we were lucky enough to meet **Ron Christensen**. Ron is a very skilled trap shooter and an excellent trap instructor. He is also an all around good guy and a lot of fun to work with. He knows all aspects of the sport and can help you with equipment choices and modifications as well as improving your shooting skills. He will build on your skills, correct your faults, and shorten your learning curve dramatically. We highly recommend him. If you get a chance to shoot trap (clay pigeons) in Las Vegas, contact Ron. He can teach, he can demonstrate, and he's reasonably priced.

Contact Ron Christensen at (702) 875-3164. Or better yet, learn more at: [Ron Christensen Flyer](#)

Until next time, home is where we park it.
