

Dear Friends,

It has been many weeks since you've heard from us. We wish we had wonderful photos of wonderful places to share with you, but the fact of the matter is, we have been hunkered down at **Catalina Spa & RV Resort** in **Desert Hot Springs, California**, since a little before Christmas. Sure, this is a lovely park and certainly the Palm Springs, California area is a darn nice place to spend the winter, but still, we're getting anxious to get back on the road.

We did have a wonderful short trip to **Las Vegas**. The top insurance agents for **American Equity** were invited to an incredible all expense paid two day training session at the **Bellagio Hotel**. It was quite an honor. American Equity has 40,000 appointed agents and we were there with the top 600. We were treated like Kings and Queens and ate and drank accordingly. Our marketing organization hosted about 35 of us to cocktails and dinner the night before the seminar started. Thank you so much, **Michael and Tyrone** from **Brokers Choice of America**. The photo below shows our **Gold Eagle** plaques which means that we have each done over a million dollars in annuities during 2009. Hey, not bad for a couple of RVers with no office and no car.

We went to Vegas a day early to spend a night in the home of our good friends, **Robair and Monique**. And what a home it is. They literally ripped apart an average house, rebuilt and expanded it, and turned it into a palace. They took care of our dog, Annika, who would have been perfectly happy to stay there forever. The house contains a huge professional kitchen and Monique is a gourmet cook. Annika was very impressed.

We are starting to wind up our stay here in Desert Hot Springs. Donna is working on tax preparation seven days a week and will definitely have that work wrapped up by April 15 and maybe sooner. The park is starting to clear out and so we are only going to do two more of our "**Protect and Grow Your Nest Egg in a Down Economy**" seminars. If you're anywhere near our area, we invite you to join us either **Friday, March 26** or **Friday, April 2**. See the attached flyer for details.

Our next destination will be **Preferred RV Resort** in the fun little town of **Pahrump, Nevada**. We expect to arrive in Pahrump by April 19 and maybe sooner. Pahrump is lots of fun in and of itself, but has the bonus of being only one hour away from Las Vegas and only one hour away from Death Valley. Come and visit us if you can.

After Pahrump, we will meander east to **Hart Ranch RV Resort** in the beautiful **Black Hills of South Dakota**. This is another great place to visit us as there is so much to see and do. If you're a motorcycle nut, you might want to come for the 60th annual Sturgis Bike Week which is August 9 through 15. If you're not heavily into Harley Davidson motorcycles, pick another time. During Bike Week there are approximately 500,000 motorcycles jammed into the area. Everything becomes very crowded and very expensive. We expect to be in South Dakota from around mid-June to the first part of September. During this period, the weather is beautiful. Before and after, maybe not so nice.

Until next time, home is where we park it.
