

Dear Friends,

Greetings once again from **Hart Ranch, Rapid City, South Dakota.**

Our friends, **Alan and Debbie**, left Hart Ranch this morning and so we have a little more time to try to catch up on our newsletters. We have been training Debbie to become a sub-agent in our financial retirement business. She is on her way to Oregon looking forward to giving financial seminars on her own. We wish her the best.

Newsletter #96 gave you a feel for a great, but out of the way, National Park in Utah called Capitol Reef. From there we headed for **Moab, Utah**, and **Arches National Park**. We have written about Arches before, so we will keep this short.

The local Elks Lodge is on a hill above the town of Moab. They were kind enough to allow our motorhome and Tim's camper van to stay a couple of nights. The weather was hot and windy in the last week of May so a couple of days of riding was all we felt like doing.

If you'd like to know more about Arches National Park, we refer you to our Great Escape #88 dated October 29, 2009.

Until next time, home is where we park it.
