

HEALTH

Dear parents,

As we prioritize the well-being and safety of all our students and staff, we kindly remind you of our sick policy.

If your child exhibits any symptoms such as fever, cough, runny nose, sore throat, vomiting, diarrhea, etc, we request that you do not bring them to school. It is essential to keep our learning environment healthy for all children and staff members.

If your child becomes unwell during the school day, we will contact you to pick them up as quickly as possible. For the benefit of all, your child may return to school after being symptom-free for 24 hours. This is a precautionary measure we take to help ensure that they have recovered and are no longer contagious
