- My skills include leadership as I was a two-time team captain of FAU baseball. My skills also include hard-working, intelligent, and driven. I also have the ability to work well in a group setting. I am also proficient in Excel, Word, and PowerPoint.

EXPERIENCE

Special Assistant/Bullpen Coach - Florida Atlantic University

August 2023-June 2024

- Working as the special assistant/bullpen coach at Florida Atlantic University I worked closely with the pitchers on the importance of their pre/post throw routine and proper arm care to ensure the health of our players. I also assisted in the development and strengthening of our pitchers to ensure more stability which created healthier pitchers.
- Worked closely with the pitching coach in creating scouting reports for the year.
- Analyzed data from Yakkertech
- Worked a lot with bullpen guys to help them develop the best routine for them prior to entering the game.

Baseball Equipment Operations- (NCAA)- Florida Atlantic University

August 2023-June 2024

- Part of my job responsibilities at Florida Atlantic revolved around running the equipment aspect for the baseball team. This duty included running the day-to-day laundry, uniforms, cleats, gloves, etc.

Keene Swampbats (NECBL), Keene NH - *Assistant Coach*

MAY 2023- AUGUST 2023

- Working for the Keene Swamp Bats I was in charge of the day-to-day activities involving the pitching staff and worked with individual players as well as the collective unit to help college players further develop throughout their summer experience. Also, I was in charge of fieldwork and collecting synergy data for the NECBL.

Florida Atlantic University Baseball (NCAA), Boca Raton - *Camp Coach*

JUNE 2021- AUGUST 2022

- At the FAU baseball camps I helped run the day-to-day activities and helped teach skills to youth baseball players.

EDUCATION

Florida Atlantic University, Boca Raton - *M.S*

AUGUST 2019- MAY 2023

- My degrees from Florida Atlantic University included a bachelor's in the science of criminal justice, as well as a minor in political science. I also achieved a Master 's in science in criminology.
