

SCF-ORGANIC FARMS, LTD.

The Art of Heritage Organic Dry Farming

- Community Building
- Steps to Organic Certification
- Land Ownership & Conservation
- Agricultural Entrepreneurship

SCF Organic Farm's Mission is to educate farmers and customers about the benefits of vegetables and fruits grown with organic, heritage, dry-farming methods, and to increase production and consumption of that produce among farmers and customers of all income levels in the State of South Carolina. SCF's Vision is to see its communities transformed by a vibrant, healthy, local food economy using low-cost, forgotten skills previous generations survived and thrived on.
