MASTER [1]

EXPRESS

Industry-standard mastering for tracks not approved for detailed mastering. Tracks using instrumentals from YouTube, have not been properly mixed, or incorrectly formatted will only qualify for the express master.

\$30

MASTER [2]

DETAILED

Industry-standard mastering for qualifying tracks. Tracks must be properly mixed and correctly formatted for the mastering process. Artist may provide a professional reference track of their choice for EQ, stereo-width, and dynamic matching.

\$70

RECORD

Fantom Airwaves engineer, PR, welcomes artists to his home studio to record. Vocal and instrumental recording is charged by the minute. Time begins when first recording is logged and ends when last recording is logged.

\$45/HOUR

ALTERNATES [1]

CLEAN/RADIO EDITS

Pretty much a mother f#@%ing swear jar.

\$0.50/EDIT

ALTERNATES [2]

PERFORMANCE

Preparation of a track for a performance. Examples of edits include, but are not limited to, removing specific vocals, adding FX, shortening of the track, etc.

\$10

REVISIONS

The first 3 are free.

\$3/REVISION
