*"58 Years of Producing Quality Charolais Genetics"*

Cattlemen;

Welcome to our 32nd Schmidt Charolais Bull Sale and 58 years of breeding quality Charolais genetics. Thank you for showing interest in our program and to the many buyers that have bought bulls for several years.

Through the years we have always worked to produce, affordable, high quality bulls that will sire excellent feeder cattle with eye appeal, weight and that sell well. By feeding out feeder cattle, we can identify the genetics that excel and perform in the feed lot and on the rail. By evaluating the final product, we get a real world view of how our breeding decisions are stacking up.

These bulls are bred to add pounds and eye appeal to any calf crop. Over the past 58 years of raising Charolais, we never chased a trend. We always stuck to the type of cattle I knew would work. Through the years, we have worked on traits we know are economically important to both seedstock producers and commercial cattlemen. Predictability - producing what we expect in terms of fertility, soundness, efficiency and carcass merit. Consistency - producing a product that is consistent from phenotype to performance and carcass quality. Uniformity - if they look alike, perform alike and harvest alike - it just increases the profitability in all segments of the cow/calf industry.

These bulls will sire some of the best, highest selling calves in the area and it is a pleasure to attend sales and help out where I can.

The bulls have done well this year under some challenging conditions. They've been fed to achieve maximum longevity in their new owner's herds. This group has never been entered into the "how fast can you get there contest." We've brought them along and developed them to do their job. By breeding season this offering will be ready to cover ground and breed cows with a minimal amount of maintenance.

All information and performance data is in the catalog or will be available on the web site at [www.schmidtcharolais.com](http://www.schmidtcharolais.com). Ultrasound and fertility information will be posted as it becomes available.

Thank you again for your interest. As always, if you want to go through the bulls prior to the sale, just give me a call. They are easily accessible.
