

About Us

Peoples Drama is a Cantonese theatre association in the Toronto Chinese community. We regularly produce Cantonese stage plays, aiming to create more theatrical entertainment for the Chinese community in Toronto. The troupe was established in 2022 and officially registered as a non-profit organization in March 2024, and we core values every person and life in our mission. We hope to connect lives and build communities through drama. Therefore, we actively recruit individuals in the Toronto area who are interested in Cantonese stage plays to exchange life experiences and learn and grow together. Past productions include “Beloved” in September 2022 and “The Last Will” in January 2024. Over the past two years, we have engaged an average of 600 audiences each year. We plan to conduct workshops and produce a smaller-scale performance from January to April every year. Last but not least, an annual production with a bigger scale will be rehearsed starting in May and will be presented in November, which we insist promote Cantonese original plays in this annual production.

SPONSORSHIP PACKAGE

Significant financial support is essential to ensure the success of our performance productions; Support from all sectors is greatly needed. After deducting all production costs, any surplus will be allocated to fund the next year's production. Sponsoring the productions in the form of financial contributions or services offers the following benefits, as detailed in the table below.

For further inquiries, please feel free to contact us.

Sponsoring or Partnership Suggestion

Sponsoring the Peoples Drama in the form of funds, services, or products entitles you to the benefit of having an advertisement published in the performance program, thereby increasing exposure opportunities for your company as a return on investment. We welcome discussions with sponsors regarding various forms of collaboration. For instance, your company's advertisement published in the program could itself be a discount coupon usable upon patronage of your company. This method is suitable for most retail and food service establishments.

Community Partnership

Our theatre association also welcomes community partnerships with other non-profit organizations and volunteer groups. The forms of cooperation are not limited. For example, when ticket sales for performances are open, audience members who purchase tickets through your organization may receive additional discounts. Non-profit organizations and volunteer groups are welcome to contact us for detailed discussions regarding collaboration opportunities.

Long-Term Sponsorship and Support

In addition to individual sponsorship and support for each production, we actively seek businesses and organizations who are willing to provide long-term support for our operations. We hope to receive regular contributions (monthly/yearly) to sustain and expand the scale of our association's activities. With our mandate to value every person and life, we aim to create a platform where individuals can showcase their talents and provide training opportunities for the younger generation to engage in the arts industry.

*Notes: Peoples Drama is officially registered as a non-profit corporation in Ontario in March 2024. The theatre association is not a charitable organization, and receipts for all sponsorships and donations made will not be issued for tax deduction purposes.
