 - 16) **Close Out.** Subrecipient shall close out this Contract within 90 days after the End Date. Contract close out entails submission to CDHS by Subrecipient of all documentation defined as a deliverable in this Contract, and Subrecipient's final reimbursement request. CDHS shall withhold 5% of the allowable costs until all final project documentation has been submitted and accepted by State as substantially complete. If the project has not been closed by the Federal awarding agency within 1 year and 90 days after the End Date due to Subrecipient's failure to submit required documentation that CDHS has requested from Subrecipient, then Subrecipient may be prohibited from applying for new Federal awards through the State until such documentation has been submitted and accepted.
 - 17) **Erroneous Payments.** The closeout of a Federal award does not affect the right of the Federal awarding agency or CDHS to disallow costs and recover funds on the basis of a later audit or other review. Any cost disallowance recovery is to be made within the record retention period.
