

Christ the King, Delafield Pastor Jackie Cook

Offsite Wedding Agreement and Fees

10/28/2021

Thank you for considering me to perform an offsite wedding for you! Leading worship is one of my greatest joys, but traveling to weddings does require a number of additional items to consider. For that reason, here is a brief set of expectations to help with clarity.

1. Weddings as worship: I am an ordained ELCA pastor and my call is to lead worship services that can include weddings of the exchange of vows. I worship Jesus Christ as my Lord and Savior and believe that God has ordained marriage for the joy of those that enter into it. Please take into consideration that as we plan your ceremony, I will look to reflect that in the service.
2. Pre-Marital counseling is available. See separate page.
3. Wedding planning: As part of the meeting to prepare us to celebrate your day together, we will plan the wedding service together. All other involved individuals such as readers, musicians, etc. are to be secured and compensated by the couple. As I will be performing a Christian wedding ceremony, I will check all musical selections for appropriateness.
4. Optional Order of Service. CTK is available to print a simple order of service/ bulletin and charges a small copying fee.
5. Rehearsals: If the couple wishes that I attend a rehearsal, please notify me in advance of date and time. If travel time is greater than an hour and a half and the day before, I require that the couple pay for my stay in a hotel room.
