

DEBBIE KAPPELHOFF

ARTIST BIO

Debbie Kappelhoff (b. 1962, UK)

Emerging artist living in the Pacific Northwest of the US. Lucky enough to have traveled extensively around the world as a child and as an adult have lived all over including Canada, Memphis, Phoenix, Milwaukee, Seattle, Cincinnati, Santa Barbara, and Germany. The shapes, colors, and patterns of the different cultures encountered over the years directly influence the art. Many crafting skills but the last few years have focused on new avenues of expression including acrylic poured art painting. Studios located in Redmond and Ocean Shores, Washington.
