## About Us

Master Craftsman John Natale founded Natale & Sons, Inc. in 1974 as a family owned business specializing in the creation of pewter and lead-free castings of everything from costume jewelry, to cast metal promotional products, and specialty items such as frames, figurines, hardware, and memorabilia, serving manufacturers, retailers, companies, clubs and institutions.

Meticulous attention to detail, quality and service to its customers will continue to distinguish Natale & Sons from its competition and hold its place among the premier casting shops in New England. **MADE IN THE USA!**

*"The customer always comes first."* That expression, and its spirit, has been a vital part of Natale & Sons success and will continue to be in this millennium.
