

Rules and Regulations

Each team will sit at the trivia table with their group. The categories will be announced two weeks prior to the event. You will answer the questions on your answer sheet and turn it in at the end of each round by the specified turn-in time.

- NO use of cell phones or outside help of any kind. Teams that are reported using any outside devices will forfeit any points accrued during the game.
- Answers MUST be written down on the answer sheet provided.

- Number of trivia rounds and number of trivia questions will be announced 2 weeks prior to the event.
- Each round will be given 30 seconds to read each question and 1 minute to answer.
- If you need to leave the table for any reason your team will be docked 10 Points per incident.
- Answers need not to be spelled correctly. The Judges will verify all answers and they have to know what you mean.
- Do not yell out answers (Right or Wrong), this can cause distractions and may lead to a forfeit for your team.
- The answer we have IS the correct answer. We have done our research. The decision of the Judges will be final and will not be subject to change.

Scoring

1. Each team will receive 5 points for every correct answer.
2. Incomplete or no answers will be given 0 points.
3. After all the questions have been asked the scores will be tallied and added to each team's aggregate score.
4. There will be a total of 15 questions with a possibility of adding 75 points to your team's aggregate score.
