

### **Governing Board Recap – September 2023**

We met on the 20<sup>th</sup> and were impressed by the depth and variety of programs being offered this fall and winter! Check the website and calendar for scheduled events because there are too many to mention here. We approved Union's participation in the Ecumenical Youth Ministry Project. Five churches (First Lutheran, Glen Ridge Congregational, Grace Presbyterian, St. Luke's Episcopal, and Union Cong) will participate. Christina Carter has been chosen to be the part-time program coordinator for this group of local church youth. We heard reports from the Clergy Discernment and Membership Task Forces and outlined plans for the September 27th Congregational Conversation and the October 22nd Congregational Meeting where you will learn more.
