Dear Friends,

On behalf of Human Needs Food Pantry, Inc., I would like to thank you for your incredibly generous donation of \$2,000.00. We are serving more people than ever before in our history, so your generosity is both timely and deeply appreciated. We are keeping up with it but that is only possible because of thoughtful contributions from people like you. We are averaging adding 100 NEW households per month coming to us for assistance; we could not keep up with it without the support of caring people like all of you.

Since our organization began 40 years ago, our mission has been to provide food and clothing to people who fall under the federal poverty level. Over the years we have grown to providing a wide variety of things including diapers, wipes, personal products, nutritional supplements and more. We also provide regular medical screenings, vaccination clinics and delivery to homebound people.

Again, we thank you for your support and helping us succeed in our mission. God bless you and your families.

Sincerely,

Mike Bruno
