It's not the leaving of Liverpool that grieves me

But my darling when I think of thee

I sailed with Burgess once before

And I think I know him well

If a man's a sailor he will get along

If he's not then he's sure in hell

So fare thee well, my own true love

When I return united we will be

It's not the leaving of Liverpool that grieves me

But my darling when I think of thee

The ship is in the harbour, love

And you know I can't remain

I know it will be a long long time

Before I see you again

So fare thee well, my own true love

When I return united we will be

It's not the leaving of Liverpool that grieves me

But my darling when I think of thee

slow on last line

So fare thee well, my own true love

When I return united we will be

It's not the leaving of Liverpool that grieves me

But my darling when I think of thee
